REGISTRATION: Registering for online courses is done either on campus, in-person, or using the student portal http://my.vcccd.edu

ORIENTATION: Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at http://online.venturacollege.edu and click on "Class Orientation Information."

LOGGING IN TO Desire2Learn: Many courses at Ventura College use the Desire2Learn online course system. To access your courses, go to the student portal, http://my.vcccd.edu and click the MyCourses icon at the top of the page.

ACCESS CODES: Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. IMPORTANT INFORMATION: Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus.

Assessment, Orientation and Counseling

New Students please read carefully - You are required to complete an Admission Application before you attend the Assessment, Orientation or Counseling sessions. You can apply online at venturacollege.edu/apply. A comprehensive assessment process is required for all non-exempt students. The purpose of this matriculation process is to provide students with accurate information to help them define and attain their educational goals. The following services are provided to enhance student success: Orientation, Assessment, and Counseling/Advising.

Orientation - The Ventura College Orientation presents the basic information you will need to get started as a student at Ventura College. Students participating in orientation sessions will learn how to use the Schedule of Classes and the College Catalog. Students will also learn about activities and student services which are available to assist them in achieving their goals at Ventura College. Services and activities discussed during orientation include the application process, assessment, the registration process, counseling, the Transfer and Career Center, and Financial Aid.

For Spanish Orientations - Contact Matriculation Specialist Ms. Chimalpopoca at (805) 654-6400 ext. 1302, for appointments.

Assessment - This process at Ventura College attempts to look at the whole person, therefore your English, reading, mathematics, study and learning skills may be assessed. In addition, a self-evaluation is completed. This lets you review your employment obligations, your motivational level, and your language readiness, to name a few. All together, this information, along with a review of your high school and college transcripts, should prove helpful to you when discussing course selections with a counselor. The Assessment Center is located in the Student Services Center (SSC) in the Matriculation/Assessment area. Testing is offered on a computerized format, however, students may opt to do their testing on a pencil/paper format if they prefer. For an Assessment Schedule call the Matriculation/Assessment office at (805) 654-6402 or (805) 654-6493.

Counseling - A new student must attend orientation and complete their assessment testing before participating in a group counseling workshop. Students should bring copies of their high school transcripts, assessment results, orientation packets, college catalog and transcripts (if they attended another college prior to attending Ventura College), and any other information that might be helpful. LOCATED in the Student Services Center (SSC), the Ventura College Counseling Office is open days and evenings for counseling appointments and drop-by counseling. Our dynamic counselors can assist you with academic, career, transfer, or personal counseling. Counseling Services provides a variety of resources to help you achieve the greatest possible benefit from your college experience. Your questions and concerns are always respected with confidentiality. Call the Counseling Office at (805) 654-6448 for appointments. STUDENTS WHO COMPLETE ALL THREE ACTIVITIES BEFORE THE DEADLINE noted in the Registration Calendar on page one will be eligible for priority registration. The current assessment schedule can be found online at venturacollege.edu by clicking on “Services for Students.” Schedules available at the Counseling Office or at the Matriculation/Assessment Office.

A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a prerequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

#### Recommended Preparation:
Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

#### Instructional Materials Fees:
Some courses require students to purchase or provide materials and supplies for school projects.

#### CAN:
The notation of CAN following the transfer credit statement designates a California Articulation Number. The CAN system provides a cross-reference number or course identification for courses which are acceptable “in lieu of” comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated CAN courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the Counseling Office, the Transfer Center, or the ASSIST website: [assist.org](http://assist.org)

#### Courses Open to Enrollment:
Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the College and who meets the prerequisites to the class or program, unless specifically exempted by statute.

#### Educational Work Load:
A student's educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload (more than 19.5 units, 9 units in summer) must have a counselor's approval.

#### Restrictions on Enrollment:
Some course descriptions may contain restrictions such as “proof of negative TB clearance is required.”

ATTENTION!
MATH V01 & MATH V03 STUDENTS
In addition to traditional classroom lecture classes, Ventura College provides other learning options. To determine which class is best suited for you, please read the course listings carefully and consider the following features:
• Self-paced classes are available. See the “Self-Paced Elementary and Intermediate Algebra” note below for more information.
• Online classes are available. Look for the highlighted class.
• Accelerated pace classes are available. It is possible to complete MATH V01 and MATH V03 in the same semester. See the NOTE announcing a 9-week class for this option.
• Some classes require online homework. Look for the NOTE stating that an online component is required.
• Some classes have a Supplemental Instruction (SI) tutor provided. Look for a NOTE below the class.

