DISTANCE EDUCATION INFORMATION

INTERNET COURSES ARE OFFERED AT VENTURA COLLEGE!

Students with questions about how these courses work or what technology they need at home can refer to the Distance Learning web page at http://online.venturacollege.edu or contact us at distance_ed@vcccd.edu or call 805-289-6452.

 REGISTRATION: Register for online courses using the student portal http://my.vcccd.edu

 ORIENTATION: Most online courses hold an orientation on campus; however, not all courses are accessed the same way on the same system. For a complete list of online courses with orientation and course requirement information go to the Distance Learning page at http://online.venturacollege.edu and click on “Class Orientation Information.”

 LOGGING IN TO “DESIRE2LEARN”: Many courses at Ventura College use the Desire2Learn online course system. To access your course(s), go to the student portal, http://my.vcccd.edu and click on MyCourses icon at the top of the page

 ACCESS CODES: Access codes may be required for online courses. The code is included with the purchase of a new textbook from the College Bookstore. For used book purchases and books purchased new from other locations, the codes must be purchased separately online; detailed instructions will be posted on the orientation page or at the time of the class.

 IMPORTANT INFORMATION: Internet courses are not self-paced. This means that assignments will be due throughout the semester and that deadlines will exist for assignments, discussions, exams, etc. Most Internet courses have meetings on campus for exams. Proctored exams may be scheduled if a student is unable to come to campus; however, this must be arranged with the instructor prior to the exam date. A proctored exam is one where an official party supervises an exam taken off campus or in the VC testing center.

 TECH SUPPORT: Distance Learning at VC: (805) 289-6452

**Schedule of Classes – Subject to Change**

Access your academic records online through your MyVCCCD student portal. Log in at http://my.vcccd.edu or access the portal from the MyVCCCD logo on the college website at venturacollege.edu. If you have forgotten your username or password, use the “Forgot Username” and “Forgot Password” features on the login page to retrieve them. Click on “Student Records” in the Registration and Records column to view your grades, transcripts, or degree evaluation, update your major and educational goal. Click on “Ventura Students Only” in the same column to print an official enrollment verification.

**Student Notice**

All students enrolled in any credit courses may be required to attend extra educational events.

**Recommended Preparation**

Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

**Enrollment Limitations**

Some course descriptions may contain restrictions such as “proof of negative TB clearance is required.”

**Instructional Materials Fees**

Some courses require students to purchase or provide materials and supplies for school projects.

**Courses Open to Enrollment**

Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the College and who meets the prerequisites to the class or program, unless specifically exempted by statute.

**Educational Work Load**

A student’s educational work load generally consists of 15 units of work per semester in order to make normal progress towards an AA/AS degree and/or transfer requirements. Students desiring to take an overload (more than 19.5 units, 9 units in summer) must have a counselor’s approval.

Associate Degree and Non-Transferable Mathematics Courses

Completing an Intermediate Algebra Level course with a grade of C or better is required to earn an AA or AS degree.

(Exception: for students maintaining continuous enrollment from Summer 2009, MATH V01, V01E, V11B or V30 satisfies the math competency requirement for the AA/AS degree)

Students may prepare for transfer level mathematics classes by completing the following courses:

(Courses shaded in grey will not be offered at Ventura College during the 2014-2015 academic year.

(For math courses below MATH V09 beginning mathematics, see the Learning Skills section of the catalog.)

Transferable Mathematics Courses

All transferable mathematics courses have prerequisites. Students cannot enroll in transferable courses unless they earn a C or better in the prerequisite course. The mathematics department also accepts other options for placement into transfer-level coursework. The math department/assessment office have materials available for students to take a diagnostic test and review before and after assessment.

Each university and major requires different mathematics preparation; students should consult with a counselor to ensure they select the transferable course(s) that will best prepare them for the program to which they wish to transfer. Consult ASSIST.org for a list of major preparation courses to the CSU or UC campuses.

Courses shaded in grey will not be offered at Ventura College during the 2014-2015 academic year.
