Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking English and/or math and/or speech courses and/or microbiology, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register. DO NOT DELAY.** Contact the Assessment Specialist at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on the job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Counseling Office in the Administration Building. The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.

Schedule of Classes - SUBJECT TO CHANGE:

Ventura College has made every effort to insure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered to be an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

Prerequisites: A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a pre- or corequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

Corequisites: A course corequisite states the course or courses in which a student must be concurrently enrolled. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed.

Recommended Preparation: Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students do not have to satisfy recommended preparation guidelines to enroll in a course.

Instructional Materials: Some classes require students to purchase or provide materials and supplies for school projects.

CAN: The notation of **CAN** following the transfer credit statement designates a California Articulation Number. The CAN system provides a cross-reference number or course identification for courses which are acceptable "in lieu of" comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the counseling office, the transfer center, or the ASSIST Web site: www.assist.org

Collaborative Learning: A method of instruction committed to actively engaging students in their learning, using small groups, team and group projects, and providing opportunities for students to share common experience and solve problems.

Courses Open to Enrollment: Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by statute.

Educational Work Load: A student's educational work load generally consists of 15 units of work per semester in order to make normal progress towards the AA/AS degree and/or transfer requirements. Students desiring to take an overload of more than 19.5 units (9 units in summer) must have a counselor's approval.

Restrictions on Enrollment: Some course descriptions may contain restrictions such as "proof of negative TB clearance is required."

**FLASH! VCCCD IS NOW ASSIGNING
STUDENT ID NUMBERS.**

The Colleges of the Ventura County Community College District have assigned student identification numbers to replace social security numbers as the primary student identifiers.

Your assigned ID number will displayed on WebSTAR in place of your social security number. It will also appear on printed mailers and notices from the Colleges, and on faculty attendance, drop and grade rosters. Social security numbers will still be collected for such purposes as statistical reporting, financial aid and Hope scholarship tax credit reporting, and it will appear on your official transcripts.

Although you will still be able to access your records using your social security number, the use of a student ID number provides you with additional security and confidentiality. Contact the Office of Admissions & Records if you have any questions.

**¡AVISO! VCCCD PROPORCIONARA A
LOS ESTUDIANTES UN NÚMERO
DE IDENTIFICACIÓN**

VCCCD puede proporcionar a los estudiantes un número de identificación (I.D.). Ventura County Community College District, comenzará a proveer números de identificación a los estudiantes para remplazar el número del seguro social como primordial forma de indentificación para los estudiantes.

