E-MAIL

Having an e-mail address on file allows you to:

- Receive messages from your instructor
- Receive notices from the College
- Automatically reset your PIN on webSTAR
- Use the WAITLIST option.

To register your e-mail address at VC, follow these easy steps:

- 1) Log in: www.venturacollege.edu/webstar
- 2) Log into "webSTAR."
- 3) Select "Personal Information" from the menu.
- 4) Select "Update e-mail Address"
- 5) Enter your address type (home, work, etc.) and then enter your e-mail address.
- 6) Double check the e-mail address to make sure it's correct!

Contact the Admissions Office
if you have questions at (805) 654-6457.

ID / PIN NUMBER

Log-in to webSTAR using:

Users social security number or assigned student ID number available on schedule print-outs, or Admissions and Records or Counseling Offices. Then enter your 6-character alpha or numeric PIN number.

Your PIN number:

The first time you log into webSTAR, use your 6-digit date-of-birth as your PIN number.

After your initial first log-in, you will get a message that your PIN is expired. You will be prompted to create a new 6-character PIN using letters and/or numbers.

If your PIN number is "Expired":

For security reasons your PIN number automatically expires due to inactivity. If you get a message that your PIN is expired, you will be prompted to create a new 6-digit PIN number.

If your PIN number is "Disabled":

If, for security reasons, your PIN is disabled due to too many unsuccessful attempts to log-in, call the Admissions Office, 654-6457, and provide your current e-mail address.

Once your e-mail address is on file, you will be able to use the PIN reset option in webSTAR.

You will be e-mailed a temporary PIN number. This number must be used within 24 hours. After you log-in you will be required to create a new permanent 6-digit PIN number other than your date-of-birth.

ACCESS ACADEMIC RECORDS

Records Available Online: Access your academic records online. Log-on to www.venturacollege.edu/webSTAR and log in using your assigned ID number, which is your social security number or your 6-character PIN. Review your transcripts, current class schedule, financial account summary, and up-date your address and phone number.

WAITLIST FOR A CLOSED CLASS

If a class is closed, you still have an opportunity to register by adding your name to the Waitlist. If a seat opens up and you are next in line to be added, then you will be automatically registered in the class. You will receive an e-mail or mail notice confirming your enrollment. As with all registrations, fees are due upon confirmation that you have registered.

If you are still on a Waitlist on the first day of class and you still want to enroll in the class, then attend the first class meeting. That is the only day the instructor will honor your Waitlist priority. If the instructor gives you an add code authorization, then go online and drop the Waitlist class. Add the class again, using the add code or register for the class in-person at the Admissions and Records Office.

SUPPLEMENTAL INSTRUCTIONAL (SI)

Targeted VC courses are identified as "Supplemental Instruction" (SI) in the Schedule of Classes. The Supplemental Instruction (SI) Program is a "tutoring program," free-of-charge for students. By utilizing this tutoring, students can master the material in difficult classes while also developing and integrating learning and study skills.

Supplemental Instruction (SI) Program

The Goals of SI are to:

- ❖ Improve student grades in targeted courses.
- ❖ Reduce the attrition rate within those courses.
- ❖ Increase the eventual graduation rates of students.
- ❖ Any student in a targeted course is urged to attend.
- ❖ "SI" (supplemental instruction) is identified in the NOTES of the Schedule of Classes.

Orientation, Assessment and Counseling

New Students

New students are strongly encouraged to participate in **assessment, orientation, and counseling sessions**. All activities may be completed during the **full day guidance courses** (see schedule below), or they may be completed as separate activities. The current assessment schedule is located on the Ventura College website: www.venturacollege.edu under "Assessment Calendar" on the Quick Links menu. A copy may also be obtained from the Counseling Office or from the Assessment Office. Students can receive .5 unit for completing the Full Day Guidance Course, and be eligible for priority registration if the Full Day Guidance Course is completed before the deadline noted in the Registration Calendar on page 1. **The .5 unit of credit is degree applicable, and also transferable to CAL State universities. A nominal fee (\$10.00 for half a unit) will be charged for the course and will be payable at the time class fees are paid. Students can also take the Full Day Guidance Course on a "no credit" basis and will not receive credit nor be charged the fees for the course.**

Continuing Students

Continuing students and other students who only require testing, should refer to the testing schedule online at www.venturacollege.edu or contact the assessment specialist at (805) 654-6402.

