## DISTANCE EDUCATION INFO

### Internet and TV/Video courses are offered at Ventura College!

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page <http://online.venturacollege.edu> or contact Heather Untalan or Krista Wilbur at [distance\\_ed@vcccd.edu](mailto:distance_ed@vcccd.edu)

➔ **REGISTRATION:** Registering for online courses is done either on campus, in-person, or using the student portal <http://my.vcccd.edu>

➔ **ORIENTATION:** Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at <http://online.venturacollege.edu> and click on "Class Orientation Information."

➔ **LOGGING IN TO Desire2Learn:** Many courses at Ventura College use the Desire2Learn online course system. To access your courses, go to the student portal, <http://my.vcccd.edu> and click the **MyCourses** icon at the top of the page.

➔ **ACCESS CODES:** Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from other locations, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

➔ **IMPORTANT INFORMATION:** Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus.

## Assessment, Orientation and Counseling

**New Students please read carefully** - You are required to complete an Admission Application before you attend the Assessment, Orientation or Counseling sessions. You can apply online at [venturacollege.edu/apply](http://venturacollege.edu/apply). A comprehensive assessment process is required for all non-exempt students. The purpose of this matriculation process is to provide students with accurate information to help them define and attain their educational goals. The following services are provided to enhance student success: Orientation, Assessment, and Counseling/Advising.

**Orientation** - The Ventura College Orientation presents the basic information you will need to get started as a student at Ventura College. Students participating in orientation sessions will learn how to use the Schedule of Classes and the College Catalog. Students will also learn about activities and student services which are available to assist them in achieving their goals at Ventura College. Services and activities discussed during orientation include the application process, assessment, the registration process, counseling, the Transfer and Career Center, and Financial Aid.

**For Spanish Orientations** - Contact Matriculation Specialist Ms. Chimalpopoca at (805) 654-6400 ext. 1302, for appointments.

**Assessment** - This process at Ventura College attempts to look at the whole person, therefore your English, reading, mathematics, study and learning skills may be assessed. In addition, a self-evaluation is completed. This lets you review your employment obligations, your motivational level, and your language readiness, to name a few. All together, this information, along with a review of your high school and college transcripts, should prove helpful to you when discussing course selections with a counselor. The Assessment Center is located in the Student Services Center (SSC) in the Matriculation/Assessment area. Testing is offered on a computerized format, however, students may opt to do their testing on a pencil/paper format if they prefer. For an Assessment Schedule call the Matriculation/Assessment office at (805) 654-6402 or (805) 654-6493.

**Counseling** - A new student must attend orientation and complete their assessment testing before participating in a group counseling workshop. Students should bring copies of their high school transcripts, assessment results, orientation packets, college catalog and transcripts (if they attended another college prior to attending Ventura College), and any other information that might be helpful. **LOCATED** in the Student Services Center (SSC), the Ventura College Counseling Office is open days and evenings for counseling appointments and drop-by counseling. Our dynamic counselors can assist you with academic, career, transfer, or personal counseling. Counseling Services provides a variety of resources to help you achieve the greatest possible benefit from your college experience. Your questions and concerns are always respected with confidentiality. Call the Counseling Office at (805) 654-6448 for appointments. **STUDENTS WHO COMPLETE ALL THREE ACTIVITIES BEFORE THE DEADLINE** noted in the Registration Calendar on page one will be eligible for priority registration. The current assessment schedule can be found online at [venturacollege.edu](http://venturacollege.edu) by clicking on "Services for Students." Schedules available at the Counseling Office or at the Matriculation/Assessment Office.

## ATTENTION! MATH V01 & MATH V03 STUDENTS

In addition to traditional classroom lecture classes, Ventura College provides other learning options. To determine which class is best suited for you, please read the course listings carefully and consider the following features:

- Self-paced classes are available. See the "Self-Paced Elementary and Intermediate Algebra" note below for more information.
- Online classes are available. Look for the highlighted class.
- Accelerated pace classes are available. It is possible to complete MATH V01 and MATH V03 in the same semester. See the NOTE announcing a 9-week class for this option.
- Some classes require online homework. Look for the NOTE stating that an online component is required.
- Some classes have a Supplemental Instruction (SI) tutor provided. Look for a NOTE below the class.

## SELF-PACED ELEMENTARY & INTERMEDIATE ALGEBRA

*Do you find that a traditional math class moves too quickly?  
Too slowly? Now is your chance to learn at your own pace.*

The contents of MATH V01 and of MATH V03 are each broken into five one-unit modules, MATH V01A-V01E and MATH V03A-V03E. For either Elementary Algebra or Intermediate Algebra, start with the first Module A and work through the sequence, finishing with Module E; enrolling in one module at a time. The modules are offered as open enrollment courses, **the deadline to begin any module is April 29, 2010.**

**COMPLETION of MATH V01A-V01E** is equivalent to completing MATH V01 and **COMPLETION of MATH V03A-V03E** is equivalent to completing MATH V03. Some students will be able to complete five or more modules in one semester; others will need multiple semesters to complete the sequence. The modules are offered on a pass/no pass basis only.