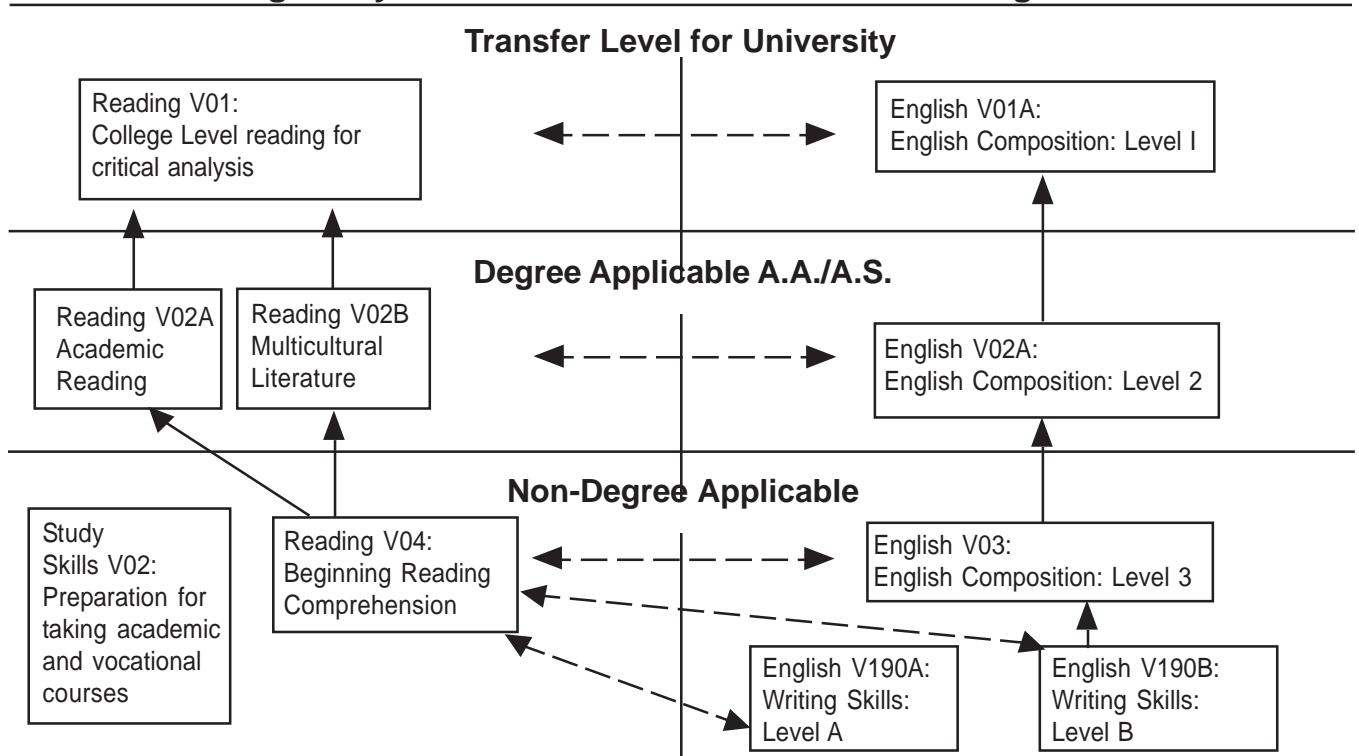

Su número asignado (I.D.) saldrá en la computadora cuando usted intente inscribirse por medio del Internet "online." También aparecerá en su correspondencia del colegio, en las listas de clases y en listas de inscripción o de bajas. El número de seguro social continuará siendo usado para reportes estadísticos, ayuda financiera y para el reporte de crédito en sus impuestos "Hope Scholarship Tax Credit" y también aparecerá en su registro oficial de calificaciones.

Aunque usted podrá tener acceso a sus registros usando su número de seguro social el uso de su nuevo numero de indentificación le proveerá una mayor seguridad y confidencialidad.

MATHEMATICS OVER THE INTERNET

Are you self-motivated to learn and have difficulty attending regularly scheduled classes on campus due to the demands of your employer or your family? Math Over the Internet may be for you. You may enroll in prealgebra, elementary or intermediate algebra or elementary statistics and only come to the campus six times during the semester--once for orientation and five times for exams. Questions are answered via e-mail, 24-hours a day. Work with other students and your instructor on an algebra e-mail discussion table. Internet access is necessary and Netscape Navigator or Microsoft Internet Explorer 5.0 or higher are the most desirable browsers.

Adding a Closed Class

Adding a closed class will always require written permission from the instructor. Permission consists of an "Authorization Add" code from the instructor that will enable the student to add a closed class in person or online. All adds must be completed by the "last day to add" deadline posted in the registration calendar. Students may access online services by going to the College Web site:

www.venturacollege.edu and clicking on "Student Central."

Attendance and Absence

All students are expected to attend the first meeting of class, and to attend classes regularly thereafter. The instructor may drop students who do not attend the first class meeting, and may recommend that students be dropped when absence from the class exceeds 1/9th (one-ninth) of the total class contact hours for the session. Students may also be dropped for having missed necessary safety instruction when such instruction is routinely given. Instructor-initiated drops may result in the assignment of a grade of "W" in accordance with the college withdrawal policy.

Auditing a Class

Students may petition to audit a maximum of one 3 unit class per semester or Summer session. The petition to audit a class is available at the Admissions & Records Office. It must be approved and signed by the instructor, and returned to the Admissions & Records Office during the last two days of the program adjustment period. Lab classes and activity classes are not generally approved for audit. Priority for seats will be given to students taking the class for credit. Auditors pay fees of \$15.00 per unit and applicable health fee. Nonresident tuition does not apply.

