DISTANCE EDUCATION INFO

Internet and TV/Video courses are offered at Ventura College!

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page <http://online.venturacollege.edu> or contact Heather Untalan at huntalan@vcccd.edu

➔ **REGISTRATION:** Registering for online courses is done either on campus, in-person, or using webSTAR: <http://students.vcccd.edu>

➔ **ORIENTATION:** Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at <http://online.venturacollege.edu> and click on "Class Orientation Information."

➔ **LOGGING IN TO WebCT VISTA:** Many courses at Ventura College use the WebCT Vista program supported by the Blackboard Company. Log in to webSTAR and go to "Student Services," then click on **WebCT Vista**.

➔ **ACCESS CODES:** Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from another location, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

➔ **IMPORTANT INFORMATION:** Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus.

- Receive messages from your instructor
- Receive notices from the College
- Automatically reset your PIN in webSTAR
- Use the WAITLIST option.

To register your e-mail address with VC, follow these easy steps:

- 1) Log in: www.venturacollege.edu/webstar
- 2) Click on "webSTAR Services"
- 3) Enter your User ID and PIN.
- 3) Select "Personal Information" from the menu.
- 4) Select "Update e-mail Address"
- 5) Enter your address type (home, work, etc.) and then enter your e-mail address.
- 6) Double check the e-mail address to make sure it's correct!

If you have any questions, please contact the Admissions Office at (805) 654-6457.

ATTENDANCE

All students are expected to attend the first meeting of class and to attend classes regularly thereafter. The instructor may drop students who do not attend the first class meeting.

ID / PIN NUMBER

Log-in to webSTAR using:

Your social security number or assigned student I.D. number. If you don't know your Student I.D. number, come to the Admissions and Records Office for assistance.

Your PIN number:

The first time you log into webSTAR, use your 6-digit date-of-birth as your PIN number. After your first log-in, you will get a message that your PIN is expired. You will be prompted to create a new 6-character PIN using letters and/or numbers.

If your PIN number is "Expired":

For security reasons your PIN number automatically expires due to inactivity. If you get a message that your PIN is expired, you will be prompted to create a new 6-character PIN number.

If your PIN number is "Disabled":

If, for security reasons, your PIN is disabled due to too many unsuccessful attempts to log-in, call the Admissions Office, 654-6457, and provide your current e-mail address.

E-mail address on file:

Once your e-mail address is on file, you will be able to use the PIN reset option in webSTAR. You will be e-mailed a temporary PIN number. This number must be used within 24 hours. After you log-in, you will be required to create a new permanent 6-character PIN number other than your date-of-birth.

ACCESS YOUR ACADEMIC RECORDS

Access your academic records online. Log-on to www.venturacollege.edu/webstar
Review your transcripts, current class schedule, financial account summary, and up-date your address, phone number, and e-mail address.

WAITLIST FOR A CLOSED CLASS

If a class is closed, you may add your name to the Waitlist. If a seat opens up and you are next in line to be added, then you will be automatically registered in the class.

You will receive an e-mail or mail notice confirming your enrollment. As with all registrations, fees are due upon confirmation that you have been registered.

If you are on a Waitlist on the first day of class, attend the first class meeting. That is the only day the instructor will honor your Waitlist priority.

If the instructor gives you an add authorization code, then:

- go online and drop the Waitlist class.
- Add the class again, using the add code or register for the class in-person at the Admissions and Records Office.

SUPPLEMENTAL INSTRUCTION (SI)

Targeted VC courses are identified as "Supplemental Instruction" (SI) in the Schedule of Classes. The Supplemental Instruction (SI) Program is a "tutoring program," free-of-charge for students. By utilizing this tutoring, students can master the material in difficult classes while also developing and integrating learning and study skills.

Supplemental Instruction (SI) Program

The Goals of SI are to:

- ❖ Improve student grades in targeted courses.
- ❖ Reduce the attrition rate within those courses.
- ❖ Increase the eventual graduation rates of students.

Any student in a targeted course is urged to attend. "SI" (supplemental instruction) is identified in the "NOTE:" of the Schedule of Classes.

