NOTICE! – please read

Please check page 19 for the English course prerequisites, page 22 for the math prerequisites, and page 24 for the microbiology prerequisites. If you have any questions, please speak with a counselor.

Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking English and/or math courses and/or microbiology, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register. Do not delay:** contact the Assessment Specialist, at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on the job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Counseling Office in the Administration Building. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

New Students

Records Available Online: Access your academic records online. Log-on to www.venturacollege.edu and click on Student Central. Records may be accessed using your assigned ID number or social security number and your 6-digit PIN. The PIN is set as your DOB, but you will be required to select a personal PIN the first-time you access online services. Display your transcripts, current class schedule, financial account summary, and update your address and telephone number.

Student Notice: All students enrolled in any credit courses may be required to attend extra educational events.

Schedule of Classes – Subject to Change: Ventura College has made every effort to insure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered to be an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

Prerequisites: A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a pre- or corequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

Corequisites: A course corequisite states the course or courses in which a student must be concurrently enrolled. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed.

Recommended Preparation: Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students do not have to satisfy recommended preparation guidelines to enroll in a course.

Instructional Materials: Some classes require students to purchase or provide materials and supplies for school projects.

CAN: The notation of CAN following the transfer credit statement designates a California Articulation Number. The CAN system provides a cross-reference number or course identification for courses which are acceptable "in lieu of" comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the counseling office, the transfer center, or the ASSIST Web site: www.assist.org

Collaborative Learning: A method of instruction committed to actively engaging students in their learning, using small groups, team and group projects, and providing opportunities for students to share common experiences and solve problems.

Courses Open to Enrollment: Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by statute.

Instructor-initiated drops may result in the assignment of a grade of "W" in accordance with the college withdrawal policy.

Auditing a Class

Students may petition to audit a maximum of one 3 unit class per semester or Summer session. The petition to audit a class is available at the Admissions and Records Office. It must be approved and signed by the instructor, and returned to the Admissions and Records Office during the last two days of the program adjustment period. Lab classes and activity classes are not generally approved for audit. Priority for seats will be given to students taking the class for credit. Auditors pay fees of \$15.00 per unit and applicable health fee. Nonresident tuition does not apply.

Campus Emergency Instructions

Emergency procedures in the event of earthquakes or fires affecting students and staff on campus are available in all classrooms, offices, and the College Catalog. Campus Police phone: (805) 654-6486 or (805) 642-7000.

Class Repeat Policy

Courses can only be taken one time unless otherwise noted in the Ventura College Catalog and Schedule of Classes. Students may petition only once to repeat courses to improve grades of "D," "F" or "NC." Courses in which a grade of "C," "CR" or better were received may not be repeated unless specifically authorized by Title V of the California Administrative Code.

Credit by Exam

To apply for Credit by Exam, students must make an appointment with a counselor. Students must be currently enrolled in at least one credit course at the college, must have completed at least 12 units in residence in the district, must be in good academic standing, and must have submitted transcripts from all other colleges attended. They must not have previously received a grade in the course being petitioned, or completed courses in more advanced subject matter, and must not be participating in the same course as an auditor. Students should not enroll in the course they are attempting to challenge. Units earned through Credit by Exam are clearly identified on their transcript with a grade of CRE (NC if not passed), and are subject to the acceptance policies of each individual college or university. There may be limitations on the use of such units for establishing eligibility for athletics, financial aid, veteran's benefits and other programs. Some courses may not be challenged. Consult the Office of Student Development for a list of excluded courses. Petitions must be on file with the administering instructor by Friday of the tenth week of the semester, and the exam must be administered prior to the last day of the semester.

Credit/No Credit Grading Option

Students may choose the credit/no credit (CR/NC) grading option in courses for which letter grades are assigned. Students may elect by no later than 30% of the length of the class to request, or rescind a request for the credit/no credit option. Students will receive a grade of CR which denotes work equivalent to a letter grade of C or better. A maximum of 20 units of CR may be applied to an AA or AS degree or a Certificate of Achievement. Units earned on a credit/no credit basis shall not be used to calculate grade point averages, but they shall be considered in probation and dismissal policies. Other colleges and universities may restrict the acceptance of courses taken on a CR/NC basis, especially in satisfaction of major or general education requirements. Students should consult a counselor before choosing the credit/no credit option.