**MODULAR STUDENTS** are required to attend class a minimum of five hours per week between the hours of 11:00am and 4:00pm, Monday through Friday. No textbook is used in these courses; however participation will require the purchase of an access code. Information will be provided at the first class meeting. Note: students who are successful in a course with this format are students who are self-disciplined and are able to work and learn independently.

**ORIENTATION** will be provided during the first week of classes at 11:00, 12:00, 1:00, 2:00 and 3:00 o'clock, Monday through Friday in SCI-225, SCI-226. Additional orientation sessions will be provided throughout the semester as needed. Students beginning the courses after the first week should report to the classroom during class hours at their earliest convenience.

**CONTACT** the instructor, Donna Beatty at [dbeatty@vccd.edu](mailto:dbeatty@vccd.edu) for additional information.

#### Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking biology and/or chemistry and/or English and/or math courses and/or microbiology courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register.** Do not delay! Contact the Assessment Specialist at (805) 654-6402.

#### Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on-the-job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Assessment Office in building SSC. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

#### New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

Students may also be dropped for having missed necessary safety instruction when such instruction is routinely given. Instructor-initiated drops may result in the assignment of a grade of "W" in accordance with the college withdrawal policy.

### Auditing a Class

Course restrictions may apply. See the Ventura College Catalog, Academic Policies section, under "auditing," for more information.

### California Resident Status and Fees

A student's status as a California resident, out-of-state or out-of-country resident will determine the amount of tuition and fees the student pays to attend the college. Pursuant to the California Education Code, a person must be physically present and living in the state for one year, and must have taken actions to establish permanent residency, before requesting to be classified as a California resident. California residents pay enrollment, health and student center fees, plus applicable materials fees (if any). Out-of-state residents pay the same, plus nonresident tuition. Out-of-country residents pay all fees, plus nonresident tuition and the international student surcharge. See the VC Catalog for more information or online at [venturacollege.edu/catalog](http://venturacollege.edu/catalog).

### Credit by Exam

Consult the Ventura College Catalog for full information and requirements that must be met. Students petition for credit-by-exam through the Counseling Office. Do not register in the class being challenged by exam. A passing score results in a grade of CR/P on the transcript (NC/NP if not passed). Restrictions and fees apply, consult the Ventura College Catalog and Fees page in this schedule.

### Pass/No Pass Grading Option

A pass/fail option may be chosen by the student when a letter grade is not required for degree, major or transfer purposes. Students considering this option should meet with a counselor to discuss the possible ramifications. A petition for Credit/No Credit must be filed at the Admissions Office by the deadline published on the Registration Calendar page. Restrictions apply. Consult the Ventura College Catalog.

### Dropping a Class

The procedures outlined govern the process for all discrimination complaints filed by employees or students, including sexual harassment. ## POLICIES AND INFORMATION

### Matriculation

Matriculation "Plan for Success" activities include assessment, orientation and counseling. This is a process that results in an agreement between Ventura College and the student for the purpose of defining and realizing the student's educational goal. This agreement includes responsibilities for both the College and the individual student. This agreement results in a student educational plan. The student has the right to postpone or appeal one or more of these activities: assessment (includes testing in Math, English and Reading), orientation, and/or counseling. A student who chooses to postpone or appeal one or more of these activities, may not take part in early registration. If any activity is postponed, the student is required to complete it before registration for the following term begins to be able to register during early registration. Please visit our website at [venturacollege.edu/matriculation](http://venturacollege.edu/matriculation) or see the Ventura College Catalog under "Admissions Information," Ventura College Matriculation paragraph.

### Privacy Alert!

Ventura College regards the following as "Directory Information" which may be released to the public: student's name, address, telephone number, place of birth, current enrollment status, dates of attendance, major field of study, degrees and awards received from the College, participation in officially recognized activities and sports, weight and height of members of athletic teams, the most recent public or private school attended by the student. If you desire to withhold "Directory Information," you must provide written notification to the Executive Vice President of Student Learning prior to the first day of each semester that you are attending. In accordance with the Family Education Rights and Privacy Act of 1974, all other student information, excluding that designated as Directory Information, cannot be released to a third party without written permission submitted to the College by the student. This law applies to all students attending Ventura College regardless of the student's age. Note: Ventura College will respond to requests for information that fall within the scope of the Solomon Amendment, and to subpoenas and court orders as required by law.

