DISTANCE EDUCATION INFO

Internet and TV/Video courses are offered at Ventura College!

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page <http://online.venturacollege.edu> or contact Krista Wilbur at distance_ed@vcccd.edu

REGISTRATION: Registering for online courses is done either on campus, in-person, or using the student portal <http://my.vcccd.edu>

ORIENTATION: Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at <http://online.venturacollege.edu> and click on "Class Orientation Information."

LOGGING IN TO "Desire2Learn:™" Many courses at Ventura College use the "Desire2Learn" online course system. To access your course(s), go to the student portal, <http://my.vcccd.edu> and click on **MyCourses** icon at the top of the page.

ACCESS CODES: Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from other locations, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

IMPORTANT INFORMATION: Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams.

Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus.

Assessment, Orientation and Counseling

New Students please read carefully - You are required to complete an Admission application before you attend the Assessment, Orientation or Counseling sessions. You can apply online at venturacollege.edu, or you can obtain an application at the Admissions and Records Office. A comprehensive assessment process is required for all nonexempt student (see below for exemption policy). The purpose of this matriculation process is to provide students with accurate information to help them define and attain their educational goals. The following services are provided to enhance student success: Orientation, Assessment, and Counseling/Advising.

Orientation - The Ventura College orientation presents the basic information you will need to get started as a student at Ventura College. Students participating in orientation sessions will learn how to use the Schedule of Classes and the College Catalog. Students will also learn about activities and student services which are available to assist them in achieving their goals at Ventura College. Services and activities discussed during orientation include the application process, assessment, the registration process, counseling, the Transfer and Career Center, and Financial Aid. Orientation can be done online or in-person.

For Spanish Orientations - Please contact Matriculation Specialist Ms. Chimalpopoca at (805) 654-6400 ext. 1302, for appointments.

Assessment - This process at Ventura College attempts to look at the whole person, therefore your English, reading, mathematics, study and learning skills may be assessed. In addition, a self-evaluation is completed. This lets you review your employment obligations, your motivational level, and your language readiness, to name a few. All together, this information, along with a review of your high school and college transcripts, should prove helpful to you when discussing course selections with a counselor. The Assessment Center is located in the Student Services Center (SSC) in the Matriculation/Assessment area. Testing is offered using a computerized format, however, students may opt to do their testing on a pencil/paper format if they prefer. For an Assessment schedule call the Matriculation/Assessment office at (805) 654-6402 or (805) 654-6493, or view the schedule online at venturacollege.edu/matriculation.

Counseling - A new student must attend orientation and complete their assessment testing before participating in a group counseling workshop. Students should bring copies of their high school transcripts, assessment results, and their external transcripts (if they attended another college prior to attending Ventura College), and any other information that might be helpful.

Located in the Student Services Center (SSC), the Ventura College Counseling Office is open days and evenings for counseling appointments and drop-by counseling. Call the Counseling Office at (805) 654-6448 for availability and information.

Students who complete all three activities before the deadline noted in the Registration Calendar on page 1 will be eligible for priority registration. The current assessment schedule can be found online at venturacollege.edu by clicking on "Services for Students." You can also obtain a schedule at the Information Desk or at the Matriculation/Assessment Office.

Reasonable Accommodations - Reasonable accommodation in the assessment process, including testing materials in alternate formats is available upon request for students with disabilities. Prior arrangements must be made with the Alternate Media Specialist at (805) 654-6300.

Exemption Policy - You are not required to complete the Matriculation process if you: **1)** Hold an Associate degree or higher, **2)** Have completed less than 15 units and your goal is either to update job skills or advance in current job, maintain a certificate or license, or for Intellectual or Cultural development, **3)** Received these services at another college and are exempted by a VC counselor.

MyVCCCD Workshops - Attend a MyVCCCD Workshop (available in English and Spanish) and learn how to navigate online student services available through the Ventura College Student Portal. Learn how to log onto the Student Portal, resolve PIN (Personal ID Number) issues, add and drop classes and much more. Contact Ms. Chimalpopoca at (805) 654-6400 ext. 1302 to schedule an appointment. MyVCCCD workshops are subject to change. For workshop schedule call (805) 654-6400, ext. 1302 or (805) 654-6493 for a current schedule.

COUNSELING WORKSHOPS AVAILABLE - The workshops are designed to provide, in a group setting, and specific information about Ventura College's academic programs. To register for these FREE workshops, please call the Counseling Office at (805) 654-6448. Workshop schedules are subject to change. Check with the Counseling Office for any updates. Workshops available:

PREREQUISITES AND COREQUISITES REQUIRED

Prerequisites and Corequisites

(The process detailed below applies only to Ventura College)

All prerequisites and corequisites will be strictly enforced at the time of registration.