Please Read Carefully

It is recommended that you complete an "Admission Application" before you attend the orientation, assessment or counseling sessions.

An online application is available at our website:

www.venturacollege.edu and on page 73. You may also obtain a blank application at the Admissions and Records Office. See map on page 101 for testing locations.

Reasonable Accommodations

Prior arrangements must be made with the Alternate Media Specialist at (805) 654-6300. Additional test dates may be available, call the Assessment Office at (805) 654-6402 for information.

As mentioned, the current assessment schedule is located on the Ventura College website: www.venturacollege.edu under "Assessment Calendar" on the Quick Links menu. DISTANCE EDUCATION INFO

Internet and TV/Video courses are offered at Ventura College!

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page <http://online.venturacollege.edu> or contact Heather Untalan at huntalan@vcccd.edu or Antonio Huante at ahuante@vcccd.edu.

➔ **REGISTRATION:** Registering for online courses is done either on-campus, in-person, or using webSTAR: <http://students.vcccd.net/>

➔ **ORIENTATION:** Most online courses hold an orientation on-campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at <http://online.venturacollege.edu> and click on "Class Orientation Information."

➔ **LOGGING IN TO WebCT VISTA:** Many courses at Ventura College use the WebCT Vista program supported by the Blackboard Company. Log in to webSTAR and go to "Student Services," then click on **WebCT Vista**.

➔ **ACCESS CODES:** Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from another location, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

➔ **IMPORTANT INFORMATION:** Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus.

Student Notice: All students enrolled in any credit courses may be required to attend extra educational events.

Schedule of Classes – Subject to Change: Ventura College has made every effort to insure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered to be an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

Prerequisites: A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a pre- or corequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

Corequisites: A course corequisite states the course or courses in which a student must be concurrently enrolled. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed.

Recommended Preparation:

Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

Instructional Materials: Some classes require students to purchase or provide materials and supplies for school projects.

CAN: The notation of CAN following the transfer credit statement designates a California Articulation Number. The CAN system provides a cross-reference number or course identification for courses which are acceptable "in lieu of" comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the Counseling Office, the Transfer Center, or the ASSIST website: www.assist.org

Collaborative Learning: A method of instruction committed to actively engaging students in their learning, using small groups, team and group projects, and providing opportunities for students to share common experiences and solve problems.

Courses Open to Enrollment: Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by statute.

Educational Work Load: A student's educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload of more than 19.5 units (9 units in summer) must have a counselor's approval.

Restrictions on Enrollment: Some course descriptions may contain restrictions such as "proof of negative TB clearance is required."

Mathematics Over the Internet

Are you self-motivated to learn and have difficulty attending regularly scheduled classes on campus due to the demands of your employer or your family? Math Over the Internet may be for you. You may enroll in prealgebra, elementary, intermediate or college algebra or elementary statistics and only come to the campus several times during the semester; once for orientation and other times for exams. Questions can be sent via e-mail, 24-hours a day. It may be possible to work with other students and your instructor on an algebra e-mail discussion table. Internet access is necessary and Netscape Navigator or Microsoft Internet Explorer 5.0 or higher are the most desirable browsers.

You can finish MATH V01 and MATH V03 in the SAME SEMESTER!

Anyone who is trying to get ahead meeting your math requirement can now take MATH V01 in the first 8 weeks of the semester followed by MATH V03 in the last 8 weeks of the semester. Please keep in mind that you are committing to 10 units of enrollment in math alone when you are considering other courses to take.

MATH V01 Elementary Algebra 5.00 Units

PREQ: MATH V10 or 1 year of high school pre-algebra with grade of C or better.

Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking chemistry and/or English and/or math courses and/or microbiology and/or speech courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register.** Do not delay! Contact the Assessment Specialist at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on-the-job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Assessment Office in Guthrie Hall. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

New Students

SPRING 2008 FEE WAIVER INFORMATION

Need help paying your enrollment fees?

If you are a California resident, there are three ways to qualify for a BOG Fee Waiver.

