Internet and TV/Video courses are offered at Ventura College!

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page http://online.venturacollege.edu or contact Heather Untalan at huntalan@vcccd.edu

REGISTRATION: Registering for online courses is done either on campus, in-person, or using webSTAR: http://students.vcccd.edu

ORIENTATION: Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at http://online.venturacollege.edu and click on "Class Orientation Information."

LOGGING IN TO WebCT VISTA: Many courses at Ventura College use the WebCT Vista program supported by the Blackboard Company. Log in to webSTAR and go to "Student Services," then click on WebCT Vista.

ACCESS CODES: Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from another location, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

IMPORTANT INFORMATION: Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus.

E-MAIL

Having an e-mail address on file allows you to:
- Receive messages from your instructor
- Receive notices from the College
- Automatically reset your PIN in webSTAR
- Use the WAITLIST option.

To register your e-mail address with VC, follow these easy steps:
1) Log in:
   www.venturacollege.edu/webstar
2) Click on “webSTAR Services”
3) Enter your PIN number and password.
4) Select “Personal Information” from the menu.
5) Select “Update e-mail Address”
6) Enter your address type (home, work, etc.) and then enter your e-mail address.
7) Double check the e-mail address to make sure it’s correct!
If you have any questions, please contact the Admissions Office at (805) 654-6457.

ATTENDANCE

All students are expected to attend the first meeting of class and to attend classes regularly thereafter. The instructor may drop students who do not attend the first class meeting.

ID / PIN NUMBER

Log-in to webSTAR using:
Your social security number or assigned student I.D. number. If you don’t know your Student I.D. number, come to the Admissions and Records Office for assistance.

Your PIN number:
The first time you log into webSTAR, use your 6-digit date-of-birth as your PIN number. After your initial first log-in, you will get a message that your PIN is expired. You will be prompted to create a new 6-character PIN using letters and/or numbers.

If your PIN number is “Expired”:
For security reasons your PIN number automatically expires due to inactivity. If you get a message that your PIN is expired, you will be prompted to create a new 6-character PIN number.

If your PIN number is “Disabled”:
If, for security reasons, your PIN is disabled due to too many unsuccessful attempts to log-in, call the Admissions Office, 654-6457, and provide your current e-mail address.

Once your e-mail address is on file:
You will be able to use the PIN reset option in webSTAR. You will be e-mailed a temporary PIN number. This number must be used within 24 hours. After you log-in, you will be required to create a new permanent 6-character PIN number other than your date-of-birth. Other problems with webSTAR, see page 7.

ACCESS YOUR ACADEMIC RECORDS

Access your academic records online. Log-on to:
www.venturacollege.edu/webSTAR and log in using your assigned ID number, which is your social security number or your 6-character PIN. Review your transcripts, current class schedule, financial account summary, and up-date your address and phone number. Official transcripts must be requested in writing and submitted to Admissions Office.

WAITLIST FOR A CLOSED CLASS

If a class is closed, you may still have an opportunity to register by adding your name to the Waitlist. Waitlist are not available for all courses and are not available for most summer classes. If a seat opens up and you are next in line to be added, then you will be automatically registered in the class.

You will receive an e-mail or mail notice confirming your enrollment. As with all registrations, fees are due upon confirmation that you have been registered.

If you are on a Waitlist on the first day of class and you still want to enroll in the class, attend the first class meeting. That is the only day the instructor will honor your Waitlist priority.

If the instructor gives you an add authorization code, then:
- go online and drop the Waitlist class.
- Add the class again, using the add code or register for the class in-person at the Admissions and Records Office.

SUPPLEMENTAL INSTRUCTIONAL (SI)

Targeted VC courses are identified as “Supplemental Instruction” (SI) in the Schedule of Classes. The Supplemental Instruction (SI) Program is a “tutoring program,” free-of-charge for students. By utilizing this tutoring, students can master the material in difficult classes while also developing integrating learning and study skills.

Supplemental Instruction (SI) Program
The Goals of SI are to:
- Improve student grades in targeted courses.
- Reduce the attrition rate within those courses.
- Increase the eventual graduation rates of students.

Any student in a targeted course is urged to attend.
“SI” (supplemental instruction) is identified in the “NOTES” of the Schedule of Classes.
Messages are built into WebSTAR to provide students with assistance when registration problems occur. Provided below are the definitions and solutions you are to follow in the event you receive a registration error message.

New Students
Matriculation is a process that enhances student access to Ventura College and contributes to student success. Components of matriculation include submitting an application for admissions, participating in new student orientation, participating in assessment testing, seeking the assistance of a counselor and following up to assess your progress in attaining your educational goal.

An orientation is required for new students. Orientation provides general information regarding the College’s services and programs. It also informs you about your rights and responsibilities as a college student. You will learn about transfer and degree requirements, career programs and student services.