### Requesting VC Transcripts

**A picture ID is required at the Admissions and Records Office for a request and transcript pick up.** All students must present a written request to release transcripts. Faxes are not accepted. Minors must present their own written request. Requests are accepted in-person or by mail, and must include student's full name, social security number or student ID number, birthdate, dates of attendance, name and address of recipient, and student's signature. Fees are \$3.00 for regular processing and \$5.00 for "RUSH" processing. The first two transcripts are free. Allow a minimum of two weeks for regular processing.

### Smoking Policy

### Student Conduct, Grievance, Sexual Assault Policy

Information is available in detail in the Ventura College Catalog: Standards of Student Conduct Policy (E.C.S. 66300) under Appendix I. Students are expected to conduct themselves in accordance with the standards of the College: Student Grievance Policy under Appendix II. A grievance is an allegation of unjust action or denial of student rights; Sexual Assault Policy under Appendix XII.

### Student Registration In Selective Service

Under existing federal law, the Military Selective Service Act (50 U.S.C., App. 451 et seq.) requires certain males residing in the United States to register for the Military Service. If you are required to register for Selective Service and fail to do so, you may not be eligible to receive financial aid from any of the programs administered by the Student Aid Commission. For more information, contact the Financial Aid Office.

### Student Responsibility

Ventura College students are responsible for knowing the information in this Schedule and in the Ventura College Catalog. Failure to read and understand these policies, regulations, and deadlines does not exempt a student from the consequences of non-compliance.

### Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-To-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2005, a group of all certificate, degree, and transfer-seeking first-

time, full-time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the 2005 study.) The completion and transfer rates are listed here, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 26.12% for VC (Statewide rate 24.8%). The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from Fall 2005 to Spring 2008. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 24.11% (Statewide rate 25.13%). Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System.

### Title IX Prohibits Discrimination

Individuals wishing information concerning Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex in education, programs and activities, should direct their inquiries to David Bransky, Assistant Dean of Student Services, Ventura College, 4667 Telegraph Road, Ventura, CA 93003. Telephone: (805) 654-6400 ext. 3138 or e-mail at [dbransky@vcccd.edu](mailto:dbransky@vcccd.edu).

### Title IV Funds, Return of

There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from all your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned." Note: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

### Transcript Requirements

All students are required to submit official transcripts from all high schools, colleges and universities they have attended. Students do not need to submit transcripts from Moorpark or Oxnard College. The transcripts should be directed to: Ventura College, Admissions & Records Office, 4667 Telegraph Rd., Ventura, CA 93003

### Veterans Educational Benefits

Veterans of military service who participated in the GI Bill and are eligible to claim educational benefits may file the necessary application with the veteran's benefits representative in the Admissions & Records Office. Transcripts Requirement: Veterans are required to submit transcripts from all other colleges and universities they have attended to Ventura College prior to the end of their first semester in attendance. Unsatisfactory Progress for Veterans: For the purpose of certification for educational benefits, academic probation is defined as the failure to complete a minimum of 50% of the total units attempted and/or to maintain a minimum of 2.00 cumulative grade point average. Unsatisfactory progress occurs when a veteran has been placed on academic probation for two consecutive semesters. Consult the veteran's benefits representative for information.

## General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

**CAVEAT** — These courses and requirements are subject to change. Students should consult a counselor or appropriate websites to receive the most current transfer information. Completion of the IGETC is not generally a requirement for transfer to a CSU or nor is it the only way to fulfill the lower division general education requirements of the CSU or UC prior to transfer. It is **not** advisable for all transfer students to follow the IGETC. For current information consult the UC Answers for Transfers booklet.

**ADMISSION** — Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) **Units** — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) **Scholarship** — a minimum cumulative GPA in all transferable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3) **Subject area requirements** — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. **All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College Counseling Office, Transfer Center, or online.**

Applicants **must complete** both the necessary lower division **mathematics and English communication requirements with grades of C or better** for most campuses by the end of the spring semester prior to transfer in the fall (all of area A plus B4 for CSU; areas 1 and 2 for UC). Si se presenta un espacio y usted está en la lista, entonces usted será registrado automáticamente en la clase. Después usted recibirá un aviso por correo electrónico o correo ordinario confirmando su registro. Al igual que con todos los registros, usted deberá pagar su cuota de inscripción una vez que se ha confirmado que usted ha sido registrado. Si se encuentra en la lista de espera el primer día de clase y desea aún inscribirse en la clase, entonces debe asistir a la primera clase. Ese es el único día en que el instructor hará legítimo su registro prioritario en la lista de espera.

Si el instructor le da un código de autorización, entonces conéctese a nuestro sitio en el Internet y remueva su nombre de la lista de espera. Después añádase a la clase de nuevo, utilizando el código de añadir o regístrese para la clase en persona en la Oficina de Admisiones y Archivos.