EAC Interim Statement

Class Schedule in Alternate Formats for Students with Disabilities: The Ventura College Educational Assistance Center recognizes the need to provide the class schedule in formats that are usable by individuals with disabilities. Currently, the schedule is available in print format and online at <http://www.vcccd.net/si/scheds.htm>. With assistive technology that is available on campus, and which many individuals also have for use at home, these formats already provide access for individuals with a number of disabilities. In addition, the EAC will prepare a large print copy of the schedule. The primary difficulty is faced by those relying on speech output or Braille for accessing information. This requires that the information be formatted online and in e-text in a manner that makes sense when using those modes of access. There are technical difficulties at the present time which prevent putting the Schedule into a format which could easily be converted to Braille. The same holds true for conversion to e-text for use in text-to-speech. In that case, the issue is having it "make sense" when presented verbally without benefit of seeing the text. The EAC and the DSPS programs at Oxnard and Moorpark Colleges, together with the District Information Technology Office, will be working to find a common solution to this District-wide problem. In the interim, someone requiring the Schedule in formats other than large print, standard print, or the current online version, should contact the EAC. The staff of the EAC will work with these individuals to ensure that their needs for access to schedule information are met in a timely, mutually determined manner that will no doubt vary from person-to-person. This interim policy will be revised when a permanent resolution to this issue is attained.

Full-Time Student

For most purposes a student is defined as full-time if registered in 12 or more units in a regular semester, 4 units or more in a Summer session. This may differ for special programs, financial aid, veteran's benefits, etc.

Harassment/Discrimination, Complaint Procedure

Members of a college community--students, faculty, administrators, staff and visitors--must be able to study and work in an atmosphere of mutual respect and trust. Ventura County Community College District is actively committed to creating and maintaining an environment which respects the dignity of individuals and groups. The goal of Ventura County Community College District is to be sensitive to the needs of students, staff and those who interact with the college community, while preserving the rights of those against whom allegations have been made. Employees or students of the District who feel that they have been harassed or discriminated against based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, veteran status, marital status or physical or mental disability have the right to file a complaint. The procedures outlined govern the process for all discrimination complaints filed by employees or students, including sexual harassment. Complaints may be filed student against student, student against employee, employee against student, employee against employee, visitor against employee, employee against visitor, etc. Complaints must be filed with the District within one year of the alleged harassment or discrimination or within one year of the date on which the Complainant knew or should have known of the facts of the alleged incident. District employees involved in any aspect of investigating or resolving a complaint of harassment or discrimination will have received training from a qualified source in advance of their service. Non-retaliation for filing--no individual will suffer retaliation as a result of filing a claim or being a witness in regard to harassment/discrimination allegations. Persons engaging in retaliation are subject to disciplinary action.

DEFINITIONS:

Complainant: An individual who believes that he/she has been the victim of harassment or discrimination. **Respondent:** An individual against whom a claim of harassment or discrimination is made. **Complaint:** A written allegation that a student, staff member, or other individual who interacts with VCCCD has subjected someone to harassment or discrimination. **Responsible District Officer:** The person at the District who is responsible for coordinating the investigations of all harassment and discrimination complaints. The District has established the following procedures to resolve charges of harassment or discrimination. The Ventura College sexual harassment facilitators are: Sandra Curiel (805) 654-6487, Guadalupe Moriel-Guillen, (805) 654-6585 and Alisa S. Moore, (805) 654-6462.

INFORMAL PROCESS

An individual who has reason to believe that he or she has been a victim of harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, marital status, veteran status or physical or mental disability may resolve the matter through an informal process under this procedure. Participation in the informal process is optional and not a prerequisite to filing a formal complaint.

1. A person who believes that he or she has personally suffered harassment or discrimination should contact the appropriate Intake Facilitator at their location to directly discuss his or her concerns.
2. The Intake Facilitator may inform the Respondent of the possible

complaint and shall meet with the Complainant to:

- a. understand the nature of the concern;
 - b. give to Complainant a copy of the District's Sexual Harassment Policy brochure and this "Complaint Procedure for Harassment/Discrimination" document;
 - c. inform Complainant of his or her rights under this complaint procedure;
 - d. assist the Complainant in any way advisable.
3. If the Complainant and the Respondent agree to a proposed resolution, the resolution shall be implemented and the informal process shall be concluded. At any time during the informal process, the Complainant may initiate a formal complaint.
 4. The Intake Facilitator shall keep a written log of discussions and a record of the resolution. This information shall become part of the official investigation file if the Complainant initiates a formal complaint. If the parties reach a tentative agreement upon resolution of the complaint, a letter summarizing the resolution shall be sent to the Complainant and the Respondent. A copy of this letter shall be sent to Human Resources for approval.
 5. Once a complaint is put in writing and signed by the Complainant, the Complaint is considered to be formal and the formal complaint procedures should be followed.