SELF-PACED ELEMENTARY & INTERMEDIATE ALGEBRA
Do you find that a traditional math class moves too quickly? Too slowly? Now is your chance to learn at your own pace. The contents of MATH V01 and of MATH V03 are each broken into five one-unit modules, MATH V01A-V01E and MATH V03A-V03E. For either Elementary Algebra or Intermediate Algebra, start with the first Module A and work through the sequence, finishing with Module E: enrolling in one module at a time. The modules are offered as open enrollment courses, the deadline to begin any module is April 29, 2010. COMPLETION of MATH V01A-V01E is equivalent to completing MATH V01 and COMPLETION of MATH V03A-V03E is equivalent to completing MATH V03. Some students will be able to complete five or more modules in one semester; others will need multiple semesters to complete the sequence. The modules are offered on a pass/no pass basis only.

MODULAR STUDENTS are required to attend class a minimum of five hours per week between the hours of 11:00am and 4:00pm, Monday through Friday. No textbook is used in these courses; however participation will require the purchase of an access code. Information will be provided at the first class meeting. Note: students who are successful in a course with this format are students who are self-disciplined and are able to work and learn independently.

ORIENTATION will be provided during the first week of classes at 11:00, 12:00, 1:00, 2:00 and 3:00 o’clock, Monday through Friday in SCI-225, SCI-226. Additional orientation sessions will be provided throughout the semester as needed. Students beginning the courses after the first week should report to the classroom during class hours at their earliest convenience.

CONTACT the instructor, Donna Beatty at dbeatty@vcccd.edu for additional information.

Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking biology and/or chemistry and/or English and/or math courses and/or microbiology courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register.** Do not delay! Contact the Assessment Specialist at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on-the-job training) may file a “Petition to Challenge.” The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Assessment Office in building SSC. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge seven working days prior to the first day of class.**

New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

Enrollment Fees
The Board of Governors Enrollment Fee Waiver (BOGW) provides a waiver of enrollment fees to qualifying students who are California residents. This fee waiver (BOGW) is valid for an entire academic year, starting fall-spring and ending summer for 2009-2010.

Here are Two Options:
FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA): A Financial Aid application is available online at fafsa.ed.gov for students who wish to apply for financial assistance for the 2009-2010 academic year. This application covers both Federal and State financial aid programs, including the following: Federal Pell Grant, Federal Work Study, Federal Supplemental Educational Opportunity Grant, Federal Family Educational Loans (Stafford Loans), Cal Grants B, C, EOPS Grant, and Fee Waiver (BOGW). Remember to file early: financial aid applications are processed on a first-come, first-served basis.

Don’t delay in applying. The process can take up to several months. Financial aid will be awarded to eligible students subject to availability of funds. Criteria for Fee Waiver:

BOARD OF GOVERNORS ENROLLMENT FEE WAIVER (BOGW): The Fee Waiver provides a waiver of enrollment fees to qualifying students who are California residents.

CRITERIA FOR FEE WAIVER: You are eligible to receive a fee waiver if you are a California resident and you meet any one of the following criteria:

Applications can also be picked up in the Financial Aid Office.
SPRING 2010 FEE WAIVER INFORMATION

We require proof for BOG A. Acceptable documentation for BOG A fee waivers varies depending on the type of benefit you or your family may be receiving. For TANF/CalWORKS or General Assistance, acceptable documentation includes a notice of action or the current or last month’s check. Other acceptable documentation is a Federal Agency Certification form (available in the Financial Aid Office. For SSI/SSP, documentation includes an award letter dated within 30 days of submittal of the BOG application, or bank statement showing a deposit from the current or last month.

These standards are for the 2009-10 academic year and are to be used to determine BOG B eligibility **EFFECTIVE** July 1, 2009.

