III. Discussion/Information/Action

A. Outstanding COR's (Information) – J. Ferguson

Jeff reported that there are 120 outstanding courses.

B. Delegation of Authority of 88's/89's (Action) – J. Ferguson

Jeff mentioned that according to the state, approval of 88's/89's must be done by the Board but the Board can delegate authority to the Curriculum Committee to approve 88's/89's without having them go to the Board for approval.

A motion was made to have this item be presented to the Board for approval of delegation of authority to approve 88's/89's. All were in favor to present this to the Board.