INFORMAL PROCESS

1. A person who alleges that he or she has personally suffered harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, veteran status, marital status, or physical or mental disability shall complete and sign the District's Harassment/Discrimination Complaint Form within one year of the alleged incident or within one year of the date on which the Complainant knew or should have known of the facts of the harassment or discrimination incident.
2. On the complaint form, the Complainant shall describe in detail such alleged harassment or discrimination and the action the Complainant requests to resolve the matter. All written complaints shall be signed and dated by the Complainant, and shall contain at least the name(s) of the individual(s) involved, the date(s) of the event(s) at issue and detailed description of the actions constituting the alleged harassment or discrimination. Names, addresses and phone numbers of witnesses or potential witnesses should also be included, when possible.
3. The Intake Facilitator will review the complaint to determine whether it describes the kind of harassment or discrimination which is prohibited under these procedures and whether the complaint sufficiently describes the facts of the alleged misconduct. If the complaint does not describe the kind of prohibited conduct the District investigates under the procedures, the Complainant will be notified and will be referred to the appropriate process. If the complaint does not sufficiently describe the facts giving rise to the complaint so that a determination can be made regarding whether the alleged misconduct is covered under these procedures, the complaint will be returned and the Complainant will be invited to submit an amended complaint providing enough factual detail to allow the above determination to be made.
4. After a proper complaint is received, the Intake Facilitator shall investigate the charges as stated in the complaint. The Intake Facilitator shall send a copy of the complaint to the Responsible District Officer, who, after consultation with the Vice Chancellor of Human Resources and the District Chancellor, shall send a copy to the State Chancellor of the California Community College System. A summary of the complaint and procedures shall also be sent to the Respondent. A copy of the complaint will be maintained in the Office of Human Resources at the District Service Office.
5. The Intake Facilitator shall meet with the Complainant to review the nature of the complaint and identify the scope and the nature of the investigation. If the Complainant fails to meet with the Intake Facilitator within a reasonable time (usually 10 working days), the Intake Facilitator will continue the investigation to the best of his/her abilities based on the written formal complaint. After meeting with the Complainant, the Intake Facilitator shall give the Respondent an opportunity to meet with him/her to receive the Respondent's answer to the complaint and to review with Respondent the scope and nature of the

POLICIES & INFORMATION

investigation. Complainant and Respondent may inform the Intake Facilitator of witnesses to contact and may present documents in support of their positions.

6. Prior to completing the investigation, the Intake Facilitator shall meet again with the Complainant and the Respondent separately, to give an overview of the steps taken during the investigation, and to ask Complainant and Respondent for the names of any other individuals the Intake Facilitator might speak with to request any additional information.
7. The Responsible District Officer shall determine whether harassment or discrimination did or did not occur with respect to each allegation in the complaint. The findings shall take into consideration the severity of the conduct, the pervasiveness of the conduct, the pertinent background, and other relevant District policies. If disciplinary action is recommended, appropriate contractual due process and statutory processes will be invoked. If the Responsible District Officer finds there is no evidence to sustain the allegation, the record shall be kept confidential, except to the extent that disclosure may be required by law. The records will be destroyed to the extent the law allows. After completion of the investigation, the Intake Facilitator shall meet with the Responsible District Officer who shall be responsible for reviewing the Intake Facilitator's report, making factual determinations, reaching a conclusion regarding the charges, and recommending appropriate action, if any.
8. In the event the complaint is against the Responsible District Officer, the Vice Chancellor of Human Resources shall appoint an investigator to review the complaint. In the event the complaint is against the Vice Chancellor of Human Resources, the District Chancellor or designee shall appoint an investigator to hear the complaint, receive the report, and make a determination on any final action.
9. The District shall complete its investigation and forward to the Complainant and Respondent within 90 calendar days of receiving a complaint, and the Chancellor of the California Community College System within 150 calendar days of receiving a complaint, all the following:
 - a. a summary of the investigative report;
 - b. a written notice setting forth:
 1. the findings of the District Investigator and District Chancellor as to whether harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, veteran status, marital status, or physical or mental disability did or did not occur with respect to each allegation in the complaint;
 2. a description of actions to be taken, if any, to remedy any discrimination or harassment that occurred and to prevent similar problems from occurring in the future;
 3. the proposed resolution of the complaint;
 4. the Complainant's right to appeal to the District Chancellor, then the State Chancellor of the California Community College System; and
 5. in the event disciplinary action is recommended for the Respondent, he/she shall be entitled to all due process procedures provided by statute and/or the employee collective bargaining agreement.