**BOG C**

If you are a California resident who has completed a 2009-2010 Free Application for Federal Student Aid (FAFSA) and your application shows that you have “financial need,” you will qualify for a BOG C (a separate BOG application is not required). If you have not completed the FAFSA, you can complete the FAFSA on line at [fafsa.ed.gov](http://fafsa.ed.gov)

Add the class by the “end of late registration” as noted in the Registration Calendar. Also see Walllist information.

Attendance and Absence
All students are expected to attend the first meeting of class, and to attend classes regularly thereafter. The instructor may drop students who do not attend the first class meeting, and may recommend that students be dropped when absence from the class exceeds 1/9th (one-ninth) of the total class contact hours for the session. Students may also be dropped for having missed necessary safety instruction when such instruction is routinely given. Instructor-initiated drops may result in the assignment of a grade of “W” in accordance with the college withdrawal policy.

Auditing a Class
Course restrictions may apply. See the Ventura College Catalog, Academic Policies section, under “auditing,” for more information.

California Resident Status and Fees
A student’s status as a California resident, out-of-state or out-of-country resident will determine the amount of tuition and fees the student pays to attend the college. Pursuant to the California Education Code, a person must be physically present and living in the state for one year, and must have taken actions to establish permanent residency, before requesting to be classified as a California resident. California residents pay enrollment, health and student center fees, plus applicable materials fees (if any). Out-of-state residents pay the same, plus nonresident tuition. Out-of-country residents pay all fees, plus nonresident tuition and the international student surcharge. See the VC Catalog for more information or online at venturacollege.edu/catalog.

Campus Emergency Instructions
Emergency procedures in the event of earthquakes or fires affecting students and staff on-campus are available in all classrooms, offices, and the Ventura College Catalog. Campus police phone: (805) 654-6496 or (805) 642-7000.

Course Repeat Policy
Most courses can only be taken one time. Courses that can be repeated are so noted in the College Catalog under the course description. Students are allowed two repeat attempts to improve substandard grades of D, F, or NC/NP Other conditions apply. Consult the Ventura College Catalog for more information.

Credit by Exam
Consult the Ventura College Catalog for full information and requirements that must be met. Students petition for credit-by-exam through the Counseling Office. Do not register in the class being challenged by exam. A passing score results in a grade of CR/P on the transcript (NC/NP if not passed). Restrictions and fees apply, consult the Ventura College Catalog and Fees page in this schedule.

Pass/No Pass Grading Option
A pass/fail option may be chosen by the student when a letter grade is not required for degree, major or transfer purposes. Students considering this option should meet with a counselor to discuss the possible ramifications. A petition for Credit/No Credit must be filed at the Admissions Office by the deadline published on the Registration Calendar page. Restrictions apply. Consult the Ventura College Catalog.

Dropping a Class
It is every student’s responsibility to be sure that classes are dropped in a timely manner. Consult the deadline dates on the Registration Calendar page. Students may drop classes online, by mail or in-person. Online drops require that students print and keep a copy of the drop transaction list as confirmation. Mail drops require that the postmark be on or before the drop deadline. Fees will not be credited or refunded for classes dropped after the Refund/Credit deadline. See the Registration Calendar guidelines for more information.

Matriculation

Matriculation “Plan for Success” activities include assessment, orientation and counseling. This is a process that results in an agreement between Ventura College and the student for the purpose of defining and realizing the student’s educational goal. This agreement includes responsibilities for both the College and the individual student. This agreement results in a student educational plan. The student has the right to postpone or appeal one or more of these activities: assessment (includes testing in Math, English and Reading), orientation, and/or counseling. A student who chooses to postpone or appeal one or more of these activities, may not take part in early registration. If any activity is postponed, the student is required to complete it before registration for the following term begins to be able to register during early registration. Please visit our website at venturacollege.edu/matriculation or see the Ventura College Catalog under “Admissions Information,” Ventura College Matriculation paragraph.

Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-To-Know (SRTK) law, it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2005, a group of all certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 2.6% of all community college students statewide were included in the 2005 study.) The completion and transfer rates are listed here, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The “transfer rate” does not include any students who first completed a degree or certificate or became “transferred prepared” prior to transferring. The “completion rate” results for the SRTK study described above was 26.12% for VC (Statewide rate 24.8%). The completion rate is the percent of students from the group studied who attained a certificate or degree or became “transferred prepared” during a three year period from Fall 2005 to Spring 2008. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College was 24.11% (Statewide rate 25.13%). Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor’s Office of the California Community College System.