Prerequisites and corequisites are stated in the course descriptions in the college catalog and in the class schedule. Both documents are available for review at venturacollege.edu.

Corequisites require a student to enroll in two or more linked classes (ex: Phys V02A and Phys V02AL). A course prerequisite states the preparation required to successfully complete the class; an example would be English V01A which has a prerequisite of English V02. Prerequisites may be satisfied by completing the prerequisite course at Ventura College, or by providing transcripts to verify that you have completed the equivalent course in high school, at another college or university. In some cases, test scores may also be used to satisfy prerequisite requirements.

If you know you need to be cleared for a prerequisite, or if you have attempted to register and have been blocked by a "prerequisite and test score-error message," please complete the following steps. It is highly recommended the student seek approval for the clearance BEFORE attempting to register to minimize registration delays.

Steps to Requesting Unblocking (clearance) of a Prerequisite

1. For initial placement recommendations in a Math or English sequence, take the Math and English Assessment tests. For English placement recommendations, test scores from California State universities, CTEP or other selected validated standardized test scores may be considered.
2. Download the prerequisite form at venturacollege.edu/prerequisites or pick-up the form at the Information Desk or Assessment Office, both located inside the SSC building. For office location, go to venturacollege.edu/map
3. Complete the form and attach supporting documentation (official or unofficial college or high school transcripts, grade reports, test scores, AP scores, etc.) **prior** to registration.
4. Deliver completed form and documentation to the Assessment Office in-person, fax or e-mail. The Assessment Office is located in the SSC building. The fax number is (805) 654-6425 and e-mail address is smarriquez@vcccd.edu. Please make sure to include your name, the class(es) you are requesting clearance for, student ID number and a contact telephone number or e-mail address. Student cannot submit this information via phone request as documentation is required.
5. Prerequisite requests will be reviewed and processed within two working days.
6. If the prerequisite request(s) is/are **not approved**, the student may elect to challenge the prerequisite. For more detail on this process, go to venturacollege.edu/prerequisites and read the section titled, "How to Challenge a Prerequisite or Corequisite."

How to Challenge a Prerequisite or Corequisite

(The process detailed below applies only to Ventura College)

If the student believes he/she has met the equivalent of a course prerequisite based upon one of the reasons listed below, the student has the right to challenge the prerequisite or corequisite. Please refer to the Petition for complete description/information of the acceptable reasons for challenge.

- Student is subject to undue delay in attaining the goal of educational plan because the prerequisite or corequisite course has not been made reasonably available.
- The prerequisite or corequisite is not valid because it is not necessary for success in the course for which it is required.
- The prerequisite or corequisite is unlawfully discriminatory or is being applied in an unlawful discriminatory manner.
- Student feels he/she possesses the knowledge or ability to succeed in the course despite not meeting the prerequisite or corequisite.

Steps to Completing a "Petition to Challenge a Prerequisite or Corequisite"

1. Download the Petition to challenge at venturacollege.edu/prerequisites or pick up the form at the Information Desk or Assessment Office, both located inside the SSC building. For office location, go to venturacollege.edu.
2. Complete the Petition and attach any supporting documentation, with a written statement explaining the reasons the student wishes to be considered for the challenge.
3. Deliver the completed Petition and documentation to the Assessment Office for processing. The student needs to request a dated copy of the Petition from the Assessment Office staff upon drop-off. The Assessment Office will forward the Petition to the appropriate Division Office for review and approval.
4. The Division Office will review and notify the student, via e-mail, if the Petition has been approved within five working days.
5. If **approved**, the Division Office will clear the prerequisite requirement and student can proceed to register.
6. If **not approved**, student must complete prerequisite/corequisite as stated in the College Catalog.

California residents pay enrollment, health and student center fees, plus applicable materials fees (if any). Out-of-state residents pay the same, plus nonresident tuition. Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-To-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2005, a group of all certificate, degree, and transfer-seeking first-time, full-

time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the 2005 study.) The completion and transfer rates are listed here, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 26.12% for VC (Statewide rate 24.8%). The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from Fall 2005 to Spring 2008. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 24.11% (Statewide rate 25.13%). Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System.

