Ventura College Library
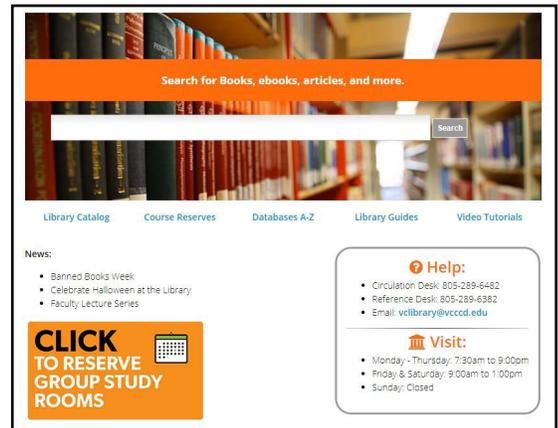

New Library Services Platform Going Live!

We are scheduled to go live with our new library services platform on Monday, December 9!
So, what exactly does that mean?

Starting December 9th...
- Library classified professionals and student assistants will be using a new system to use to check items in and out. The sytem will be linked with Banner, meaning everyone will automatically have a library account.
- Library users will begin receiving library receipts and notifications through their VCCCD email
- Library classified professionals and librarians will begin cataloging new items in the new system

Starting Spring 2020...
- The library will have a redesigned website with a single search box that will allow students, classified professionals, and faculty to...
    - Search across all library resources at once (books, articles, and more!)
    - Search and request items from Oxnard College and Moorpark College
- Librarians will work to update library research guides and videos to reflect the new website and system

Beyond that...
- The library will be working with IT to set up online library fine payment

As with any new technology, there will be an adjustment period, and errors and issues to work out. Your librarians will still be working after the go live date to improve the new system and adapt it to meet the needs of the VC community.

Questions? Contact Kaela.

Building your ZTC course? We can help!

The Ventura College Library is eager to share the latest information that was learned from the most recent participation in this fall's OER/ZTC courses and sessions.

Join us for a Lunch and Learn session on Monday, December 9 at 12:00pm in LRC 205 to learn about library services and resources that are available to support the development and creation of ZTC courses.

We look forward to seeing you there!

See You Next Year!

Hope everyone had a great semester! Remember that the library is here to support you!
Contact us anytime for...

- Scheduling library instruction for your courses (on-campus, VCEC, online... we'll make it work!)
- Requesting instructional videos
- Ordering books for the library collection
- Placing textbooks on reserve
- Donating textbooks for the Lending Library
- Scheduling a display in one or more of our display cases or art tracks
- Discussing ideas for collaboration or other ways we can support students

Have a great break, and we'll see you in the spring semester!

NEW THINGS ARE ON THE HORIZON

Changes are coming soon to the libraries at Moorpark College, Oxnard College, and Ventura College!

Starting December 9, 2019
- Paperless library receipts and notifications

Starting January 2020
- New library website and search interface
- Improved ability to search for and request items from any VCCCD library
