SYNOPSIS:
Before Facebook, Twitter, or the smartphone, a refuge for society’s nerds, weirdoes, and misunderstood existed in a game. Filled with role-play and adventure, this game provided an escape from the world and its pressure to conform. She Kills Monsters tells the story of Agnes Evans, a recent college grad who returns to her childhood home in Ohio after the tragic accident and death of her misinterpreted and nerdy teenage sister, Tilly. When Agnes discovers Tilly’s Dungeons & Dragons play book, she enlists the help of the number one nerd at the school where she teaches to guide her journey into Tilly’s imaginary world. Playwright Qui Nguyen’s comedic ride into the fantasy of role-play, complete with homicidal fairies, nasty ogres, and 90’s pop culture, delivers a heart-pounding tribute to the geek and warrior within us all.
