

Funding Request Policy/ Procedure

The following procedures must be followed in order to request funding for a Student Organization or College Department.

Funding Request Procedure:

Officially recognized Student Organizations and College Departments may request funding from ASVC. To request funding, a Funding Request form must be submitted to either the ASVC Advisor or ASVC Treasurer by no later than 12pm Wednesday to be discussed in the Thursday's ASVC Executive Committee so that it may be placed on the following Tuesday's Board Meeting agenda. When your funding request becomes an item on the agenda, it is optional but encouraged to attend so you can present your proposal. The funding will be referred to the ASVC Finance and Budget Committee and return again as an agenda item for the following Tuesday meeting. All funding requests must be approved through a majority of the ASVC Board. The ASVC Advisor will then notify the listed contact person on the Funding Request Form if the funding request has been approved. Leftover funds must be deposited in the Student Business Office. Copies of deposited money receipts and expenses must be given to the ASVC Treasurer.

Student Organization Travel Policy:

Only 30% of the anticipated income as outlined in the ASVC Annual ICC Budget is available for travel purposes. Travel is limited to one request per Student Organization per academic year; however, ASVC will **not** fund out-of-state travel. ASVC will only fund the current available daily meal allowance, in accordance with District policy. Before the travel occurs, all necessary paperwork must be submitted to the Student Activities Office. At least one Advisor must be present at all times during the travel. Student Organizations must provide a post travel write-up report and be given or emailed to the ASVC Treasurer by no later than the following Monday after the travel.