Assessment, Orientation, and Counseling

New Students

A comprehensive assessment process is required for all non exempt students. The purpose of this matriculation process is to provide students with accurate information to help them define and attain their educational goals. The following services are provided to enhance student success: Orientation, Assessment, and Counseling/Advising. All activities may be completed during the Full Day Guidance Course (see schedule below), or may be completed at separate sessions. Students who complete all three activities before the deadline noted in the Registration Calendar on page 1 will be eligible for priority registration. Students have the option of receiving .5 units for completing the Full Day Guidance Course. The .5 unit of credit is degree applicable, and is also transferable to California State Universities. A nominal fee (\$10.00 for half a unit) will be charged for the course and will be payable at the time class fees are paid. Students can also take the Full Day Guidance Course on a “no credit” basis. No fees will be charged to students taking the Full Day Guidance Course on a “no credit” basis. The current assessment schedule can be found online at www.venturacollege.edu by clicking on “Services for Students.” A copy may also be obtained at the Counseling or Matriculation/Assessment Office.

Testing Sessions Only

Continuing students and other students who only need the English and/ or Math placement assessment, please refer to the testing schedule online at www.venturacollege.edu by clicking on “Services for Students,” or contact the Matriculation Specialist at (805) 654-6402. Assessment schedules are also available in the Counseling Office.

For Orientations in Spanish only

Please contact Matriculation Specialist Margaret Chimalpopoca at (805) 654-6400 ext. 1302, for available dates.

Please Read Carefully

You are required to complete an Admission Application before you attend the Orientation, Assessment or Counseling sessions. You can apply online at www.venturacollege.edu, or you can obtain an application at the Admissions and Records office, or in the Schedule of Classes.

Reasonable Accommodations

Reasonable accommodations in the assessment process, including testing materials in alternate formats, are available upon request for students with disabilities. Prior arrangements must be made with the Alternate Media Specialist at (805) 654-6300.

Instructions

Please arrive 15 minutes early for the assessment session you plan to attend. It is important to arrive on time for your assessment session as all testing is done on a timed basis. See map on page 101 for location. There will be a short lunch break following the assessment session during the Full Day Guidance Courses, so you may choose to bring a sack lunch if you attend one of these full day sessions. If you are not able to attend one of the Full Day Guidance Courses, you can complete the assessment, orientation and counseling activities separately. You can find the current assessment schedule online at www.venturacollege.edu by clicking on “Services for Students.” You can also obtain a copy at the Counseling or Assessment Office. A schedule of Full Day Guidance Courses and additional Orientation /Counseling sessions is listed below.

EXEMPTION POLICY

You are not required to complete the Matriculation process if you:

- 1). Hold an associate degree or higher.
- 2). Have completed fewer than 15 units and your goal is to update job skills or advance in current job, maintain a certificate or license, or enhance intellectual or cultural development.
- 3). Received these services at another college and are exempted by a VC counselor.

SPRING CLASSES

NEW CLASS

Announcing!
Self-paced Beginning Algebra
MATH V88A, 88B, 88C, 88D and 88E

Do you find that a traditional math class moves too quickly? Too slowly? Now is your chance to learn at your own pace. Each course of MATH V88 is one unit and contains selected topics from Beginning Algebra. Start with MATH V88A at any time during the semester and work through the sequence. Complete all five courses to receive credit equivalent to MATH V01. Courses are offered as credit/no credit or pass/no pass only. **The deadline to add and begin any of these courses for the spring semester is May 1, 2009.**

Assignments are completed by arrangement in the computer lab in SCI-226 between the hours of 11:00am and 2:00pm on Monday, Wednesday, and Friday and 1:00pm and 4:00pm on Tuesday and Thursday. The more time you spend in the lab, the more quickly you will finish each component of the course. The full sequence can be finished in less than a semester or you may take as few as one unit per semester until all five are completed. You set your own schedule but you must attend class a minimum of 5 hours per week. Be sure your schedule can accommodate this.

Purchase: Participation in these courses will require the purchase of an access code for the interactive software. Information will be provided at the first class meeting.

