CALIFORNIA COMMUNITY COLLEGES
ONLINE EDUCATION

Introduction

Welcome to the April 29, 2016 Weekly Update from the Online Education Initiative! These updates are intended to keep our pilot college single-points-of-contact (SPOCs) in the loop with the week-to-week developments of the OEI that impact your colleges.

Please remember that as SPOCs, we expect that you are disseminating information with colleagues at your institution, particularly your **Academic Senate, Vice Presidents, and Presidents**. This helps close the information gap between various statewide groups and makes sure that your college community is all on the same page.

Happy reading!

ACTLA Conference

The Association of Colleges for Tutoring and Learning Assistance (ACTLA) conference was last week in Las Vegas. Tutoring coordinators from the OEI pilot colleges were well represented, including these conference organizers: ACTLA president Tabitha Villalba (Fresno City), president-elect Ray Sanchez (State Center and ACTLA OEI Steering Committee rep), Danny Pittaway (Coastline), Lindsay Laney (Columbia), and Jennifer Dorian (Fresno). We had two excellent sessions related to the OEI. The first session included a demonstration of LSI's RTR (Refer Tutor Report) feature. Cabrillo College will pilot this feature. The other session was our monthly OEI Consortium Tutoring Workgroup meeting. We opened that session to the full conference. Attendees brainstormed features they would like in online tutoring.