Title IX Prohibits Discrimination

Individuals wishing information concerning Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex in education, programs and activities, should direct their inquiries to David Bransky, Assistant Dean of Student Services, Ventura College, 4667 Telegraph Road, Ventura, CA 93003. Telephone: (805) 654-6400 ext. 3138 or e-mail at dbransky@vcccd.edu.

Title IV Funds, Return of

There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from all your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned." Note: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

Students do not need to submit transcripts from Moorpark or Oxnard College. The transcripts should be directed to: Ventura College, Admissions & Records Office, 4667 Telegraph Rd., Ventura, CA 93003

Veterans Educational Benefits

Veterans of military service who participated in the GI Bill and are eligible to claim educational benefits may file the necessary application with the veteran's benefits representative in the Admissions & Records Office. **Transcripts Requirement:** Veterans are required to submit transcripts from all other colleges and universities they have attended to Ventura College prior to the end of their first semester in attendance. **Unsatisfactory Progress for Veterans:** For the purpose of certification for educational benefits, academic probation is defined as the failure to complete a minimum of 50% of the total units attempted and/or to maintain a minimum of 2.00 cumulative grade point average. Unsatisfactory progress occurs when a veteran has been placed on academic probation for two consecutive semesters. Consult the veteran's benefits representative for information.

General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

CAVEAT — These courses and requirements are subject to change. Students should consult a counselor or appropriate websites to receive the most current transfer information. Completion of the IGETC is not generally a requirement for transfer to a CSU or nor is it the only way to fulfill the lower division general education requirements of the CSU or UC prior to transfer. It is **not** advisable for all transfer students to follow the IGETC. For current information consult the UC Answers for Transfers booklet.

ADMISSION — Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) **Units** — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) **Scholarship** — a minimum cumulative GPA in all transferable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3) **Subject area requirements** — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. **All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College Counseling Office, Transfer Center, or online.**

Applicants **must complete** both the necessary lower division **mathematics and English communication requirements with grades of C or better** for most campuses by the end of the spring semester prior to transfer in the fall (all of area A plus B4 for CSU; areas 1 and 2 for UC). Some campuses require the completion of the English and mathematics requirements by the end of the fall semester prior to transfer in the following fall. Also, some campuses require that the 60-unit minimum, the subject area requirements, and major preparation courses with grades of C or better be completed by the end of the spring semester prior to transfer in the fall.

More information is available for UC at uctransfer.universityofcalifornia.edu and for CSU at csumentor.edu and for both at assist.org

Students transferring to a California State University are permitted to complete their lower division general education transfer courses by completing the plan of courses listed below. In addition, a transfer student will need to satisfy requirements for admission and should complete major preparation courses. **Courses listed are subject to change.**

Matriculación

Las actividades de matriculación "plan de éxito" incluyen orientación, evaluación y consejería de grupo. Este es un proceso que resulta de un acuerdo entre Ventura College y el estudiante con el propósito de definir y lograr la meta educacional del estudiante. Este acuerdo incluye responsabilidades tanto de Ventura College como del estudiante. De este acuerdo se obtiene como resultado el plan educacional del estudiante. El estudiante tiene derecho a posponer o apelar una o más de estas actividades: evaluación (incluyendo exámenes de matemáticas inglés y lectura), orientación y/o consejería. El estudiante que decida posponer o apelar una o más de estas actividades no podrá matricularse temprano. Si cualquier actividad es pospuesta, el estudiante debe completarla antes de que la matrícula del siguiente período empiece, con el fin de que pueda matricularse durante el período de matriculación temprana. Registro y Matrícula de Estudiantes en Selective Service

Servicio de Reclutamiento Selectivo. Conforme a la Ley Federal existente, el Military Selective Service Act (Acta de Servicio de Reclutamiento/ selección Militar), (50 U.S.C., App. 451 et seq.), requiere que ciertos hombres residentes en los Estados Unidos se registren para el servicio militar. Si uno ha tenido la obligación de registrarse para el servicio de reclutamiento, pero se ha negado a hacerlo, es probable que uno no pueda ser elegido para recibir ayuda financiera por parte de los programas administrados por la Student Aid Commission (Comisión Estudiantil de Ayuda). Para mayor información contacte la oficina de Ayuda Financiera.

Responsabilidad Estudiantil

Los estudiantes de Ventura College de Ventura tienen la responsabilidad de leer y conocer a fondo la información escrita en este folleto y en el catálogo de Ventura College. El desconocimiento de las reglas expuestas, tanto en este folleto como en el catálogo de Ventura College no excusa al estudiante de las consecuencias que éste pueda sufrir debido al incumplimiento de las mismas.