Orientation will be provided throughout the semester as students add the course. **Orientation for the week of January 12, 2009 will be provided every hour on the hour that the lab is open.**

Contact the instructor: Donna Beatty by phone 805-654-6400 ext. 2285 or e-mail dbeatty@vcccd.edu or visit the website <http://fp.academic.venturacollege.edu/dbeatty>

For used textbook purchases, it may be necessary to purchase an access code for approximately \$57.00. See your instructor on the first day of class for instructions to purchase a code.

You can finish MATH V01 AND MATH V03 in the SAME SEMESTER!

Anyone trying to get ahead with completing his or her math requirements can now take MATH V01 in the first 8 weeks of the semester followed by MATH V03 in the last 8 weeks of the semester. Remember you are committing to 10 units of enrollment in math when you are considering other courses to take.

Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking biology and/or chemistry and/or English and/or math courses and/or microbiology and/or speech courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register.** Do not delay! Contact the Assessment Specialist at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on-the-job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Assessment Office in building SSC. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

Daily (single day) permits: For those who do not want to purchase a semester permit, or who drive a different vehicle to school (other than the one with the permit), a daily permit can be purchased for \$1.00 at any one of the six bright yellow machines located throughout the campus. They are located in front of the Administration Building by the flag pole, or in the West, East and North parking lots. The Student Business Office and the Police Office also sell daily permits. Student semester permits: These permits are valid for only one semester and are required to be displayed on the vehicle's inside rear view mirror by the second week of the semester. Paying the parking permit fee is not enough to keep you from receiving a parking citation. You must pick up your permit at the Student Business Office and properly display it. Handicapped Parking: Students with a Department of Motor Vehicles disabled person's plate or placard, or with a current handicapped parking decal issued by the Educational Assistance Center, may park in marked handicapped stalls on campus. Staff lots: These lots require a staff permit and are enforced throughout the semester, including the first week.

This application covers both federal and state financial aid programs, including the following: Federal Pell Grant, Federal Work-Study, Federal Supplemental Educational Opportunity Grant, Federal Family Education Loans (Stafford Loans), Cal Grants B, C and EOPS Grant. A Financial Aid application is available online at www.fafsa.ed.gov or you may pick up a copy at the Financial Aid Office. Don't delay in applying, the process may take up to three months. Financial aid will be awarded to eligible student subject to availability of funds.

Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-To-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2004, a group of all certificate, degree, and transfer-seeking first-

time, full-time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the 2004 study.) The completion and transfer rates are listed below, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 26.12% for VC (Statewide rate 24.8%). The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from Fall 2004 to Spring 2007. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 24.11% (Statewide rate 25.13%). Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System.

There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from all your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned." Note: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

CAVEAT — These courses and requirements are subject to change. Students should consult a counselor or appropriate websites to receive the most current transfer information.

ADMISSION — Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) **Units** — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) **Scholarship** — a minimum cumulative GPA in all transferable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3)

Subject area requirements — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. **All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College counseling office and transfer center.**

Applicants **must complete** both the necessary lower division **mathematics and English communication requirements with grades of C or better** for most campuses by the end of the spring semester prior to transfer in the fall (Areas 1 and 2). Some campuses require the completion of the English and mathematics requirements by the end of the fall semester prior to transfer in the following fall. Also, some campuses require that the 60-unit minimum and the communication/math areas (with grades of C or better) be completed by the end of the spring semester prior to transfer in the fall.

SELECTION CRITERIA FOR UC -- When the number of applicants for some campuses and some majors exceeds the number of spaces available, campuses use standards which are more demanding than the minimum admissions requirements to select students. These selection criteria identify those students who have demonstrated the capacity for high academic achievement. The selection criteria are subject to change by campus, school or college, major and/or term.

