SA	EOPS	EOP1902	Brief description of Resource Request: EOPS will sponsor a University field trip for EOPS students to a weekend STEM university conference	2018-2019, 2017-2018, 2016-2017	\$8,000	4	1		
SA	MESA	MESA1907	Our program supports student travel, our student travel covers conferences that expand the professional growth and industry contacts. As of now, our way to visit colleges has been through securing campus vans, there are times where we have to postpone trips and reconsider going to those college visit due to not having access to vans and personnel. Usually we tend to have about 15 or more student interest and that requires two vans and staff. In order to avoid having that conflict, having funding to transportation and lodging to visit UC's and CSU that have great STEM programs would provide student opportunities and connections with their future schools.	2019-2020	5,000	3	2