El Derecho "A Saber" del Estudiante

De acuerdo con Conforme a Student Right-To-Know law (la ley del derecho del estudiante "a saber"), (SRTK), es reglamentario para el Ventura County Community College District (Distrito de la Comunidad del Condado de Ventura), y de Ventura College facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y un futuro. A principios del otoño de 2005 un grupo de estudiantes de tiempo completo, aspirantes a grados y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 2.6% del total de estudiantes de Colleges comunitarios a nivel estatal, también fueron incluidos en el estudio de 2005). El logro de transferencias y porcentajes de transferencia están presentados a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad de Ventura College, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes 'continuos' y estudiantes que

asisten de Ventura College con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar su grado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que demoraron más de dos años en completar su meta académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron su transferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban "preparados para transferirse" antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 26.12% para VC. El resultado del estudio de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiado y que logró su transferencia durante el período de tres años incluido desde otoño de 2005 hasta la primavera de 2008. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK de Ventura College, descrito anteriormente, fue del 24.11%. Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del State Chancellor of the California Community College System (Canciller del Sistema de Colegios Comunitarios de California).

El Título IX prohíbe la discriminación

Las personas que deseen información sobre el Título IX de las Enmiendas de Educación de 1972, que prohíbe la discriminación por razón de sexo en la educación, programas y actividades, deben dirigir sus preguntas a David Bransky, Asistente del Decano de Servicios Estudiantiles, de Ventura College, 4667 Telegraph Road, Ventura, CA 93003. Teléfono: (805) 654-6400 ext. 3138 o por e-mail a dbransky@vcccd.edu.

Título IV, Devolución de Fondos

Existe una ley federal acerca de la devolución de dinero en caso de que el estudiante abandone de Ventura College. Si uno obtiene una beca o un crédito financiero y luego se retira de las clases, se quedará debiendo dinero al programa federal de Ayuda Financiera para el estudiante. De acuerdo a la fecha de su retiro, la oficina de Ayuda Financiera hará un cálculo de la parte de la beca que se ha utilizado. Nota: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de workstudy (trabajo-estudio), y se retira, se queda a paz y salvo. Comience el proceso de retiro en la oficina de Consejería. Luego, vaya a la oficina de Ayuda Financiera para estudiantes. Es importante que se tenga en cuenta estos procedimientos antes de retirarse. Omitir estos pasos, podría resultar en la eliminación de posibilidad de elegibilidad para otro tipo de ayuda financiera por parte del gobierno federal o de cualquier otra institución.

Requisitos para el Reporte de Calificaciones (Notas, Grados)

Se requiere que todos los estudiantes que se reintegran presenten los reportes de notas oficiales de todos las Escuelas Secundarias o de Educación superior, Colleges (Colegios) y Universidades a donde ellos hayan asistido. No es necesario que los estudiantes presenten los reportes oficiales de notas de Moorpark o de Oxnard College. Los reportes deben ser dirigidos a: Ventura College, Admissions & Records Office, 4667 Telegraph Rd., Ventura, CA 93003.

Beneficios Educativos para Veteranos

Los veteranos de servicio militar, que hayan participado en la GI Bill (declaración GI) y que califiquen para solicitar beneficios educacionales, deberán diligenciar la aplicación requerida con el representante de beneficios para veteranos, en la oficina de Admisiones y Registro. **Requisitos para el reporte de notas:** Se requiere que los veteranos suministren los reportes de notas de todos aquellos Colleges y Universidades a los que hayan asistido, antes del final del primer semestre que estén cursando. **Progreso insatisfactorio para veteranos:** Con el fin de recibir la certificación requerida para obtener beneficios educacionales, se definirá como (período de prueba académica) reprobación académica el incumplimiento en un mínimo del 50% del total de las unidades atendidas y/o el mantener un promedio acumulado menor a 2.0. Un progreso insatisfactorio ocurre cuando el veterano ha estado en período de prueba académica por dos semestres consecutivos. Consulte al representante de beneficios para veteranos para más información.

El Distrito se encargará de divulgar la información concerniente a sus reglamentos y procedimientos apropiados a seguir con respecto a los casos de acoso/ discriminación, a todos los empleados y estudiantes, anunciando su existencia en sitios notables a través del Distrito, incluyendo, pero no limitándose, al catálogo de Ventura College y al horario de clases. También el Distrito difundirá esta información en publicaciones apropiadas para empleados y/o estudiantes, en las carteleras oficiales del Distrito y por medio de comunicación directa a los empleados del Distrito a través del sindicato.
