DISTANCE EDUCATION INFO

Internet and TV/Video courses are offered at Ventura College!

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page at online.venturacollege.edu or contact Heather Untalan at huntalan@vcccd.edu

➔ **REGISTRATION:** Registering for online courses is done either on campus, in-person, or using webSTAR: students.vcccd.edu

➔ **ORIENTATION:** Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at online.venturacollege.edu and click on "Class Orientation Information."

➔ **LOGGING IN TO WEBCT VISTA:** Many courses at Ventura College use the WebCT Vista program supported by the Blackboard Company. Log in to webSTAR and go to "Student Services," then click on **WebCT Vista**.

➔ **ACCESS CODES:** Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from other locations, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

➔ **IMPORTANT INFORMATION:** Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus.

classes regularly thereafter. The
instructor may drop students who do
not attend the first class meeting.

ID / PIN NUMBER

Log-in to webSTAR using:

Your social security number or
assigned student I.D. number. If you
don't know your Student I.D. number,
come to the Admissions and Records
Office for assistance.

Your PIN number:

The first time you log into webSTAR,
use your 6-digit date-of-birth as your
PIN number. After your first log-in, you
will get a message that your PIN is
expired. You will be prompted to create
a new 6-character PIN using letters
and/or numbers.

If your PIN number is "Expired":

For security reasons your PIN number
automatically expires due to inactivity.
If you get a message that your PIN is
expired, you will be prompted to create
a new 6-character PIN number.

If your PIN number is "Disabled":

If, for security reasons, your PIN is
disabled due to too many unsuccessful
attempts to log-in, call the Admissions
Office, 654-6457, and provide your
current e-mail address.

Once your e-mail address is on file:

You will be able to use the PIN reset
option in webSTAR. You will be
e-mailed a temporary PIN number. This
number must be used within 24 hours.
After you log-in, you will be required to
create a new permanent 6-character
PIN number other than your date-of-
birth. Other problems with webSTAR,
see page 7.

ACCESS YOUR ACADEMIC RECORDS

Access your academic records online.
Log-on to venturacollege.edu/webSTAR
and log in using your student ID number,
you may use your social security number
and your 6-character PIN. Review your
transcripts, current class schedule,
financial account summary, and up-date
your address and phone number. Official
transcripts must be requested in writing
and submitted to Admissions Office.

WAITLIST FOR A CLOSED CLASS

If a class is closed, you may still have
an opportunity to register by adding
your name to the Waitlist. Waitlists are
not available for all classes and are
not available for most summer classes.
If a seat opens up and you are next
in line to be added, then you will be
automatically registered in the class.

You will receive an e-mail or mail
notice confirming your enrollment.
As with all registrations, fees are due
upon confirmation that you have been
registered.

If you are on a Waitlist on the first day
of class and you still want to enroll in
the class, attend the first class meeting.
That is the only day the instructor will
honor your Waitlist priority.

If the instructor gives you an add
authorization code, then:

- go online and drop the Waitlist class.
- Add the class again, using the add code or register for the class in-person at the Admissions and Records Office.

SUPPLEMENTAL INSTRUCTION (SI)

Targeted VC courses are identified
as "Supplemental Instruction" (SI)
in the Schedule of Classes. The
Supplemental Instruction (SI) Program
is a "tutoring program," free-of-charge
for students. By utilizing this tutoring,
students can master the material in
difficult classes while also developing
integrating learning and study skills.

Supplemental Instruction (SI) Program

The Goals of SI are to:

- ❖ Improve student grades in targeted courses.
- ❖ Reduce the attrition rate within those courses.
- ❖ Increase the eventual graduation rates of students.

Any student in a targeted course
is urged to attend.

"SI" (supplemental instruction) is
identified in the "NOTES" of the
Schedule of Classes.

MATRICULATION FOR NEW STUDENTS

New Students

Matriculation is a process that enhances student access to Ventura College and contributes to student success. Components of matriculation include submitting an application for admission, participating in new student orientation, participating in assessment testing, seeking the assistance of a counselor and following up to assess your progress in attaining your educational goal.

An orientation is required for new students. Orientation provides general information regarding the College's services and programs. It also informs you your rights and responsibilities as a college student. You will learn about transfer and degree requirements, career programs and student services.

The orientation requirement can be satisfied in two ways: online at venturacollege.edu/online_services/online_orientation/index.shtml, or in a group setting with a counselor. If you choose to complete the online orientation, you must complete the pre-and post-tests with a minimal final test score of 80%. Submit the final test to the Matriculation Office to be eligible to participate in orientation and counseling sessions.