BOG A	<p>If you or your family are currently receiving TANF/CalWORKS, SSI/SSP, or General Assistance/General Relief, or have certification from any of the Special Classifications, you are eligible for a BOG fee waiver. We require proof for BOG A. Acceptable documentation for BOG A fee waivers varies depending on the type of benefit you or your family may be receiving. For TANF/CalWORKS or General Assistance, acceptable documentation includes a notice of action or the current or last month's check. Other acceptable documentation is a Federal Agency Certification form (available in the Financial Aid Office). For SSI/SSP, documentation includes an award letter dated within 30 days of submittal of the BOG application, or bank statement showing a deposit from the current or last month.</p>		
BOG B	<p>If you meet the following income standards, you qualify for a BOG B. For BOG B, we may require that you to verify the information provided in Section B of the attached application. Be sure to include yourself in counting the number of members in your household.</p>		
	Total family income last year (adjusted gross income or untaxed income)	2006 Income \$14,700 or less \$19,800 or less \$24,900 or less \$30,000 or less \$35,100 or less \$40,200 or less \$45,300 or less \$50,400 or less	Family size 1 member in household 2 members in household 3 members in household 4 members in household 5 members in household 6 members in household 7 members in household 8 members in household
		Add \$5,100 for each additional dependent	
	<p>These standards are based upon the federal poverty guidelines as published each year by the U.S. Department of Health and Human Services. Under Title 5 of the California Code of Regulations, the income standards for the BOG program equal 150% of the federal poverty guidelines for the base year. These standards are for the 2007-2008 academic year and are to be used to determine BOG B eligibility EFFECTIVE July 1, 2007.</p>		
BOG C	<p>If you are a California resident who has completed a 2007-2008 Free Application for Federal Student Aid (FAFSA) and your application shows that you have "financial need," you will qualify for a BOG C (a separate BOG application is not required). If you have not completed the FAFSA, you can complete the FAFSA on line at www.fafsa.ed.gov</p>		
	INFORMATION AND DEADLINES		
	<p>The fee wavier pays enrollment fees ONLY. It does not cover books or health material, or other associated fees. So, pick up an application from the Financial Aid Office or visit our financial aid website at www.venturacollege.edu (scroll in the Quick Links area to select Financial Aid) to print a copy of the application. General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

CAVEAT — These courses and requirements are subject to change. Students should consult a counselor or appropriate Web sites to receive the most current transfer information.

ADMISSION -- Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) **Units** — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) **Scholarship** — a minimum cumulative GPA in all transferable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3) **Subject area requirements** — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. **All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College counseling office and transfer center.**

SELECTION CRITERIA FOR UC -- When the number of applicants for some campuses and some majors exceeds the number of spaces available, campuses use standards which are more demanding than the minimum admissions requirements to select students. These selection criteria identify those students who have demonstrated the capacity for high academic achievement. The selection criteria are subject to change by campus, school or college, major and/or term.

Applicants **must complete** both the necessary lower division **mathematics and English composition requirements with grades of C or better** for most campuses by the end of the spring semester prior to transfer in the fall. Some campuses require the completion of the English and mathematics requirements by the end of the fall semester prior to transfer in the following fall. Also, some campuses require that the 60-unit minimum and the four-course pattern (with grades of C or better) be completed by the end of the spring semester prior to transfer in the fall.

More information is available for UC at www.universityofcalifornia.edu and for CSU at www.csumentor.edu and for both www.assist.org

Students transferring to a California State University are permitted to complete their lower division general education transfer courses by completing the plan of courses listed below. In addition, a transfer student will need to satisfy requirements for admission and should complete major preparation courses. **Courses listed are subject to change.**

Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-To-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2003, a group of all certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the 2003 study.) The completion and transfer rates are listed below, along with a brief description of how these rates are defined. These rates do

not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 39.6% for VC. The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from fall 2003 to spring 2006. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 16%. Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System.

Telephone: (805) 654-6487 or e-mail: ghisayasu@vcccd.edu.

Title IV Funds, Return of

There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from ALL your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned." Note: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

Registro y matrícula de estudiantes en (Selective Service) Servicio de Reclutamiento Selectivo

Conforme a la Ley Federal existente, el Military Selective Service Act (Acta de Servicio de Reclutamiento/Selección Militar), (50 U.S.C., App. 451 et seq.), requiere que ciertos hombres residentes en los Estados Unidos se registren para el servicio militar. Si uno ha tenido la obligación de registrarse para el servicio de reclutamiento, pero se ha negado a hacerlo, es probable que uno no pueda ser elegido para recibir asistencia financiera por parte de los programas administrados por la Student Aid Commission (Comisión de Ayuda Estudiantil). Para mayor información póngase en contacto con la oficina de Asistencia Financiera.

