Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking English and/or math courses and/or microbiology and/or speech courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade.

For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register. Do not delay! Contact the Assessment Specialist, at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on the job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Counseling Office in the Administration Building. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

It is recognized that students may challenge a pre- or corequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

The CAN system provides a cross-reference number or course identification for courses which are acceptable "in lieu of" comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the counseling office, the transfer center, or the ASSIST Web site: www.assist.org

Collaborative Learning: A method of instruction committed to actively engaging students in their learning, using small groups, team and group projects, and providing opportunities for students to share common experiences and solve problems.

Courses Open to Enrollment: Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by statute.

Educational Work Load: A student's educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Restrictions on Enrollment: Some course descriptions may contain restrictions such as "proof of negative TB clearance is required."

MATHEMATICS OVER THE INTERNET

Are you self-motivated to learn and have difficulty attending regularly scheduled classes on campus due to the demands of your employer or your family? Math Over the Internet may be for you. You may enroll in prealgebra, elementary, intermediate or college algebra or elementary statistics and only come to the campus several times during the semester; once for orientation and other times for exams. Questions can be sent via e-mail, 24-hours a day. It may be possible to work with other students and your instructor on an algebra e-mail discussion table. Internet access is necessary and Netscape Navigator or Microsoft Internet Explorer 5.0 or higher are the most desirable browsers.

MATHEMATICS OVER THE INTERNET

Are you self-motivated to learn and have difficulty attending regularly scheduled classes on campus due to the demands of your employer or your family? Math Over the Internet may be for you. You may enroll in prealgebra, elementary, intermediate or college algebra or elementary statistics and only come to the campus several times during the semester; once for orientation and other times for exams. Questions can be sent via e-mail, 24-hours a day. It may be possible to work with other students and your instructor on an algebra e-mail discussion table. Internet access is necessary and Netscape Navigator or Microsoft Internet Explorer 5.0 or higher are the most desirable browsers.

BOG INFORMATION

SUMMER 2006 FEE WAIVER INFORMATION

Need help paying your enrollment fees? If you are a California resident, there are three ways to qualify for a BOG Fee Waiver.

BOG A	<p>If you or your family are currently receiving TANF/CalWORKS, SSI/SSP, or General Assistance/General Relief, or have certification from any of the Special Classifications, you are eligible for a BOG fee waiver. We require proof for BOG A. Acceptable documentation for BOG A fee waivers varies depending on the type of benefit you or your family may be receiving. For TANF/CalWORKS or General Assistance, acceptable documentation includes a notice of action or the current or last month's check. Other acceptable documentation is a Federal Agency Certification form (available in the Financial Aid Office). For SSI/SSP, documentation includes an award letter dated within 30 days of submittal of the BOG application, or bank statement showing a deposit from the current or last month.</p>		
BOG B	<p>If you meet the following income standards, you qualify for a BOG B. For BOG B, we may require you to verify the information provided in Section B of the attached application. Be sure to include yourself in counting the number of members in your household.</p>		
	Total family income last year (adjusted gross income or untaxed income)	\$13,965 or less \$18,735 or less \$23,505 or less \$28,275 or less \$33,045 or less \$37,815 or less \$42,585 or less \$47,355 or less	1 member in household 2 members in household 3 members in household 4 members in household 5 members in household 6 members in household 7 members in household 8 members in household
	Add \$4,770 for each additional dependent		
	<p>These standards are based upon the federal poverty guidelines as published each year by the U.S. Department of Health and Human Services. Under Title 5 of the California Code of Regulations, the income standards for the BOG program equal 150% of the federal poverty guidelines for the base year. These standards are for the 2005-2006 academic year and are to be used to determine BOG B eligibility effective July 1, 2005.</p>		
BOG C	<p>If you are a California resident who has completed a 2005-2006 Free Application for Federal Student Aid (FAFSA) and your application shows that you have "financial need," you will qualify for a BOG C (a separate BOG application is not required). If you have not completed the FAFSA, you can complete the FAFSA on line at www.fafsa.ed.gov</p>		
INFORMATION AND DEADLINES			
<p>The fee wavier pays enrollment fees ONLY. It does not cover books, health, material, or any other associated fees. So, pick up an application from the Financial Aid Office or visit our financial aid website at www.venturacollege.edu (scroll in the Quick Links area to select Financial Aid) to print a copy of the application. Take the application to the Financial Aid Office. Be sure to bring the required documents. MATHEMATICS OVER THE INTERNET

Are you self-motivated to learn and have difficulty attending regularly scheduled classes on campus due to the demands of your employer or your family? Math Over the Internet may be for you. You may enroll in prealgebra, elementary, intermediate or college algebra or elementary statistics and only come to the campus several times during the semester; once for orientation and other times for exams. Questions can be sent via e-mail, 24-hours a day. It may be possible to work with other students and your instructor on an algebra e-mail discussion table. Internet access is necessary and Netscape Navigator or Microsoft Internet Explorer 5.0 or higher are the most desirable browsers.

BOG INFORMATION

FALL 2006 FEE WAIVER INFORMATION

Need help paying your enrollment fees? If you are a California resident, there are three ways to qualify for a BOG Fee Waiver.

BOG A	If you or your family are currently receiving TANF/CalWORKS, SSI/SSP, or General Assistance/General Relief, or have certification from any of the Special Classifications, you are eligible for a BOG fee waiver. We require proof for BOG A. Acceptable documentation for BOG A fee waivers varies depending on the type of benefit you or your family may be receiving. For TANF/CalWORKS or General Assistance, acceptable documentation includes a notice of action or the current or last month's check. Other acceptable documentation is a Federal Agency Certification form (available in the Financial Aid Office). For SSI/SSP, documentation includes an award letter dated within 30 days of submittal of the BOG application, or bank statement showing a deposit from the current or last month.		
BOG B	If you meet the following income standards, you qualify for a BOG B. For BOG B, we may require you to verify the information provided in Section B of the attached application. Be sure to include yourself in counting the number of members in your household.		
	Total family income last year (adjusted gross income or untaxed income)	\$14,355 or less \$19,245 or less \$24,135 or less \$29,025 or less \$33,915 or less \$38,805 or less \$43,695 or less \$48,585 or less	1 member in household 2 members in household 3 members in household 4 members in household 5 members in household 6 members in household 7 members in household 8 members in household
	Add \$4,890 for each additional dependent		
	These standards are based upon the federal poverty guidelines as published each year by the U.S. Department of Health and Human Services. Under Title 5 of the California Code of Regulations, the income standards for the BOG program equal 150% of the federal poverty guidelines for the base year. These standards are for the 2006-2007 academic year and are to be used to determine BOG B eligibility effective July 1, 2006.		
BOG C	If you are a California resident who has completed a 2006-2007 Free Application for Federal Student Aid (FAFSA) and your application shows that you have "financial need," you will qualify for a BOG C (a separate BOG application is not required). If you have not completed the 2006-2007 FAFSA application, please visit www.fafsa.ed.gov to complete the application.
