----------	-------	-------------------------	----------------------	-----------------	---------

SI Sessions are attended on a voluntary basis. They are specifically linked to the course sections specified above. However, students enrolled in other course sections, with the same instructor may also attend these SI sessions. Students are not required to attend the entire session time. Session days and times are subject to change.

Supplemental Instruction (SI) is a series of weekly review sessions for students enrolled in selected courses. SI has been proven to help Ventura College students raise their grades by helping them increase their understanding of course material.

Attendance at SI session is voluntary and FREE! Students develop a better understanding of course content by having the opportunity to compare notes, discuss important course concepts, study for tests, and develop strategies for studying and learning. SI sessions are facilitated by an SI Leader. The Leader is a student who has successfully passed the course.

What are students saying about SI?

- " I feel more confident in math"
- "SI its Great!"
- "My SI leader did not make me feel dumb" "
- He was on top of his game and knew what he was talking about. Makes you understand better"
- "He helped me a lot in class" "He is always there when you need him, He is always willing to help" "
- He gives us the motivation to continue and be successful in the class"
- " I really like having an SI leader" "Thank You SI!" " My SI was great!"
- He made the class go by faster and made me learn to love writing"