APPEAL RIGHTS

If the Complainant is not satisfied with the results of the formal level administrative determination, the Complainant may appeal the determination by submitting objections to the District Chancellor within fifteen calendar days of the receipt of the determination. Within forty-five calendar days of receiving the Complainant's appeal, a copy of the final District decision rendered by the District Chancellor shall be forwarded to the Complainant, the State Chancellor of the California Community College System, and, if appropriate, the Respondent. If the District Chancellor does not act within forty-five calendar days, the administrative determination shall be deemed approved and shall become the final District decision in the matter. Complainant shall have the right to file a written appeal with the State Chancellor of the California Community College System within thirty calendar days after the District Chancellor has issued the final District decision or permits the administrative determination to become final.

The late registration and program adjustment period applies only to fullterm classes. Students planning to register in short-term classes should do so prior to the first class meeting.

Matriculation

Matriculation "Plan for Success" activities include orientation, assessment and group advisement. This is a process that results in an agreement between Ventura College and the student for the purpose of defining and realizing the student's educational goal. This agreement includes responsibilities for both the College and the individual student. This agreement results in a student educational plan. The student has the right to postpone or appeal one or more of these activities: assessment (includes testing in Math, English and Reading), orientation and/or advisement. A

Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-to-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1996, a group of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 3% of all community college students statewide were included in the 1996 study.) The completion and transfer rates are listed below, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking

period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 39.5% for VC. The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from Fall 1996 to Spring 1999. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College from the 1998 cohort data was 27.2%. Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System Web site: <http://srtk.cccco.edu/683/98index.htm>.

Student's Right-to-Know - Campus Security

Ventura College endorses and supports Public Law 101-524, the student right-to-know and Campus Security Act, as amended by Public Law 102-26. The college will make available, upon request, to any interested individual, information on policies regarding the use of the campus facilities, the reporting of criminal actions and/or emergencies which have occurred on campus. Any individual interested in requesting this information may inquire at the Campus Police Office. The entire text of this Act is available upon request from the Executive Vice President in the Administration Building.

There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from **ALL** your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned." NOTE: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

California Residence Status for Community College Students

California residence status determines the amount of fees and tuition a student will pay. The three residence classifications are California resident, California non-resident, and international or undocumented student. There are exceptions to residency regulations that apply under a variety of special circumstances. Please read on:

1. California residents have lived in California for one year or more, and have taken steps that confirm their intent to establish themselves as California residents. FEES: Enrollment fee, health fee, student center fee, materials fees if applicable, and the remote access fee for online or phone registration.
2. California non-residents have either lived in California for less than one year or are unable to show subjective proof that they have taken steps consistent with the establishment of residence. FEES: Nonresident tuition, enrollment fee, health fee, student center fee, materials fees and the remote access fee for online or phone registration if applicable.
EXCEPTION: persons who lived in California, attended three years of high school and graduated from a California high school prior to moving out of state may be eligible for exemption from nonresident tuition.
3. International students are admitted to the U.S. under a variety of visa types, the most common being F-1 and M-1 student visas. Under some of these visas, such as the F-1 and M-1 visas, holders are precluded from establishing residence and will always be considered international students under the visa.
FEES: Nonresident tuition, international student surcharge, enrollment fee, health fee, student center fee, materials fee if applicable, and remote access for online or phone registration.
4. Undocumented students are not U.S. citizens and are present in the U.S. without a visa or other recognized documentation. FEES: They may be required to pay nonresident tuition and will have to pay enrollment fee, health fee, student center fee, materials fee if applicable, and remote access fee for online or phone registration.
EXCEPTION: Some undocumented students may qualify for exemption from nonresident tuition under AB540 if they have attended three years at a California high school and graduated from a California high school and have taken or will take (as soon as possible) steps to apply for a change of status.
5. Resident Aliens may be classified as California resident or nonresident, see items #1 and #2 above. Resident or nonresident fees will apply based on classification.
6. Requirements for California Residence: one year of physical presence in California (living here) and actions that express intent to establish permanent residence.
7. Proof of Residence includes but is not limited to the following: California voter registration, vehicle registration, marriage license, business or professional practice license, filing California taxes as a resident or part-year resident, selective service registration with California address, California drivers license or ID card, purchase of a home, lease or rental agreement, local bank accounts. Multiple proofs are required, and must be dated at least one year and one day before the first day of the semester for which residence classification is sought. See the College Catalog for more information.
8. Military (active duty) and dependents: may be classified as California resident or nonresident according to steps #1 or #2. EXCEPTION: Regardless of residence classification, active-duty military personnel and dependents are exempt from requirement to pay nonresident tuition for the duration of the service member's assignment to California.
9. Marital status: Regardless of marital status, individuals are responsible for establishing their own residence in California.
10. Minors: Minors are attached to their parents for residence determination until the age of 18. Residence will be determined on the parents' proofs of residence.
