Schedule of Classes – Subject to Change
Ventura College has made every effort to ensure that the information provided in this schedule of classes is accurate. However, the provisions of this publication should not be considered to be an irrevocable contract between the student and the College. The College reserves the right to make such additions, amendments or deletions as may be necessary due to changes in applicable federal, state or local laws, district or College policies or regulations, student enrollment, level of financial support or other unforeseen reasons. Such changes may be made without prior notice by the College administration.

Course Prerequisites, Corequisites and Recommended Preparation
Course prerequisites, corequisites or recommended preparation are specified within course descriptions announced in the Catalog; they are also specified in this Schedule of Classes. A course has no prerequisites or corequisites unless so designated. Students must have successfully satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll.

Prerequisites
A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have successfully satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll.

Corequisites
A course corequisite states the course or courses in which a student must be concurrently enrolled. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed. It is recognized that students may challenge a corequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

Recommended Preparation
Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

Instructional Materials Fees
Some courses require students to purchase or provide materials and supplies for school projects.

Courses Open to Enrollment
Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the College and who meets the prerequisites to the class or program, unless specifically exempted by statute.

Educational Work Load
A student’s educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload (more than 19.5 units, 9 units in summer) must have a counselor’s approval.

Restrictions on Enrollment
Some course descriptions may contain restrictions such as “proof of negative TB clearance is required.”

VENTURA COLLEGE Spring Schedule 2014
## Distance Education Information

**Internet courses are offered at Ventura College!**

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page at [http://online.venturacollege.edu](http://online.venturacollege.edu) or contact us at distance_ed@vcccd.edu.

- **Registration:** Register for online courses using the student portal [http://my.vcccd.edu](http://my.vcccd.edu)
- **Orientation:** Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at [http://online.venturacollege.edu](http://online.venturacollege.edu) and click on “Class Orientation Information.”
- **Logging in to Desire2Learn:** Many courses at Ventura College use the Desire2Learn online course system. To access your course(s), go to the student portal, [http://my.vcccd.edu](http://my.vcccd.edu) and click on MyCourses icon at top of the page.
- **Access Codes:** Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from other locations, the code must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.
- **Important Information:** Internet courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus or in the VC testing center.
- **Tech Support:** Distance Learning at VC: (805) 654-6400, ext. 1267 or (805) 654-6452