Courses can only be taken one time unless otherwise noted in the Ventura College Catalog and Schedule of Classes. Students may petition only once to repeat courses to improve grades of "D," "F" or "NC." Courses in which a grade of "C," "CR" or better were received may not be repeated unless specifically authorized by the Title V of the California Administrative Code.

Students must be currently enrolled in at least one credit course at the college, must have completed at least 12 units in residence in the district, must be in good academic standing, and must have submitted transcripts from all other colleges attended. They must not have previously received a grade in the course being petitioned, or completed courses in more advanced subject matter, and must not be participating in the same course as an auditor. Students should not enroll in the course they are attempting to challenge. Units earned through Credit by Exam are clearly identified on their transcript with a grade of CRE (NC if not passed), and are subject to the acceptance policies of each individual college or university. There may be limitations on the use of such units for establishing eligibility for athletics, financial aid, veteran's benefits and other programs. Some courses may not be challenged. Consult

the Office of Student Development for a list of excluded courses. Petitions must be on file with the administering instructor by Friday of the tenth week of the semester, and exam must be administered prior to the last day of the semester.

Students may elect by no later than 30% of the length of the class to request, or rescind a request for the credit/no credit option. Units earned on a credit/no credit basis shall not be used to calculate grade point averages, but they shall be considered in probation and dismissal policies. EAC Interim Statement

Class Schedule in Alternate Formats for Students with Disabilities: The Ventura College Educational Assistance Center recognizes the need to provide the class schedule in formats that are usable by individuals with disabilities. Currently, the schedule is available in print format and online at <http://www.vcccd.net/si/scheds.htm>. With assistive technology that is available on campus, and which many individuals also have for use at home, these formats already provide access for individuals with a number of disabilities. In addition, the EAC will prepare a large print copy of the schedule. The primary difficulty is faced by those relying on speech output or Braille for accessing information. This requires that the information be formatted online and in e-text in a manner that makes sense when using those modes of access. There are technical difficulties at the present time which prevent putting the Schedule into a format which could easily be converted to Braille. The same holds true for conversion to e-text for use in text-to-speech. In that case, the issue is having it "make sense" when presented verbally without benefit of seeing the text. The EAC and the DSPS programs at Oxnard and Moorpark Colleges, together with the District Information Technology Office, will be working to find a common solution to this District-wide problem. In the interim, someone requiring the Schedule in formats other than large print, standard print, or the current online version, should contact the EAC. The staff of the EAC will work with these individuals to ensure that their needs for access to schedule information are met in a timely, mutually determined manner that will no doubt vary from person-to-person. This interim policy will be revised when a permanent resolution to this issue is attained.

Equal Opportunity

The Ventura County Community College District is committed to providing equal opportunity in education and to prohibiting discrimination based on race, gender, color, religion, age, national origin, disability, marital status, sexual orientation, or Vietnam veteran status. This commitment is in accordance with the requirements of state and federal law. All members of the college community--students, faculty, administrators, staff, and visitors-- must be able to study and work in an atmosphere of mutual respect and trust. Indeed, the District is actively committed to creating and maintaining an environment that respects the dignity of everyone. If you feel that you have been subject to unlawful discrimination based on disability or in violation of the American with Disabilities Act, please contact Dr. Lyn MacConnaire, Ventura College, 4667 Telegraph Road, A building, Ventura, CA 93003. Telephone: (805) 654-6455 or e-mail: Lmacconnaire@vcccd.net. The U.S. Department of Labor Title IX, Education Amendments of 1972, prohibits discrimination on the basis of sex in education, programs and activities. If you have any questions about Title IX, please feel free to contact Dr. Karen Gorback at ext. 3143 or e-mail

Kgorback@vcccd.net.

Full-Time Student

For most purposes a student is defined as full-time if registered in 12 or more units in a regular semester, 4 units or more in a Summer session. This may differ for special programs, financial aid, veteran's benefits, etc.