### Responsabilidad Estudiantil

El estudiante del Colegio de Ventura tiene la responsabilidad de leer y conocer a fondo la información escrita en este folleto y en el catálogo del Colegio de Ventura. El desconocimiento de las reglas expuestas, tanto en este folleto como en el catálogo del Colegio de Ventura no excusa al estudiante de las consecuencias que éste pueda sufrir debido al incumplimiento de las mismas.

### El Derecho "A Saber" del Estudiante

De acuerdo con Conforme a Student Right-To-Know law (la ley del derecho del estudiante "a saber"), (SRTK), es reglamentario para el Ventura County Community College District (Distrito de la Comunidad del Condado de Ventura), y del Colegio de Ventura facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y futuros. A principios del otoño de 2005 un grupo de estudiantes de tiempo completo, aspirantes agrados y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres

años. (Como resultado de lo anterior, aproximadamente un 2.6% del total de estudiantes de colegios comunitarios a nivel estatal, también fueron incluidos en el estudio de 2005). El logro de transferencias y porcentajes de transferencia se presenta a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad del Colegio de Ventura, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes 'continuos' y estudiantes que asisten al Colegio de Ventura con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar su grado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que demoraron más de dos años en completar su meta académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron sutransferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban "preparados para transferirse" antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 26.12% para VC. El resultado del grado de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiado y que logró su transferencia durante el período de tres años incluido desde otoño de 2005 hasta la primavera de 2008. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK del Colegio de Ventura, descrito anteriormente, fue del 24.11%. Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del State Chancellor of the California Community College System (Canciller del Sistema de Colegios Comunitarios de California).

### Título IV, Devolución de Fondos

Existe una ley federal acerca de la devolución de su dinero en caso de que el estudiante abandone el Colegio de Ventura. Si uno obtiene una beca o un crédito financiero y luego se retira de las clases, se quedará debiendo dinero al programa federal de Ayuda Financiera para el estudiante. De acuerdo a la fecha de su retiro, la oficina de Ayuda Financiera hará un cálculo de la parte de la beca que se ha utilizado. Nota: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de workstudy (trabajo-estudio), y se retira, se queda en paz y salvo. Comience el proceso de retiro en la oficina de Consejería. Luego, vaya a la oficina de Ayuda Financiera para estudiantes. Es importante que se tenga en cuenta estos procedimientos antes de retirarse. Omitir estos pasos, podría resultar en la eliminación de posibilidad de elegibilidad para otro tipo de ayuda financiera por parte del gobierno federal o de cualquier otra institución.

### Requisitos para el Reporte de Calificaciones (Notas, Grados)

Se requiere que todos los estudiantes que se reintegran presenten los reportes de notas oficiales de todos las Escuelas Secundarias o de Educación Superior, Colegios y Universidades a donde ellos hayan asistido. No es necesario que los estudiantes presenten los reportes oficiales de notas de Moorpark o del Colegio de Oxnard. Los reportes deben ser dirigidos a: Ventura College, Admissions & Records Office, 4667 Telegraph Rd., Ventura, CA 93003.

### Beneficios Educativos para Veteranos

Los veteranos de servicio militar, que hayan participado en la GI Bill (declaración GI) y que califiquen para solicitar beneficios educacionales, deberán diligenciar la aplicación requerida con el representante de beneficios para veteranos, en la oficina de Admisiones y Registro. Requisitos para el reporte de notas: Se requiere que los veteranos suministren los reportes de notas de todos aquellos colegios y universidades a los que hayan asistido, antes del final del primer semestre que estén cursando. Progreso insatisfactorio para veteranos: Con el fin de recibir la certificación requerida para obtener beneficios educacionales, se definirá como (período de prueba académica) reprobación académica el incumplimiento en un mínimo del 50% del total de las unidades atendidas y/o el mantener un promedio acumulado menor a 2.0. Un progreso insatisfactorio ocurre cuando el veterano ha estado en período de prueba académica por dos semestres consecutivos. Consulte al representante de beneficios para veteranos para más información.

### Difusión (Divulgación)

El Distrito se encargará de divulgar la información concerniente a sus reglamentos y procedimientos apropiados a seguir con respecto a los casos de acoso/discriminación, a todos los empleados y estudiantes, anunciando su existencia en sitios notables a través del Distrito, incluyendo, pero no limitándose, al Catálogo del Colegio de Ventura y al horario de clases. También el Distrito difundirá esta información en publicaciones apropiadas para empleados y/o estudiantes, en las carteleras oficiales del Distrito y por medio de comunicación directa a los empleados del Distrito a través del sindicato.
