Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking chemistry and/or English and/or math courses and/or microbiology and/or speech courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register. Do not delay!** Contact the Assessment Specialist, at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on the job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Counseling Office in the Administration Building. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

Schedule of Classes – Subject to Change: Ventura College has made every effort to insure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered to be an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

Prerequisites: A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a pre- or corequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

Corequisites: A course corequisite states the course or courses in which a student must be concurrently enrolled. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed.

Recommended Preparation:

Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

Instructional Materials: Some classes require students to purchase or provide materials and supplies for school projects.

CAN: The notation of CAN following the transfer credit statement designates a California Articulation Number. The CAN system provides a cross-reference number or course identification for courses which are acceptable "in lieu of" comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the counseling office, the transfer center, or the ASSIST Web site: www.assist.org

Collaborative Learning: A method of instruction committed to actively engaging students in their learning, using small groups, team and group projects, and providing opportunities for students to share common experiences and solve problems.

Courses Open to Enrollment: Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by statute.

Educational Work Load: A student's educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload of more than 19.5 units (9 units in summer) must have a counselor's approval.

Restrictions on Enrollment: Some course descriptions may contain restrictions such as "proof of negative TB clearance is required."

You may enroll in prealgebra, elementary, intermediate or college algebra or elementary statistics and only come to the campus several times during the semester; once for orientation and other times for exams. Questions can be sent via e-mail, 24-hours a day. It may be possible to work with other students and your instructor on an algebra e-mail discussion table. Internet access is necessary and Netscape Navigator or Microsoft Internet Explorer 5.0 or higher are the most desirable browsers.

POLICIES & INFORMATION

Please consult the Ventura College Catalog for complete Admission and Academic Policies and Information. The following excerpts are intended as a source of general reference for students.

Accreditation

Ventura College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Boulevard, Suite 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

Adding a Closed Class

Requires instructor's written permission: (1) Go to class, get an add authorization code on your add slip, and (2) add the class online or in-person at the Admissions Office during posted registration hours. Add the class by the "end of late registration" published in the Registration Calendar page. Waitlist information, see page 88.

Attendance and Absence

All students are expected to attend the first meeting of class, and to attend classes regularly thereafter. The instructor may drop students who do not attend the first class meeting, and may recommend that students be dropped when absence from the class exceeds 1/9th (one-ninth) of the total class contact hours for the session. Students may also be dropped for having missed necessary safety instruction when such instruction is routinely given. Instructor-initiated drops may result in the assignment of a grade of "W" in accordance with the college withdrawal policy.

Auditing a Class

Course restrictions may apply. See the Ventura College Catalog, Academic Policies section, under "auditing," for more information.

California Resident Status and Fees

A student's status as a California resident, out-of-state or out-of-country resident will determine the amount of tuition and fees the student pays to attend the college. Pursuant to the California Education Code, a person must be physically present and living in the state for one year, and must have taken actions to establish permanent residency, before requesting to be classified as a California resident. California residents pay enrollment, health and student center fees, plus applicable materials fees (if any). Out-of-state residents pay the same, plus nonresident tuition. Out-of-country residents pay all fees, plus nonresident tuition and the international student surcharge. See the Ventura College Catalog for more information or online at www.venturacollege.edu/catalog.

Campus Emergency Instructions

Emergency procedures in the event of earthquakes or fires affecting students and staff on-campus are available in all classrooms, offices, and the Ventura College Catalog. Campus police phone: (805) 654-6486 or (805) 642-7000.

Course Repeat Policy

Most courses can only be taken one time. Courses that can be repeated are so noted in the College Catalog under the course description. Students may petition only once to repeat courses to improve substandard grades of D, F, or NC. Consult the Ventura College Catalog for more information.

Credit by Exam

Consult the Ventura College Catalog for full information and requirements that must be met. Students petition for credit-by-exam through the Counseling Office. Do not register in the class being challenged by exam. A passing score results in a grade of CRE on the transcript (NC if not passed). Restrictions apply, consult the Ventura College Catalog.

