VENTURA COLLEGE
Technology Committee - Minutes
Campus Center Conference Room
September 14, 2015

Present: Rebecca Russell, Matt Moore, Ken Drake, Scot Rabe.
Recorder: Grant Jones

Agenda Item	Summary of Discussion	Action (If Required)	Completion Timeline	Assigned to:
Previous Meeting Minutes	There were no corrections to the previous minutes.			
Accreditation Update	• The IIIc sub-committee met last month to discuss the progress on this accreditation standard. It appears that the summer accreditation team did not have time to create the narrative for this standard. The sub-committee will need to start from scratch to create this narrative.			
Program Review Update	• IT has not received a prioritized list of approved program review initiatives. We have been moving forward with quotes based on where we think these initiatives will have the greatest, technological impact for our students. • 7 Program review initiative quotes have been created and submitted to division offices for processing.			
Applied Sciences Building Update	• Described the progress for the implementation of the AV and IT gear that was setup for the Applied Sciences building. Gave a quick tour of this facility.
