LUMINIS is a portal Internet feature available at Ventura College. See page 6 for more information.
Internet and TV/Video courses are offered at Ventura College!

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning webpage http://online.venturacollege.edu or contact Heather Untalan at huntinglan@vcccd.edu

REGISTRATION: Registering for online courses is done either on campus, in-person, or using webSTAR: http://students.vcccd.edu

ORIENTATION: Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at http://online.venturacollege.edu and click on "Class Orientation Information."

LOGGING INTO WebCT VISTA: Many courses at Ventura College use the WebCT Vista program supported by the Blackboard Company. Log in to webSTAR and go to "Student Services," then click on WebCT Vista.

ACCESS CODES: Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from another location, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

IMPORTANT INFORMATION: Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus.

**COMING SOON!**

The new MyVCCCD Internet Portal lets you get connected with YOUR campus!

You’ll get your own personal email address - talk to teachers, classmates and friends!

Set up your own personal Portal page and link to the internet’s most popular sites!

Get access to your academic records, link to course assignments, grades and more!
Having an e-mail address on file allows you to:
- Receive messages from your instructor
- Receive notices from the College
- Automatically reset your PIN in webSTAR
- Use the WAITLIST option.

To register your e-mail address with VC, follow these easy steps:
1) Log in: www.venturacollege.edu/webstar
2) Click on “webSTAR Services”
3) Enter your User ID and PIN.
4) Select “Personal Information” from the menu.
5) Select “Update e-mail Address”
6) Enter your address type (home, work, etc.) and then enter your e-mail address.
7) Double check the e-mail address to make sure it’s correct!

If you have any questions, please contact the Admissions Office at (805) 654-6457.

### ID / PIN NUMBER

Log-in to webSTAR using:
Your social security number or assigned student I.D. number. If you don’t know your Student I.D. number, come to the Admissions and Records Office for assistance.

Your PIN number:
The first time you log into webSTAR, use your 6-digit date-of-birth as your PIN number. After your first log-in, you will get a message that your PIN is expired. You will be prompted to create a new 6-character PIN using letters and/or numbers.

If your PIN number is “Expired”:
For security reasons your PIN number automatically expires due to inactivity. If you get a message that your PIN is expired, you will be prompted to create a new 6-character PIN number.

If your PIN number is “Disabled”:
If, for security reasons, your PIN is disabled due to too many unsuccessful attempts to log-in, call the Admissions Office, 654-6457, and provide your current e-mail address.

### WAITLIST FOR A CLOSED CLASS

If a class is closed, you may add your name to the Waitlist. If a seat opens up and you are next in line to be added, then you will be automatically registered in the class.

You will receive an e-mail or mail notice confirming your enrollment. As with all registrations, fees are due upon confirmation that you have been registered.

If you are on a Waitlist on the first day of class, attend the first class meeting. That is the only day the instructor will honor your Waitlist priority.

If the instructor gives you an add authorization code, then:
- go online and drop the Waitlist class.
- Add the class again, using the add code or register for the class in-person at the Admissions and Records Office.

### SUPPLEMENTAL INSTRUCTIONAL (SI)

Targeted VC courses are identified as “Supplemental Instruction” (SI) in the Schedule of Classes. The Supplemental Instruction (SI) Program is a “tutoring program,” free-of-charge for students. By utilizing this tutoring, students can master the material in difficult classes while also developing and integrating learning and study skills.

Supplemental Instruction (SI) Program
The Goals of SI are to:
- Improve student grades in targeted courses.
- Reduce the attrition rate within those courses.
- Increase the eventual graduation rates of students.

Any student in a targeted course is urged to attend. “SI” (supplemental instruction) is identified in the “NOTE:” of the Schedule of Classes.