More information is available for UC at universityofcalifornia.edu and for CSU at csumentor.edu and for both at assist.org

Todos los estudiantes admitidos en Ventura College deben asistir regularmente a clases. La inasistencia, por cualquier motivo, no alivia al estudiante de su responsabilidad de cumplir con todos los requisitos de la clase. Ventura College no clasifica las ausencias como justificadas o injustificadas. Ventura College asume, que considerando que la asistencia regular es responsabilidad del estudiante, el profesor puede evaluar dicha ausencia en términos de los requisitos del curso y asumir la acción que se considere razonable. En el caso del estudiante que ha sido registrado por créditos, cuando la ausencia a una clase exceda en número de veces a 1/9 (un noveno) del total de las horas presenciales requeridas de clase, el profesor podrá sugerir al registrador que el estudiante sea retirado de la clase, y su nota será asignada de acuerdo con los reglamentos (a la política) de retiros de clase establecidos en Catálogo de Ventura College. Todas aquellas clases que el alumno pierda por haberse inscrito tarde, son contadas e incluidas en el número de ausencias. El estudiante, además, puede ser suspendido o retirado de una clase, en cualquier momento en que sus ausencias causen la pérdida de instrucciones necesarias para su seguridad, especialmente en las clases en que estas instrucciones se proveen rutinariamente. La ausencia de un estudiante a la primera reunión de una clase puede resultar en su exclusión de la misma, si el espacio límite de cupos de la clase se han llenado y hay estudiantes presentes el primer día esperando ser admitidos. Aquellos estudiantes excluidos debido a su ausencia durante la primera reunión de la clase, pueden solicitar una readmisión cuando exista una justa causa por su ausencia.

Si uno ha tenido la obligación de registrarse para el servicio de reclutamiento, pero se ha negado a hacerlo, es probable que uno no pueda ser elegido para recibir ayuda financiera por parte de los programas administrados por la Student Aid Commission (Comisión Estudiantil de Ayuda). Para mayor información contacte la oficina de Ayuda Financiera.

Los estudiantes de Ventura College de Ventura tienen la responsabilidad de leer y conocer a fondo la información escrita en este folleto y en el catálogo de Ventura College. El Derecho "A Saber" del Estudiante

De acuerdo con Conforme a Student Right-To-Know law (la ley del derecho del estudiante "a saber"), (SRTK), es reglamentario para el Ventura County Community College District (Distrito de la Comunidad del Condado de Ventura), y de Ventura College facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y un futuro. A principios del otoño de 2004 un grupo de estudiantes de tiempo completo, aspirantes a grados y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 2.6% del total de estudiantes de Colleges comunitarios a nivel estatal, también fueron incluidos en el estudio de 2004). El logro de transferencias y porcentajes de transferencia están presentados a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad de Ventura College, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes 'continuos' y estudiantes que asisten de Ventura College con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar su grado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que demoraron más de dos años en completar su meta académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron su transferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban "preparados para transferirse" antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 26.12% para VC (Estatal 24.8%). El resultado del grado de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiado y que logró su transferencia durante el período de tres años incluido desde otoño de 2004 hasta la primavera de 2007. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK de Ventura College, descrito anteriormente, fue del 24.11% (Estatal 25.13%). Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del State Chancellor of the California Community College System (Canciller del Sistema de Colegios Comunitarios de California).

Título IV, Devolución de Fondos

Existe una ley federal acerca de la devolución de dinero en caso de que el estudiante abandone de Ventura College. Si uno obtiene una beca o un crédito financiero y luego se retira de las clases, se quedará debiendo dinero al programa federal de Ayuda Financiera para el estudiante. De acuerdo a la fecha de su retiro, la oficina de Ayuda

Financiera hará un cálculo de la parte de la beca que se ha utilizado. Nota: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La Oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de workstudy (trabajo-estudio), y se retira, se queda a paz y salvo. Comience el proceso de retiro en la oficina de Consejería. Luego, vaya a la oficina de Ayuda Financiera para estudiantes. Es importante que se tenga en cuenta estos procedimientos antes de retirarse. Omitir estos pasos, podría resultar en la eliminación de posibilidad de elegibilidad para otro tipo de ayuda financiera por parte del gobierno federal o de cualquier otra institución.

Requisitos para el Reporte de Calificaciones (Notas, Grados)

Se requiere que todos los estudiantes que se reintegran presenten los reportes de notas oficiales de todos las Escuelas Secundarias o de Educación superior, Colleges (Colegios) y Universidades a donde ellos hayan asistido. Los reportes deben ser dirigidos a: Ventura College, Admissions & Records Office, 4667 Telegraph Rd., Ventura, CA 93003.