The counselor-led orientation may follow an assessment session. If you take a computerized assessment test, the results should be available immediately. This will help you select appropriate courses for your level. For more information about matriculation services, please contact the Matriculation Office at (805) 654-6402 or 654-6493. Information is available in both English and Spanish, and also online at venturacollege.edu by clicking on Services for Students.

Testing Sessions Only

Continuing students and other students who only need the English and/or Math placement assessment, please refer to the testing schedule online at venturacollege.edu by clicking on "Services for Students," or contact the Matriculation Specialist at (805) 654-6402. Assessment schedules are also available in the Counseling Office.

For Orientations in Spanish only

Please contact Matriculation Specialist Margaret Chimalpopoca at (805) 654-6400 ext. 1302, for available dates.

Please Read Carefully

You are required to complete an Admission Application before you attend the Orientation, Assessment or Counseling sessions. The Application is available online at venturacollege.edu/apply, at the Admissions and Records Office, or in this Schedule of Classes.

Reasonable Accommodations

Reasonable accommodations in the assessment process, including testing materials in alternate formats, are available upon request for students with disabilities. Prior arrangements must be made with the Alternate Media Specialist at (805) 654-6300.

EXEMPTION POLICY

You are not required to complete the Matriculation process if you:

- 1.) Hold an associate degree or higher.
- 2.) Have completed fewer than 15 units and your goal is to update job skills or to advance in a current job, to maintain a certificate or license, or to enhance your intellectual or cultural development.
- 3.) Received these services at another college and are exempted by a VC counselor.

ASSESSMENT TEST SCORES ARE REQUIRED PRIOR TO PARTICIPATING IN THE ORIENTATION & COUNSELING SESSIONS.

Please contact the Matriculation Office for more information on assessment testing, orientation, and counseling activities at 805-654-6402 or 805-654-6400 ext. 1302.

Student Notice: All students enrolled in any credit courses may be required to attend extra educational events.

Schedule of Classes – Subject to Change: Ventura College has made every effort to ensure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

Prerequisites: A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a prerequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

Corequisites: A course corequisite states the course or courses in which a student must be concurrently enrolled. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed. It is recognized that students may challenge a

corequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

Recommended Preparation: Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

Instructional Materials Fees: Some courses require students to purchase or provide materials and supplies for school projects.

CAN: The notation of CAN following the transfer credit statement designates a California Articulation Number. The CAN system provides a cross-reference number or course identification for courses which are acceptable "in lieu of" comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the Counseling Office, the Transfer Center, or the ASSIST web site: assist.org

Courses Open to Enrollment: Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the College and who meets the prerequisites to the class or program, unless specifically exempted by statute.

Educational Work Load: A student's educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload (more than 19.5 units, 9 units in summer) must have a counselor's approval.

Restrictions on Enrollment: Some course descriptions may contain restrictions such as "proof of negative TB clearance is required."

If you have any questions, please speak with a counselor.

Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking biology and/or chemistry and/or English and/or math courses and/or microbiology courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register.** Do not delay! Contact the Assessment Specialist at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on-the-job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Assessment Office in building SSC. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-To-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2005, a group of all certificate, degree, and transfer-

seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the 2005 study.) The completion and transfer rates are listed here, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 26.12% for VC (Statewide rate 24.8%). The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from Fall 2005 to Spring 2008. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 24.11% (Statewide rate 25.13%). Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System.

According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned." Note: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

CAVEAT — These courses and requirements are subject to change. Students should consult a counselor or appropriate websites to receive the most current transfer information.

ADMISSION — Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) **Units** — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) **Scholarship** — a minimum cumulative GPA in all transferable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3) **Subject area requirements** — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. **All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College counseling office and transfer center or online.**

Applicants **must complete** both the necessary lower division **mathematics and English communication requirements with grades of C or better** for most campuses by the end of the spring semester prior to transfer in the fall (all of area A plus B4 for CSU; areas 1 and 2 for UC). Some campuses require the completion of the English and mathematics requirements by the end of the fall semester prior to transfer in the following fall. Also, some campuses require that the 60-unit minimum be completed by the end of the spring semester prior to transfer in the fall.

SELECTION CRITERIA FOR UC -- When the number of applicants for some campuses and some majors exceeds the number of spaces available, campuses use standards which are more demanding than the minimum admissions requirements to select students. These selection criteria identify those students who have demonstrated the capacity for high academic achievement. The selection criteria are subject to change by campus, school or college, major and/or term.

