

## Senate Goals 2018-2019

1. Increase faculty & administrators' awareness of AB 1725 and the 10+1.
2. Strengthen the faculty and senate's leadership and advocacy roles in academic and professional matters.
3. Form (solicit/solidify) committee membership during spring semester (March).
4. Senate president's report to the BOT should reflect academic senate business and concerns.
5. Explore ways to increase participation of faculty in paying AS dues and/or scholarships through increased transparency.
6. Explore the idea of department-level representation on AS.