Credit/No Credit Grading Option

A pass/fail option that may be chosen by the student when a letter grade is not required for degree, major or transfer purposes. Students considering this option should meet with a counselor to discuss the possible ramifications. A petition for Credit/No Credit must be filed at the Admissions Office by the deadline published on the Registration Calendar page. Restrictions apply, consult the Ventura College Catalog.

Dropping a Class

It is every student's responsibility to be sure that classes are dropped in a timely manner. Consult the deadline dates on the Registration Calendar page. Students may drop classes online, by mail or in-person. Online drops require that students print and keep a copy of the drop transaction list as confirmation. Mail drops require that the postmark be on or before the drop deadline. Fees will not be credited or

refunded for classes dropped after the Refund/Credit deadline. See the Registration Calendar Guidelines for more information.

Student Responsibility

Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-To-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2002, a group of all certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the

2002 study.) The completion and transfer rates are listed below, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 45.6% for VC. The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from Fall 2002 to Spring 2005. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 22.5%. Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System Web site: <http://srtk.cccco.edu/683/02/index.htm>.

Title IX Prohibits Discrimination

Individuals wishing information concerning Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex in education, programs and activities, should direct their inquiries to Mr. David Bransky, Ventura College, 4667 Telegraph Road, Building A, Ventura, CA 93003. Telephone: (805) 654-6455 or e-mail: dbransky@vcccd.edu.

Title IV Funds, Return of

There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from all your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned." Note: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

Transcript Requirements

Students do not need to submit transcripts from Moorpark or Oxnard College. The transcripts should be directed to: Ventura College, Admissions & Records Office, 4667 Telegraph Road, Ventura, CA 93003

Veterans Educational Benefits

El Derecho "A Saber" del Estudiante

De acuerdo con Conforme a Student Right-To-Know law (la ley del derecho del estudiante "a saber"), (SRTK), es reglamentario para el Ventura County Community College District (Distrito de la Comunidad del Condado de Ventura), y de Ventura College facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y un futuros. A principios del otoño de 2002 un grupo de estudiantes de tiempo completo, aspirantes a grados y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 2.6% del total de estudiantes de Colleges comunitarios a nivel estatal, también fueron incluidos en el estudio de 2002). El logro de transferencias y porcentajes de transferencia están presentados a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad de Ventura College, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes 'continuos' y estudiantes que asisten de Ventura College con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar su grado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que demoraron más de dos años en completar su meta académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron su transferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban "preparados para transferirse" antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 45.6% para VC. El resultado del grado de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiado y que logró su transferencia durante el período de tres años incluido desde otoño de 2001 hasta la primavera de 2004. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK de Ventura College, descrito anteriormente, fue del 22.5%. Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del State Chancellor of the California Community College System (Canciller del Sistema de Colegios Comunitarios de California), cuya dirección es: <http://srtk.cccco.edu/683/02/index.htm>

Título IV, Devolución de Fondos

Existe una ley federal acerca de la devolución de dinero en caso de que el estudiante abandone de Ventura College. Si uno obtiene una beca o un crédito financiero y luego se retira de las clases, se quedará debiendo dinero al programa federal de Ayuda Financiera para el estudiante. De acuerdo a la fecha

de su retiro, la oficina de Ayuda Financiera hará un cálculo de la parte de la beca que se ha utilizado. Nota: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de workstudy (trabajo-estudio), y se retira, se queda a paz y salvo. Comience el proceso de retiro en la oficina de Consejería. Luego, vaya a la oficina de Ayuda Financiera para estudiantes. Es importante que se tenga en cuenta estos procedimientos antes de retirarse. Omitir estos pasos, podría resultar en la eliminación de posibilidad de elegibilidad para otro tipo de ayuda financiera por parte del gobierno federal o de cualquier otra institución.
