VENTURA COLLEGE
CRISIS
INTERVENTION TEAM

Assessing the Situation:

A crisis may include any of the following:

- An incident (on or off campus) where any member of the VC community is involved in injury, death, or major trauma
- Someone who poses a threat to self or to others
- Inappropriate classroom behavior
- Traumatized or grieving victim

PSYCHOLOGICAL CRISIS INTERVENTION What to Do:

Individual with suicidal thoughts is calm & communicative:

- Call SHPS (654-6346) for an initial assessment by the nurse practitioner or on-duty mental health counselor
- If SHPS is not available and there is concern for the individual's safety, call the **Mobile County Crisis Team (652-6727)**. Remain with the individual until the team arrives.
- If necessary, call **campus police** for assistance (642-7000).

Individual expressing suicide is agitated & pacing:

- Call SHPS (654-6346) for an initial assessment by the nurse practitioner or on-duty mental health counselor
- If SHPS is not available, call **campus police (642-7000)** and/or **Ventura Police (911)**. (Request a CIT—Crisis Intervention Team Officer.) The police assessment will likely result in transport to County Behavioral Health for a psychological evaluation and possible hold.