### ACCESS YOUR ACADEMIC RECORDS

MATRICULATION FOR NEW STUDENTS

Assessment, Orientation, and Counseling

New Students
A comprehensive assessment process is required for all non exempt students. The purpose of this matriculation process is to provide students with accurate information to help them define and attain their educational goals. The following services are provided to enhance student success: Orientation, Assessment, and Counseling/Advising. All activities may be completed during the Full Day Guidance Course (see schedule below), or may be completed at separate sessions. Students who complete all three activities before the deadline noted in the Registration Calendar on page 1 will be eligible for priority registration. Students have the option of receiving .5 units for completing the Full Day Guidance Course. The .5 unit of credit is degree applicable, and is also transferable to California State Universities. A nominal fee ($10.00 for half a unit) will be charged for the course and will be payable at the time class fees are paid. Students can also take the Full Day Guidance Course on a “no credit” basis. No fees will be charged to students taking the Full Day Guidance Course on a “no credit” basis. The current assessment schedule can be found online at www.venturacollege.edu by clicking on “Services for Students.” A copy may also be obtained at the Counseling or Matriculation/Assessment Office.

Testing Sessions Only
Continuing students and other students who only need the English and/or Math placement assessment, please refer to the testing schedule online at www.venturacollege.edu by clicking on “Services for Students,” or contact the Matriculation Specialist at (805) 654-6402. Assessment schedules are also available in the Counseling Office.

For Orientations in Spanish only
Please contact Matriculation Specialist Margaret Chimalpopoca at (805) 654-6400 ext. 1302, for available dates.

Please Read Carefully
You are required to complete an Admission Application before you attend the Orientation, Assessment or Counseling sessions. You can apply online at www.venturacollege.edu, or you can obtain an application at the Admissions and Records office, or in the Schedule of Classes.

Reasonable Accommodations
Reasonable accommodations in the assessment process, including testing materials in alternate formats, are available upon request for students with disabilities. Prior arrangements must be made with the Alternate Media Specialist at (805) 654-6300.

Instructions
Please arrive 15 minutes early for the assessment session you plan to attend. It is important to arrive on time for your assessment session as all testing is done on a timed basis. See map on page 101 for location. There will be a short lunch break following the assessment session during the Full Day Guidance Courses, so you may choose to bring a sack lunch if you attend one of these full day sessions. If you are not able to attend one of the Full Day Guidance Courses, you can complete the assessment, orientation and counseling activities separately. You can find the current assessment schedule online at www.venturacollege.edu by clicking on “Services for Students.” You can also obtain a copy at the Counseling or Assessment Office. A schedule of Full Day Guidance Courses and additional Orientation/Counseling sessions is listed below.

### Schedule of Classes – Subject to Change

Ventura College has made every effort to ensure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered to be an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

### Prerequisites

A course prerequisite states the preparation required to successfully complete a particular course. While A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a prerequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

### Recommended Preparation

Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

### Instructional Materials Fees

Some courses require students to purchase or provide materials and supplies for school projects.

### CAN

The notation of CAN following the transfer credit statement designates a California Articulation Number. The CAN system provides a cross-reference number or course identification for courses which are acceptable “in lieu of” comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the Counseling Office, the Transfer Center, or the ASSIST web site: www.assist.org

### Courses Open to Enrollment

Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the College and who meets the prerequisites to the class or program, unless specifically exempted by statute.

### Educational Work Load

A student’s educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload (more than 19.5 units, 9 units in summer) must have a counselor’s approval.

### Restrictions on Enrollment

Some course descriptions may contain restrictions such as “proof of negative TB clearance is required.”

Announcing!
Self-paced Beginning Algebra
MATH V88A, 88B, 88C, 88D and 88E

Do you find that a traditional math class moves too quickly? Too slowly? Now is your chance to learn at your own pace. Each course of MATH V88 is one unit and contains selected topics from Beginning Algebra. Start with MATH V88A at any time during the semester and work through the sequence. Complete all five courses to receive credit equivalent to MATH V01. Courses are offered as credit/no credit or pass/no pass only. The deadline to add and begin any of these courses for the spring semester is May 1, 2009.

Assignments are completed by arrangement in the computer lab in SCI-226 between the hours of 11:00 am and 2:00 pm on Monday, Wednesday, and Friday and 1:00 pm and 4:00 pm on Tuesday and Thursday. The more time you spend in the lab, the more quickly you will finish each component of the course. The full sequence can be finished in less than a semester or you may take as few as one unit per semester until all five are completed. You set your own schedule but you must attend class a minimum of 5 hours per week. Be sure your schedule can accommodate this.

