Charge (Draft)

The Budget and Resource Council (BRC) is a governance committee responsible for making recommendations to the College Planning Council and the Ventura College Executive Team. The faculty Co-Chair of the BRC serves as a member of the Accreditation Steering Committee and makes a budget report to the College Planning Council about Ventura College budget and resource activities. The BRC meets regularly to consider and recommend program review initiatives that support the goals of Ventura College and the District Educational Master Plans, performs usage analysis of College resources to support a sustainable budget, considers strategic and budget planning issues, and analyzes total cost of ownership issues for Ventura College. The sub-committees of the BRC are the Facilities Oversight Group and the Technology Advisory Group, which prepare reports and make recommendations to the BRC.
