Add collaboration and cultural change and ..., equity-minded language and mutual respect. Embrace a focus on racial equity (instead of diversity). Suggestion to keep “diversity” in the language. Agree to add “diversity” so long as we also add “racial equity”. Under “Design Student Centered...Learning (instead of solutions)”.

Comment: Hoping the vision would have something about equity in there.

Comment: Please have the second reading as a “track change” document so senators can see what language was.

Comment: To see something equity worded (not just that our students are diverse but what we're doing on our end too).

Introduction

VC's [2017-2023 Educational Master Plan](#) is the overarching planning document for the college. It describes VC's long-term goals and objectives. This document, the 2020-2023 Strategic Implementation Plan, describes the specific strategies and action steps that the college will undertake between 2020 and 2023 to meet the goals and objectives identified in the 2017-2023 Educational Master Plan.

As the college grows and evolves over the six years of the plan, the strategies and action steps needed to meet the Educational Master Plan goals are likely to change and evolve. To accommodate this evolution, VC has two 3-year Strategic Implementation Plans during the course of the six years of the Educational Master Plan. The [2017-2020 Strategic Plan](#) describes the strategies and action steps for the first three years of the Educational Master Plan. This document, the 2020-2023 Strategic Plan describes the strategies and action steps that VC will undertake over the last three years of the Educational Master Plan. See the planning timeline on page 21 to view a graphical illustration of this process.

Each year, this plan will be updated to include progress that has been made towards each strategy and action step. Thus, the 2020-2023 Strategic Implementation Plan is a living document which will be continue to be updated and evaluated.

Process for Developing the Plan

VC's 2017-2023 Educational Master Plan took effect on July 1, 2017, and describes the long-term goals and objectives for the college. The college then developed a 2017-2020 Strategic Implementation plan to describe the strategies that VC undertook to meet these goals between 2017 and 2020. A CPC taskforce developed a first draft of the plan, which was shared across the campus to gather input and feedback. This feedback was incorporated, and the final plan was approved by the Academic Senate, Classified Senate, ASVC, and College President in spring 2018.

On October 23, 2019, a College Planning Committee taskforce was convened to evaluate progress made towards each strategy of the 2017-2020 Strategic Implementation Plan, and to develop a first draft of the 2020-2023 Strategic Implementation Plan. This taskforce included the following people:

- Jeanine Day – Fiscal Services Supervisor
- Heather Aguilar – English Faculty
- Jasmin Martin – Director of Student Organizations, Associated Students of VC
- Phillip Briggs – Dean of Institutional Effectiveness

To gain widespread feedback and input on the plan, a first draft was shared with the College Planning Committee on 9/23/2020, the Academic Senate on 10/15/2020 the Classified Senate on 11/5/2020, and the Associated Students for Ventura College on **Date**. Feedback from these groups was incorporated... Additional dates of first readings, second readings, etc., will be added as they occur.

This negatively affects the success of the program and the students it serves. A full-time faculty member with content expert knowledge is needed to maintain program currency and expand partnerships with industry. Although the program has part-time faculty members who are experts in the field, all work full-time in the industry and cannot commit to leading the tasks of updating curriculum, student learning outcomes, and maintaining industry partnerships. For example, since the loss of the full-time faculty member, there has been a significant decline in the number of students participating in internship courses (CT V95 and CT V96). In 2015-2016, 34 students enrolled in CT V95 and CT V96, as compared to eight students in 2017-18, and no students in 2018-19 or fall 2019.</p> <p>Labor market data from the Centers of Excellence show a significant supply gap (i.e., gap between annual job openings and number of degree/certificate awards) in construction occupations in our region. Ventura College is also one of the few state approved schools for electricians. We are a State approved partial provider of the Electrician Certification Curriculum. There are opportunities to increase enrollment and productivity by offering fully online courses and repackaging existing courses to create stackable certificates, as well as developing a shared degree program with our sister colleges. Questions for Senate Council

1. Should we elect senate officers by simple majority or plurality?

| <u>Scenario #1</u> | |
|--------------------|-------|
| Candidate | Votes |
| A | 14 |
| B | 4 |
| C | 2 |
| | |

| <u>Scenario #2</u> | |
|--------------------|-------|
| Candidate | Votes |
| A | 7 |
| B | 5 |
| C | 5 |
| D | 3 |

| <u>Scenario #3</u> | |
|-----------------------|-------|
| Candidate | Votes |
| A | 10 |
| B | 6 |
| C | 2 |
| Blank / Ineligible | 2 |

A simple majority requires a candidate to win more than 50% of the votes cast. A plurality requires a candidate to win the most votes. Simple majority is the default choice in Robert's Rules.

In scenario #1, Candidate A wins a plurality and a simple majority (14/20).

In scenario #2, Candidate A wins a plurality but not a simple majority (7/20). A special election would be held between A, B, and C.

In scenario #3, Candidate A wins a plurality but not a simple majority (10/20). Under Robert's Rules of Order, blank or ineligible ballots are still counted in the total.