Purchase: Participation in these courses will require the purchase of an access code for the interactive software. Information will be provided at the first class meeting.

Orientation will be provided throughout the semester as students add the course. Orientation for the week of January 12, 2009 will be provided every hour on the hour that the lab is open.

Contact the instructor: Donna Beatty by phone 805-654-6400 ext. 2285 or e-mail dbeatty@vccd.edu or visit the website http://fp.academic.venturacollege.edu/dbeatty

MATH V88A-E submitted for Board approval

Online Component
Any CRN listed below with an online component will require an access code. The code is included with the purchase of a new textbook from the College bookstore. For used textbook purchases, it may be necessary to purchase an access code for approximately $57.00. See your instructor on the first day of class for instructions to purchase a code.

You can finish MATH V01 AND MATH V03 in the SAME SEMESTER!
Anyone trying to get ahead with completing his or her math requirements can now take MATH V01 in the first 8 weeks of the semester followed by MATH V03 in the last 8 weeks of the semester. Remember you are committing to 10 units of enrollment in math when you are considering other courses to take.

MATH COURSES REQUIRING A PREREQUISITE:

PREREQUISITES REQUIRED FOR BIOLOGY, CHEMISTRY, ENGLISH, MATH, MICROBIOLOGY AND SPEECH

NOTICE! – PLEASE READ

If you have any questions, please speak with a counselor.

Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking biology and/or chemistry and/or English and/or math courses and/or microbiology and/or speech courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register. Do not delay! Contact the Assessment Specialist at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on-the-job training) may file a “Petition to Challenge.” The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Assessment Office in building SSC. The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.

New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

*A parking permit is required to park on campus.* Citations are issued to vehicles that do not display a valid permit. A license plate number is required for permit registration. Pick up permits in the Student Business Office located in building SSC.

**Daily (single day) permits:** For those who do not want to purchase a semester permit, or who drive a different vehicle to school (other than the one with the permit), a daily permit can be purchased for $1.00 at any one of the six bright yellow machines located throughout the campus. They are located in front of the Administration Building by the flag pole, or in the West, East and North parking lots. The Student Business Office and the Police Office also sell daily permits. Daily permits from Moorpark or Oxnard College are not valid at Ventura College and visa versa.

**Student semester permits:** These permits are valid for only one semester and are required to be displayed on the vehicle’s inside rear view mirror by the second week of the semester. Paying the parking permit fee is not enough to keep you from receiving a parking citation. You must pick up your permit at the Student Business Office and properly display it. These permits can be purchased at the Student Business Office and are also valid at Moorpark and Oxnard colleges.

**Handicapped Parking:** Students with a Department of Motor Vehicles disabled person’s plate or placard, or with a current handicapped parking decal issued by the Educational Assistance Center, may park in marked handicapped stalls on campus. Drivers with disabilities are subject to the same parking fees as nondisabled drivers. Handicapped parking decals and complete parking policy may be obtained at EAC located in building ADM.

**Green (time limit) zones:** These areas are not enforced during the first two weeks of the semester.

**Staff lots:** These lots require a staff permit and are enforced throughout the semester, including the first week.

The instructor may drop students who do not attend the first class meeting if the student does not have an excused absence. The instructor may also drop for having missed necessary safety instruction when such instruction is routinely given. Instructor-initiated drops may result in the assignment of a grade of "W" in accordance with the college withdrawal policy.

Auditing a Class
Course restrictions may apply. See the Ventura College Catalog, Academic Policies section, under "Auditing," for more information.

California Resident Status and Fees
A student's status as a California resident, out-of-state or out-of-country resident will determine the amount of tuition and fees the student pays to attend the college. Pursuant to the California Education Code, a person must be physically present and living in the state for one year, and must have taken action to establish permanent residency, before requesting to be classified as a California resident. California residents pay enrollment, health and student center fees, plus applicable materials fees (if any). Out-of-state residents pay the same, plus nonresident tuition. Out-of-country residents pay all fees, plus nonresident tuition and the international student surcharge. See the Ventura College Catalog for more information or online at www.venturacollege.edu/catalog.