Title IX Prohibits Discrimination

Individuals wishing information concerning Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex in education, programs and activities, should direct their inquiries to David Bransky, Assistant Dean of Student Services, Ventura College, 4667 Telegraph Road, Ventura, CA 93003. Telephone: (805) 654-6400 ext. 3138 or e-mail at dbransky@vcccd.edu.

Title IV Funds, Return of

There is a federal law about paying back money if you leave school. If you get a GRANT or LOAN and then WITHDRAW from any of your courses, you will owe money to the federal Student Financial Aid Program. According to the date you withdrew, the Financial Aid Office will calculate the part of the grant that you have “earned.” Note: If you withdraw after you have earned 20% of your grant, you do not owe any repayment. The Financial Aid Office will calculate the amount for you. If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORKSTUDY money and withdraw, you do not owe anything. Begin the withdrawal process at the Counseling Office. Second, go to the Office of Student Financial Aid. It is important that you take care of these details prior to withdrawing. Failure to do so will result in a hold on your student aid eligibility with the federal government at any institution.

Students do not need to submit transcripts from Moorpark or Oxnard College. The transcripts should be directed to: Ventura College, Admissions & Records Office, 4667 Telegraph Rd., Ventura, CA 93003.

General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

CAVEAT — These courses and requirements are subject to change. Students should consult a counselor or appropriate websites to receive the most current transfer information. Completion of the IGETC is not generally a requirement for transfer to a CSU or nor is it the only way to fulfill the lower division general education requirements of the CSU or UC prior to transfer. It is not advisable for all transfer students to follow the IGETC. For current information consult the UC Answers for Transfers booklet.

ADMISSION — Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) Units — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) Scholarship — a minimum cumulative GPA in all transferrable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3) Subject area requirements — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College Counseling Office, Transfer Center, or online.

Applicants are required to complete both the necessary lower division mathematics and English communication requirements with grades of C or better for most campuses by the end of the spring semester prior to transfer in the fall (all of area A plus B4 for CSU; areas 1 and 2 for UC). Some campuses require the completion of the English and mathematics requirements by the end of the fall semester prior to transfer in the following fall. Also, some campuses require that the 60-unit minimum, the subject area requirements, and major preparation courses with grades of C or better be completed by the end of the spring semester prior to transfer in the fall.

More information is available for UC at uctransfer.universityofcalifornia.edu and for CSU at csumentor.edu and for both at assist.org
Students transferring to a California State University are permitted to complete their lower division general education transfer courses by completing the plan of courses listed below. In addition, a transfer student will need to satisfy requirements for admission and should complete major preparation courses. Courses listed are subject to change.

El Derecho “A Saber” del Estudiante
De acuerdo con Conforme a Student Right-To-Know law (la ley del derecho del estudiante “a saber”), (SR TK), es reglamentario para el Ventura County Community College District (Distrito de la Comunidad del Condado de Ventura), y del Colegio de Ventura facilitar información con respecto a la velocidad (pasó) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y futuros. A principios del otoño de 2005 un grupo de estudiantes de tiempo completo, aspirantes agrauidos y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primeravez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 2.6% del total de estudiantes de colegios comunitarios a nivel estatal, también fueron incluidos en el estudio de 2005). El logro de transferencias y porcentajes de transferencia se presenta a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad del Colegio de Ventura, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes ‘continuos’ y estudiantes que asisten al Colegio de Ventura con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar sugrado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que deciaron más de dos años en completar su meta academica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron su transferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban “preparados para transferirse” antes de hacerlo. El resultado del estudio SR TK descrito anteriormente fue de 26.12% para VC. El resultado delgrado de logro solo concierne al porcentaje de estudiantes incluido dentro del grupo estudianti y que logró su transferencia durante el período de tres años incluido desde otoño de 2005 hasta la primavera de 2008. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 66 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK del Colegio de Ventura, descrito anteriormente, fue del 24.11%. Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la páginaelectrónica de la oficina del State Chancellor of the California Community College System (Canciller del Sistema de Colegios Comunitarios de California).

Nota: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un reajuste. La oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos.