District employees involved in any aspect of investigating or resolving a complaint of harassment or discrimination will have received training from a qualified source in advance of their service. Non-retaliation for filing--no individual will suffer retaliation as a result of filing a claim or being a witness in regard to harassment/discrimination allegations. Persons engaging in retaliation are subject to disciplinary action.

INFORMAL PROCESS

An individual who has reason to believe that he or she has been a victim of harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, marital status, veteran status or physical or mental disability may resolve the matter through an informal process under this procedure. Participation in the informal process is optional and not a prerequisite to filing a formal complaint.

1. A person who believes that he or she has personally suffered harassment or discrimination should contact the appropriate Intake Facilitator at their location to directly discuss his or her concerns.
2. The Intake Facilitator may inform the Respondent of the possible complaint and shall meet with the Complainant to:
 - a. understand the nature of the concern;
 - b. give to Complainant a copy of the District's Sexual Harassment Policy brochure and this "Complaint Procedure for Harassment/Discrimination" document;
 - c. inform Complainant of his or her rights under this complaint procedure;

3. If the Complainant and the Respondent agree to a proposed resolution, the resolution shall be implemented and the informal process shall be concluded. At any time during the informal process, the Complainant may initiate a formal complaint.
4. The Intake Facilitator shall keep a written log of discussions and a record of the resolution. This information shall become part of the official investigation file if the Complainant initiates a formal complaint. If the parties reach a tentative agreement upon resolution of the complaint, a letter summarizing the resolution shall be sent to the Complainant and the Respondent. A copy of this letter shall be sent to Human Resources for approval.
5. Once a complaint is put in writing and signed by the Complainant, the Complaint is considered to be formal and the formal complaint procedures should be followed.

A person who alleges that he or she has personally suffered harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, veteran status, marital status, or physical or mental disability shall complete and sign the District's Harassment/Discrimination Complaint Form within one year of the alleged incident or within one year of the date on which the Complainant knew or should have known of the facts of the harassment or discrimination incident.

The Intake Facilitator will review the complaint to determine whether it describes the kind of harassment or discrimination which is prohibited under these procedures and whether the complaint sufficiently describes the facts of the alleged misconduct. If the complaint does not describe the kind of prohibited conduct the District investigates under the procedures, the Complainant will be notified and will be referred to the appropriate process. If the complaint does not sufficiently describe the facts giving rise to the complaint so that a determination can be made regarding whether the alleged misconduct is covered under these procedures, the complaint will be returned and the Complainant will be invited to submit an amended complaint providing enough factual detail to allow the above determination to be made.

If the Complainant fails to meet with the Intake Facilitator within a reasonable time (usually 10 working days), the Intake Facilitator will continue the investigation to the best of his/her abilities based on the written formal complaint. After meeting with the Complainant, the Intake Facilitator shall give the Respondent an opportunity to meet with him/her to receive the Respondent's answer to the complaint and to review with Respondent the scope and nature of the investigation. Complainant and Respondent may inform the Intake Facilitator of witnesses to contact and may present documents in support of their positions.

Prior to completing the investigation, the Intake Facilitator shall meet again with the Complainant and the Respondent separately, to give an overview of the steps taken during the investigation, and to ask Complainant and Respondent for the names of any other individuals the Intake Facilitator might speak with to request any additional information.
7. The Responsible District Officer shall determine whether harassment or discrimination did or did not occur with respect to each allegation in the complaint. The findings shall take into consideration the severity of the conduct, the pervasiveness of the conduct, the pertinent background, and other relevant District policies. If disciplinary action is recommended, appropriate contractual due process and statutory processes will be invoked. If the Responsible District Officer finds there is no evidence to sustain the allegation, the record shall be kept confidential, except to the extent that disclosure may be required by law. The records will be destroyed to the extent the law allows. After completion of the investigation, the Intake Facilitator shall meet with the Responsible District Officer who shall be responsible for reviewing the Intake Facilitator's report, making factual determinations, reaching a conclusion regarding the charges, and recommending appropriate action, if any.
8. In the event the complaint is against the Responsible District Officer, the Vice Chancellor of Human Resources shall appoint an investigator to review the complaint. In the event the complaint is against the Vice Chancellor of Human Resources, the

Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-to-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1996, a group of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 3% of all community college students statewide were included in the 1996 study.) The completion and transfer rates are listed below, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 39.5% for VC. The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from Fall 1996 to Spring 1999. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College from the 1998 cohort data was 27.2%. Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System Web site: <http://srk.cccco.edu/683/98index.htm>.