Course Repeat Policy
Most courses can only be taken one time. Courses that can be repeated are so noted in the College Catalog under the course description. Students are allowed two repeat attempts to improve substandard grades of D, F, or NC. Consult the Ventura College Catalog for more information.

Credit by Exam
Consult the Ventura College Catalog for full information and requirements that must be met. Students petition for credit-by-exam through the Counseling Office. Restrictions and fees apply, consult the Ventura College Catalog.

Credit/No Credit (Pass/Fail) Grading Option
A pass/fail option may be chosen by the student when a letter grade is not required for degree, major or transfer purposes. Students considering this option should meet with a counselor to discuss the possible ramifications. A petition for Credit/No Credit must be filed at the Admissions Office by the deadline published in the Registration Calendar page. Restrictions apply. Consult the Ventura College Catalog.

Dropping a Class
It is every student's responsibility to be sure that classes are dropped in a timely manner. Consult the deadline dates on the Registration Calendar page. Students may drop classes online, by mail or in-person. Online drops require that students print and keep a copy of the drop transaction list as confirmation. Mail drops require that the postmark be on or before the drop deadline. Fees will not be credited or refunded for classes dropped after the Refund/Credit deadline. See the Registration Calendar guidelines for more information.

Matriculation
Matriculation “Plan for Success” activities include assessment, orientation and counseling. This is a process that results in an agreement between Ventura College and the student for the purpose of defining and realizing the student’s educational goal. This agreement includes responsibilities for both the College and the individual student. This agreement results in a student educational plan. The student has the right to postpone or appeal one or more of these activities: assessment (includes testing in Math, English and Reading), orientation and/or counseling. A student who chooses to postpone or appeal one or more of these activities, may not take part in early registration. If any activity is postponed, the student is required to complete it before registration for the following term begins to be able to register during early registration. Please see the Ventura College Catalog, under “Admissions Information,” “Ventura College Matriculation” paragraph, or visit our website at www.venturacollege.edu/matriculation.

Student Right-to-Know (SRTK) Disclosure
In compliance with the federal Student-Right-To-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2004, a group of all certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the 2004 study.) The completion and transfer rates are listed below, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The “transfer rate” does not include any students who first completed a degree or certificate or became “transferred prepared” prior to transferring. The “completion rate” results for the SRTK study described above was 26.12% for VC (Statewide rate 24.8%). The completion rate is the percent of students from the group studied who attained a certificate or degree or became “transferred prepared” during a three year period from Fall 2004 to Spring 2007. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 24.11% (Statewide rate 25.13%). Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor’s Office of the California Community College System.

Title IX Prohibits Discrimination
Individuals wishing information concerning Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex in education, programs and activities, should direct their inquiries to David Bransky, Assistant Dean of Student Services, Ventura College, 4667 Telegraph Rd., Ventura, CA 93003. Telephone: (805) 654-6400 ext. 3138 or e-mail at dbransky@vcccd.edu.

Title IV Funds, Return of
There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from all your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the part of the grant that you have “earned.” Note: If you withdraw after you have earned 60% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

**CAVEAT** — These courses and requirements are subject to change. Students should consult a counselor or appropriate websites to receive the most current transfer information.

**ADMISSION** — Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) **Units** — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) **Scholarship** — a minimum cumulative GPA in all transferable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3) **Subject area requirements** — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College counseling office and transfer center.

Applicants must complete both the necessary lower division mathematics and English communication requirements with grades of C or better for most campuses by the end of the spring semester prior to transfer in the fall (Areas 1 and 2). Some campuses require the completion of the English and mathematics requirements by the end of the fall semester prior to transfer in the following fall. Also, some campuses require that the 60-unit minimum and the communication/math areas (with grades of C or better) be completed by the end of the spring semester prior to transfer in the fall.

**SELECTION CRITERIA FOR UC** — When the number of applicants for some campuses and some majors exceeds the number of spaces available, campuses use standards which are more demanding than the minimum admissions requirements to select students. These selection criteria identify those students who have demonstrated the capacity for high academic achievement. The selection criteria are subject to change by campus, school or college, major and/or term.

More information is available for UC at universityofcalifornia.edu and for CSU at csumentor.edu and for both at assist.org