The orientation requirement can be satisfied in two ways: online at http://www.venturacollege.edu/online_services/online_orientation/index.shtml, or in a group setting with a counselor. If you choose to complete the online orientation, you must complete the pre and post tests with a final test score of 80%. Submit the final test to the Matriculation Office to be eligible to participate in orientation and counseling sessions.

The counselor-led orientation may follow an assessment session. If you take a computerized assessment test, the results should be available immediately. This will help you select appropriate courses for your level. For more information about matriculation services, please contact the Matriculation Office at (805) 654-6402 or 654-6493. Information is available in both English and Spanish and also online at www.venturacollege.edu by clicking on Services for Students.

Testing Sessions Only
Continuing students and other students who only need the English and/or Math placement assessment, please refer to the testing schedule online at www.venturacollege.edu by clicking on “Services for Students,” or contact the Matriculation Specialist at (805) 654-6402. Assessment schedules are also available in the Counseling Office.

For Orientations in Spanish only
Please contact Matriculation Specialist Margaret Chimalpopoca at (805) 654-6400 ext. 1302, for available dates.

Please Read Carefully

**Records Available Online:** Access your academic records online. Log-on to www.venturacollege.edu and click on webSTAR. Records may be accessed using your assigned ID number and your 6-digit PIN. Display your transcripts, current class schedule, financial account summary, and update your address and telephone number.

**Student Notice:** All students enrolled in any credit courses may be required to attend extra educational events.

**Schedule of Classes – Subject to Change:** Ventura College has made every effort to ensure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered to be an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

**Prerequisites:** A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a prerequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

**Recommended Preparation:**

Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

**Instructional Materials Fees:** Some courses require students to purchase or provide materials and supplies for school projects.

**CAN:** The notation of CAN following the transfer credit statement designates a California Articulation Number. The CAN system provides a cross-reference number or course identification for courses which are acceptable “in lieu of” comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the Counseling Office, the Transfer Center, or the ASSIST web site: assist.org

**Courses Open to Enrollment:**

Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the College and who meets the prerequisites to the class or program, unless specifically exempted by statute.

**Educational Work Load:** A student's educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload (more than 19.5 units, 9 units in summer) must have a counselor’s approval.

**Restrictions on Enrollment:** Some course descriptions may contain restrictions such as "proof of negative TB clearance is required."

BOG SUMMER INFORMATION

SUMMER 2009 FEE WAIVER INFORMATION

Need help paying your enrollment fees? If you are a California resident, there are three ways to qualify for a BOG Fee Waiver.

BOG A

If you or your family are currently receiving TANF/CalWORKS, SSI/SSP, or General Assistance/General Relief, or have certification from any of the Special Classifications, you are eligible for a BOG fee waiver. We require proof for BOG A. Acceptable documentation for BOG A fee waivers varies depending on the type of benefit you or your family may be receiving. For TANF/CalWORKS or General Assistance, acceptable documentation includes a notice of action or the current or last month’s check. Other acceptable documentation is a Federal Agency Certification form (available in the Financial Aid Office. For SSI/SSP, documentation includes an award letter dated within 30 days of submittal of the BOG application, or bank statement showing a deposit from the current or last month.

BOG B

If you meet the following income standards, you qualify for a BOG B. For BOG B, we may require you to verify the information provided in Section B of the attached application. Be sure to include yourself in counting the number of members in your household.

<table>
<thead>
<tr>
<th>Total family income last year (adjusted gross income or untaxed income)</th>

These standards are for the 2008-09 academic year and are to be used to determine BOG B eligibility effective July 1, 2008.

BOG C

If you are a California resident who has completed a 2008-09 Free Application for Federal Student Aid (FAFSA) and your application shows that you have “financial need,” you will qualify for a BOG C (a separate BOG application is not required). If you have not completed the FAFSA, you can complete the FAFSA online at www.fafsa.ed.gov

INFORMATION AND DEADLINES

The fee waiver pays enrollment fees ONLY. It does not cover books, parking, health, material, or any other associated fees. So, pick up an application from the Financial Aid Office or visit our financial aid website at www.venturacollege.edu (select the "Financial Aid" link in the lower left side of the homepage or click "Online Services") to print a copy of the application. Take the application to the Financial Aid Office. Be sure to bring the required documents. Don’t forget to sign the form. If you’re a dependent, don’t forget to have your parent sign it, too.

You can submit a BOG Fee Waiver application to the Financial Aid Office at any time during the 2008-09 academic year. However, applications for other types of financial aid have different deadlines, so please plan ahead. If you have any questions, please contact the Financial Aid Office at (805) 654-6369.

### Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking biology and/or chemistry and/or English and/or math courses and/or microbiology courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register.** Do not delay! Contact the Assessment Specialist at (805) 654-6402.

### Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on-the-job training) may file a “Petition to Challenge.” The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Assessment Office in building SSC. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

### New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

The instructor may drop students who do not attend the first class meeting, and may recommend that students be dropped when absence from the class exceeds 1/8th (one-ninth) of the total class contact hours for the session. Students may also be dropped for having missed necessary safety instruction when such instruction is routinely given. Instructor-initiated drops may result in the assignment of a grade of “W” in accordance with the college withdrawal policy.