More information is available for UC at uctransfer.universityofcalifornia.edu and for CSU at csumentor.edu and for both at assist.org

Students transferring to a California State University are permitted to complete their lower division general education transfer courses by completing the plan of courses listed below. In addition, a transfer student will need to satisfy requirements for admission and should complete major preparation courses. **Courses listed are subject to change.**

El estudiante del Colegio de Ventura tiene la responsabilidad de leer y conocer a fondo la información escrita en este folleto y en el catálogo del Colegio de Ventura. El desconocimiento de las reglas expuestas, tanto en este folleto como en el catálogo del Colegio de Ventura no excusa al estudiante de las consecuencias que éste pueda sufrir debido al incumplimiento de las mismas.

El Derecho "A Saber" del Estudiante

De acuerdo con Conforme a Student Right-To-Know law (la ley del derecho del estudiante "a saber"), (SRTK), es reglamentario para el Ventura County Community College District (Distrito de la Comunidad del Condado de Ventura), y del Colegio de Ventura facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y futuros. A principios del otoño de 2005 un grupo de estudiantes de tiempo completo, aspirantes agrados y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 2.6% del total de estudiantes de colegios comunitarios a nivel estatal, también fueron incluidos en el estudio de 2005).

El logro de transferencias y porcentajes de transferencia se presenta a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad del Colegio de Ventura, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes "continuos" y estudiantes que asisten al Colegio de Ventura con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar su grado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que demoraron más de dos años en completar su meta académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron sutransferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban "preparados para transferirse" antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 26.12% para VC (Tarifa en todo el estado 24.8%). El resultado del grado de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiado y que logró su transferencia durante el período de tres años incluido desde otoño de 2005 hasta la primavera de 2008. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK del Colegio de Ventura, descrito anteriormente, fue del 24.11% (Tarifa en todo el estado 25.13%). Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del State Chancellor of the California Community College System (Canciller del Sistema de Colegios Comunitarios de California).

Título IV, Devolución de Fondos

Existe una ley federal acerca de la devolución de su dinero en caso de que el estudiante abandone el Colegio de Ventura. Si uno obtiene una beca o un crédito financiero y luego se retira de las clases, se quedará debiendo dinero al programa federal de Ayuda Financiera para el estudiante. De acuerdo a la fecha de su retiro, la oficina de Ayuda Financiera hará un cálculo de la parte de la beca que se ha utilizado. Nota: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de workstudy (trabajo-estudio), y se retira, se queda en paz y salvo. Comience el proceso de retiro en la oficina de Consejería. Luego, vaya a la oficina de Ayuda Financiera para estudiantes. Es importante que se tenga en cuenta estos procedimientos antes de retirarse. Omitir estos pasos, podría resultar en la eliminación de posibilidad de elegibilidad para otro tipo de ayuda financiera por parte del gobierno federal o de cualquier otra institución.

Requisitos para el Reporte de Calificaciones (Notas, Grados)

Se requiere que todos los estudiantes que se reintegran presenten los reportes de notas oficiales de todos las Escuelas Secundarias o de Educación Superior, Colegios y Universidades a donde ellos hayan asistido. No es necesario que los estudiantes presenten los reportes oficiales de notas de Moorpark o del Colegio de Oxnard. Los reportes deben ser dirigidos a: Ventura College, Admissions & Records Office, 4667 Telegraph Rd., Ventura, CA 93003.

Beneficios Educativos para Veteranos

Los veteranos de servicio militar, que hayan participado en la GI Bill (declaración GI) y que califiquen para solicitar beneficios educacionales, deberán diligenciar la aplicación requerida con el representante de beneficios para veteranos, en la oficina de Admisiones y Registro. Requisitos para el reporte de notas: Se requiere que los veteranos suministren los reportes de notas de todos aquellos colegios y universidades a los que hayan asistido, antes del final del primer semestre que estén cursando. Progreso insatisfactorio para veteranos: Con el fin de recibir la certificación requerida para obtener beneficios educacionales, se definirá como (período de prueba académica) reprobación académica el incumplimiento en un mínimo del 50% del total de las unidades atendidas y/o el mantener un promedio acumulado menor a 2.0. Un progreso insatisfactorio ocurre cuando el veterano ha estado en período de prueba académica por dos semestres consecutivos. Consulte al representante de beneficios para veteranos para más información.

Difusión (Divulgación)

El Distrito se encargará de divulgar la información concerniente a sus reglamentos y procedimientos apropiados a seguir con respecto a los casos de acoso/ discriminación, a todos los empleados y estudiantes, anunciando su existencia en sitios notables a través del Distrito, incluyendo, pero no limitándose, al catálogo del Colegio de Ventura y al horario de clases.