Responsabilidad estudiantil

Los estudiantes del Colegio de Ventura tienen la responsabilidad de leer y conocer a fondo la información escrita en este folleto y en el catálogo del Colegio de Ventura. El desconocimiento de las reglas expuestas, tanto en este folleto como en el catálogo del Colegio de Ventura no exime al estudiante de las consecuencias que este pueda sufrir debido al incumplimiento de las mismas.

El derecho "A Saber" del estudiante

Conforme a Student Right-To-Know law (la ley del derecho del estudiante "a saber"), (SRTK), es reglamentario para el Ventura County Community College District (Distrito de la Comunidad del Condado de Ventura), y del Colegio de Ventura facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y futuros. A principios del otoño de 2003 un grupo de estudiantes de tiempo completo, aspirantes a grados y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 2.6% del total de estudiantes de Colleges comunitarios a nivel estatal, también fueron incluidos en el estudio de 2003). El logro de transferencias y porcentajes de transferencia están presentados a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad del Colegio de Ventura, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes 'continuos' y estudiantes que asisten al Colegio de Ventura con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar su grado de bachillerato o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que demoraron más de dos años en completar su meta académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron su transferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban "preparados para transferirse" antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 39.6% para VC. El resultado del grado de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiado y que logró su transferencia durante el período de tres años incluido desde otoño de 2003 hasta la primavera de 2006. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de

2.0. El resultado de transferencia en el estudio SRTK del Colegio de Ventura, descrito anteriormente, fue del 16%. Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postpreparatoria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del State Chancellor of the California Community College System (Canciller del Sistema de Colegios Comunitarios de California).

Título IV, Devolución de Fondos

Existe una ley federal acerca de la devolución de dinero en caso de que el estudiante abandone el Colegio de Ventura. Si uno obtiene una beca o un crédito financiero y luego se retira de las clases, se quedará debiendo dinero al programa federal de Asistencia Financiera para el estudiante. De acuerdo a la fecha de su retiro, la Oficina de Asistencia Financiera hará un cálculo de la parte de la beca que se ha utilizado. Nota: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La Oficina de Asistencia Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de workstudy (trabajo-estudio), y se retira, se queda a paz y salvo. Comience el proceso de retiro en la oficina de Consejería. Luego, vaya a la Oficina de Asistencia Financiera para estudiantes. Es importante que se tenga en cuenta estos procedimientos antes de retirarse. El omitir estos pasos, podría resultar en la eliminación de la posibilidad de elegibilidad para otro tipo de asistencia financiera por parte del gobierno federal o de cualquier otra institución.

Requisitos para el Reporte de Calificaciones (Notas, Grados)

Se requiere que todos los estudiantes que se reintegran presenten los reportes de notas oficiales de todos las escuelas preparatorias o de educación superior, colegios y universidades a donde ellos hayan asistido. No es necesario que los estudiantes presenten los reportes oficiales de notas de Moorpark o del Colegio de Oxnard. Los reportes deben ser dirigidos a: Ventura College, Admissions & Records Office, 4667 Telegraph Rd., Ventura, CA 93003.

Beneficios educativos para veteranos

Los veteranos de servicio militar, que hayan participado en la GI Bill (declaración GI) y que califiquen para solicitar beneficios educacionales, deberán someter la solicitud requerida con el representante de beneficios para veteranos, en la oficina de Admisiones y Archivos. Requisitos para el reporte de notas: Se requiere que los veteranos suministren los reportes de notas de todos aquellos colegios y universidades a los que hayan asistido, antes del final del primer semestre que estén cursando. Progreso insatisfactorio para veteranos: Con el fin de recibir la certificación requerida para obtener beneficios educacionales, se definirá como período reprobación académica el incumplimiento en un mínimo del 50% del total de las unidades atendidas y/o el mantener un promedio acumulado menor a 2.0. Un progreso insatisfactorio ocurre cuando el veterano ha estado en período de prueba académica por dos semestres consecutivos. Consulte al representante de beneficios para veteranos para más información.