If you get a GRANT or LOAN and then WITHDRAW from all your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned." NOTE: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Asistencia y Ausencia

Todos los estudiantes admitidos en Ventura College deben asistir regularmente a clases. La inasistencia, por cualquier motivo, no alivia al estudiante de su responsabilidad de cumplir con todos los requisitos de la clase. Ventura College no clasifica las ausencias como justificadas o injustificadas. Ventura College asume, que considerando que la asistencia regular es responsabilidad del estudiante, el profesor puede evaluar dicha ausencia en términos de los requisitos del curso y asumir la acción que se considere razonable. En el caso del estudiante que ha sido registrado por créditos, cuando la ausencia a una clase exceda en número de veces a 1/9 (un noveno) del total de las horas presenciales requeridas de clase, el profesor podrá sugerir al registrador que el estudiante sea retirado de la clase, y su nota será asignada de acuerdo con los reglamentos (a la política) de retiros de clase establecidos en catálogo de VC. Todas aquellas clases que el alumno pierda por haberse inscrito tarde, son contadas e incluidas en el número de ausencias. El estudiante, además, puede ser suspendido o retirado de una clase, en cualquier momento en que sus ausencias causen la) pérdida de instrucciones necesarias para su seguridad, especialmente en las clases en que estas instrucciones se proveen rutinariamente. La ausencia de un estudiante a la primera reunión de una clase puede resultar en su exclusión de la misma, si el espacio límite de cupos de la clase se han llenado y hay estudiantes presentes el primer día esperando ser admitidos. Aquellos estudiantes excluidos debido a su ausencia

durante la primera reunión de la clase, pueden solicitar una readmisión cuando exista una justa causa por su ausencia.

Los estudiantes pueden escoger la opción de ser calificados con/sin crédito en aquellos cursos en los que se asignan notas con letras. Los estudiantes recibirán una nota de CR, la que indica un trabajo equivalente a la nota de letra C o mejor. Un máximo de 20 unidades de CR son aceptadas para la obtención de un título (grado) AA o AS, o para la obtención de un certificado de logro. Las unidades obtenidas mediante el sistema crédito/no crédito no se podrán utilizar para calcular promedio de notas, pero podrán ser tenidas en cuenta dentro de las políticas de despido académico (prueba o destitución). Otros colegios y universidades podrán restringirse a aceptar los créditos de los cursos tomados mediante la opción crédito- no crédito, especialmente si éstos son parte de los requisitos para el logro de un título sea éste general o especializado. Los estudiantes deben consultar con el consejero académico antes de optar por la inscripción crédito no-crédito.

Las unidades ganadas a través de crédito por exámen serán identificadas en su registro de calificaciones como CRE (NC en caso de no haber pasado el examen), y serán sujetas a las reglas y polizas de aceptación de las diferentes instituciones involucradas (colegio o universidad). Puede haber limitaciones en el uso de estas unidades para establecer elegibilidad para atletismo, ayuda financiera, beneficio para veteranos y otros programas. Algunos cursos no podrán ser aprobados a través de este procedimiento. Consulte la oficina del Desarrollo del Estudiante para una lista de las clases excluidas. El profesor a cargo de administrar un examen para una petición que ha sido aprobada para obtener crédito a través de un exámen debe de tener la solicitud archivada a más tardar el viernes de la décima semana del semestre en cuestión y el exámen debe de ser administrado antes del último día del período de exámenes del semestre correspondiente.

