Click on "Student Records" in the Registration and Records column to view your grades, transcripts, or degree evaluation. Update your major and educational goal. Click on "Ventura Students Only" in the same column to print an official enrollment verification.

#### Student Notice

All students enrolled in any credit courses may be required to attend extra educational events.

#### Schedule of Classes – Subject to Change

Ventura College has made every effort to ensure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered to be an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

#### Course Prerequisites, Corequisites and Recommended Preparation

Course prerequisites, corequisites or recommended preparation are specified within course descriptions announced in the Catalog; they are also specified in this Schedule of Classes. A course has no prerequisites or corequisites unless so designated. Students must have successfully satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll.

#### Educational Work Load

A student’s educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload (more than 19.5 units, 9 units in summer) must have a counselor’s approval.

#### Restrictions on Enrollment

Some course descriptions may contain restrictions such as "proof of negative TB clearance is required."
**Internet and TV/Video courses are offered at Ventura College!**

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page at [http://online.venturacollege.edu](http://online.venturacollege.edu) or contact Krista Wilbur at krista_wilbur1@vcccd.edu.

**REGISTRATION:** Register for online courses using the student portal [http://my.vcccd.edu](http://my.vcccd.edu)

**ORIENTATION:** Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at [http://online.venturacollege.edu](http://online.venturacollege.edu) and click on “Class Orientation Information.”

**LOGGING INTO **“Desire2Learn”**: Many courses at Ventura College use the Desire2Learn online course system. To access your course(s), go to the student portal, [http://my.vcccd.edu](http://my.vcccd.edu) and click on MyCourses icon at the top of the page

**ACCESS CODES:** Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from other locations, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

**IMPORTANT INFORMATION:** Internet and TV/Video courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet and TV/Video courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus or in a location other than Ventura College.

**TECH SUPPORT:** Distance Learning at VC: (805) 654-6400, ext. 1267 or (805) 654-6452
