What is IE?

The Office of Institutional Effectiveness (IE) provides high-quality data and analysis to inform college decisions. Our office is located in the Day Road Center. If you ever feel like taking a leisurely walk across campus, stop by and say hello.

Participatory Governance Handbook

Have you ever wondered how our college committee system works? Are you interested in learning what the acronyms CPC, BRC, and COG stand for? Take a look at VC's newly updated [Participatory Governance Handbook](#) to find out.

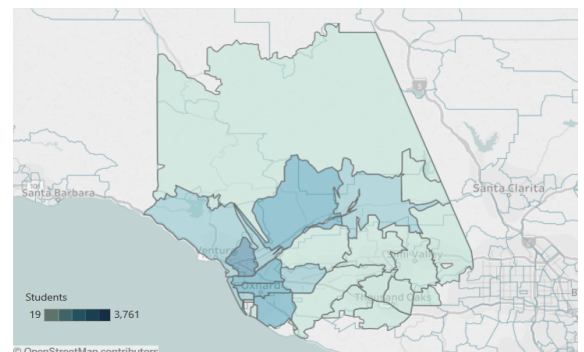

This handbook is the culmination of nearly two years of work by representatives from the College Planning Committee, Academic Senate, Classified Senate, and ASVC. It describes what participatory governance is, how it works at VC, and how to get involved.

Exciting New SLO/SUO Website

The [SLO/SUO website](#) has been completely revamped. Thanks to the outstanding work of Nan Duangpun, you can now easily [search for the SLOs or SUOs](#) for your course, program, or service, and learn when they are scheduled for assessment. If you need more information, please contact our stellar SLO Facilitators, [Asher Sund](#) and [Aurora Meadows](#).

Student Enrollment Map

What city contains the most VC students? Which zip code? The answers may surprise you. Take a look at our [new enrollment map](#) to see how our student population has shifted over the past 10 years.
