How to See All Quiz Attempts

1) Click assessments then quizzes

1) Click here
2) Click grade
Any student who submitted their quiz after the time line their attempt will appear in your list.

3) Click the drop down box and change it to all users

4) Click the magnifying glass
It will ask if you want to enter the quiz as that user.

You need to click “yes”
You then can scroll to the end of the quiz and click “go to submit quiz”

Click “go to submit quiz”

It will ask you two more times if you want to submit your quiz. Then the attempt will appear in your grading queue.