Auditing a Class
Course restrictions may apply. See the Ventura College Catalog, Academic Policies section, under “auditing,” for more information.

California Resident Status and Fees
A student’s status as a California resident, out-of-state or out-of-country resident will determine the amount of tuition and fees the student pays to attend the college. Pursuant to the California Education Code, a person must be physically present and living in the state for one year, and must have taken actions to establish permanent residency, before requesting to be classified as a California resident. California residents pay enrollment, health and student center fees, plus applicable materials fees (if any). Out-of-state residents pay the same, plus nonresident tuition. Out-of-country residents pay all fees, plus nonresident tuition and the international student surcharge. See the VC Catalog for more information or online at www.venturacollege.edu/catalog.

Most courses can only be taken one time. Courses that can be repeated are so noted in the College Catalog under the course description. Students are allowed two repeat attempts to improve substandard grades of D, F, or NC/EP. Other conditions apply. Consult the Ventura College Catalog for more information.

Credit by Exam
Consult the Ventura College Catalog for full information and requirements that must be met. Students petition for credit-by-exam through the Counseling Office. Do not register in the class being challenged by exam. A passing score results in a grade of CRE on the transcript (NC if not passed). Restrictions and fees apply, consult the Ventura College Catalog and Fees page in this schedule.

Credit/No Credit (Pass/Fail) Grading Option
A pass/fail option may be chosen by the student when a letter grade is not required for degree, major or transfer purposes. Students considering this option should meet with a counselor to discuss the possible ramifications. A petition for Credit/No Credit must be filed at the Admissions Office by the deadline published on the Registration Calendar page. Restrictions apply. Consult the Ventura College Catalog.

Dropping a Class
It is every student’s responsibility to be sure that classes are dropped in a timely manner. Consult the deadline dates on the Registration Calendar page. Students may drop classes online, by mail or in-person. Online drops require that students print and keep a copy of the drop transaction list as confirmation. Mail drops require that the postmark be on or before the drop deadline. Fees will not be credited or refunded for classes dropped after the Refund/Credit deadline. See the Registration Calendar guidelines for more information.

Under existing federal law, the Military Selective Service Act (50 U.S.C., App. 451 et seq.) requires certain males residing in the United States to register for the Military Service. If you are required to register for Selective Service and fail to do so, you may not be eligible to receive financial aid from any of the programs administered by the Student Aid Commission. For more information, contact the Financial Aid Office.

Student Right-to-Know (SRTK) Disclosure
In compliance with the federal Student-Right-To-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2004, a group of all certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the 2004 study.) The completion and transfer rates are listed here, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The “transfer rate” does not include any students who first completed a degree or certificate or became “transferred prepared” prior to transferring. The “completion rate” results for the SRTK study described above was 26.12% for VC (Statewide rate 24.8%). The completion rate is the percent of students from the group studied who attained a certificate or degree or become “transferred prepared” during a three year period from Fall 2004 to Spring 2007. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 24.11% (Statewide rate 25.13%). Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor’s Office of the California Community College System.

Title IV Funds, Return of
There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from all your classes, you will OWE money to the federal Student Financial Aid Program. According to the date you withdraw, the Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

El Derecho “A Saber” del Estudiante

De acuerdo con Conforme a Student Right-To-Know law (la ley del derecho del estudiante “a saber”), SRTK , es reglamentario para el Ventura Community College District (Distrito de la Comunidad del Condado de Ventura), y de Ventura College facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y futuros. A principios del otoño de 2003 un grupo de estudiantes de tiempo completo, aspirantes a grados y/o certificados, y cuya meta consista en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 2.6% del total de estudiantes de Colleges comunitarios a nivel estatal, también fueron incluidos en el estudio de 2003). El logro de transferencias y porcentajes de transferencia están presentados a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de éxito de todo la Comunidad de Ventura College, tampoco incluyen a aquellos estudiantes dentro del periodo posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes ‘continuos’ y estudiantes que asisten de Ventura College con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o variables de finanzas. También están excluidos de aquellos estudiantes que no hayan obtenido créditos para completar su grado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tapan incluyen a aquellos estudiantes que demoraron más de dos años en completar su metá académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes logran su transferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban “preparados para transferirse” antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 39.6% para VC. El resultado del grado de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiantil y que logró su transferencia durante el periodo de tres años incluido dentro del periodo de estudio. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK de Ventura College, descrito anteriormente, fue del 16%. Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UO o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del Chancellor de la California Community College System (Canciller del Sistema de Colleges Comunitarios de California).

Nota: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de worksstudy (trabajo estudio), y se retira, se queda a paz y salvo. Comience el proceso de retiro en la oficina de Consejería. Luego, vaya a la oficina de Ayuda Financiera para estudiantes. Aquí se realizarán los cálculos del dinero devuelto y los restos no devueltos.