El estudiante tiene derecho a posponer o apelar una o más de estas actividades: evaluación (incluyendo exámenes de matemáticas inglés y lectura), orientación y/o consejería. El Derecho "A Saber" del Estudiante

De acuerdo con Conforme a *Student Right to Know Law* (la Ley del Derecho del estudiante "a saber"), (SRTK), es reglamentario para el *Ventura County Community College District* (Distrito de la Comunidad del Condado de Ventura), y de Ventura College facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y un futuros. A principios del Otoño de 1996 un grupo de estudiantes de tiempo completo, aspirantes a grados y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 3% del total de estudiantes de *Colleges* comunitarios a nivel estatal, también fueron incluidos en el estudio de 1996). El logro de transferencias y porcentajes de transferencia están presentados a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad de Ventura College, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes 'continuos' y estudiantes que asisten de Ventura College con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar su grado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que demoraron más de dos años en completar su meta académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron su transferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban "preparados para transferirse" antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 39.5% para VC. El resultado del grado de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiado y que logró su transferencia durante el período de tres años incluido desde otoño de 1996 hasta la primavera de 1999. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK de Ventura College, descrito anteriormente, fue del 27.2%. Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del *State Chancellor of the California Community College System* (Canciller del Sistema de Colegios Comunitarios de California), cuya dirección es: www.cccco.edu/cccco/mis/srtk/index.htm.

Título IV, Devolución de Fondos

Existe una ley federal acerca de la devolución de dinero en caso de que el estudiante abandone de Ventura College. Si uno obtiene una beca o un crédito financiero y luego se retira de las clases, se quedará debiendo dinero al Programa Federal de Ayuda Financiera para el Estudiante. De acuerdo a la fecha de

su retiro, la Oficina de Ayuda Financiera hará un cálculo de la parte de la beca que se ha utilizado. NOTA: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La Oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de *workstudy* (trabajo-estudio), y se retira, se queda a paz y salvo. Comience el proceso de retiro en la Oficina de Consejería. Luego, vaya a la Oficina de Ayuda Financiera para estudiantes. Es importante que se tenga en cuenta estos procedimientos antes de retirarse. Omitir estos pasos, podría resultar en la eliminación de posibilidad de elegibilidad para otro tipo de ayuda financiera por parte del gobierno federal o de cualquier otra institución.

Después de reunirse con el acusador, el *Intake Facilitator* (Empleado encargado de recibir y procesar los reclamos) deberá permitirle al acusado la oportunidad de reunirse con él para informarle las respuestas que el acusado tiene que dar acerca del reclamo, y para revisar en compañía del acusado los alcances y la naturaleza de la investigación. General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

CAVEAT — These courses and requirements are subject to change. Students should consult a counselor or appropriate Web sites to receive the most current transfer information.

ADMISSION -- Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) **Units** — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) **Scholarship** — a minimum cumulative GPA in all transferable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3) **Subject area requirements** — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. **All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College counseling office and transfer center.**

SELECTION CRITERIA FOR UC -- When the number of applicants for some campuses and some majors exceeds the number of spaces available, campuses use standards which are more demanding than the minimum admissions requirements to select students. These selection criteria identify those students who have demonstrated the capacity for high academic achievement. The selection criteria are subject to change by campus, school or college, major and/or term.

Applicants **must complete** both the necessary lower division **mathematics and English composition requirements with grades of C or better** for most campuses by the end of the spring semester prior to transfer in the fall. Some campuses require the completion of the English and mathematics requirements by the end of the fall semester prior to transfer in the following fall. Also, some campuses require that the 60-unit minimum and the four-course pattern (with grades of C or better) be completed by the end of the spring semester prior to transfer in the fall.

More information is available for UC at www.ucop.edu/pathways and for CSU at www.csumentor.edu

CALIFORNIA STATE UNIVERSITY 2004-2005

Students transferring to a California State University are permitted to complete their lower division general education transfer courses by completing the plan of courses listed below. In addition, a transfer student will need to satisfy requirements for admission and should complete major preparation courses. **Courses listed are subject to change.**
