2025 Program Review **Facilities** Requests

Unit	Resource Request Title	Description of Resource Request	Est Cost	New/ Repl	Priority			
					Prog	Div	Comm	ET
Athletics/Kinesiology	A/K2506	Renovation of the hammer throw, javelin and shot areas of the West Field.	200000	Repl	6	3	8	COMPLETE 09/08/2026
Executive Team	EXT2106	HVAC Upgrades in Campus Center	\$100,000	New	3			APPROVED 8/17/2026
Life Sciences	LIF2601	Request for Instructor Bench Modification in SCI 311 Microbiology Lab	\$ 26,000	New	2	2 (tie)	3	APPROVED 8/17/2026
Athletics/Kinesiology	A/K2504	HVAC for Athletic Training Room and Office Renovation	150000	New	4	2	5	APPROVED 8/24/2026
Executive Team	EXT2105	HVAC System in Guthrie Hall	\$100,000	New	2		6	APPROVED 8/17/2026
Automotive/Diesel	AUT2501	Add a roll up door to APP-8 large enough to fit a vehicle through and repaint interior of the classroom	18,000	New	2		9	APPROVED 8/17/2026
Life Sciences	LIF2502	Smart classroom lectern (podium) in the front of the class in SCI-316 for computer in SCI 316	\$ 26,000	New	4	4	10	APPROVED 8/31/2026
Tutoring Center	TUT2501	Three Soundproof Pods for One-On-One Tutoring - \$29K each	87,000	New	2	2	11	APPROVED FOR 1 POD 8/17/2026
Chemistry	CHE2503	Third floor (CHEM) offices portable ACs/fans The FT CHEM faculty have their offices in the third floor of the Sciences building, SCI-320 to SCI-334. These spaces do not have climate control or AC and, due to their eastern-facing windows, fluctuate greatly in temperature throughout the year--too hot or too cold with no way of making the spaces more bearable. When holding office hours, students aren't able to meet their professors in smaller, one-on-one groups due to the office spaces being uninhabitable, creating unintentional barriers to students that need more individualized support from their instructors. The department is requesting portable AC units for each of the seven FT CHEM faculty's offices and/or ceiling fans permanently installed in these offices to provide climate control.	\$ 10,000	New	3	2 (tie)	12	APPROVED 8/31/2026

2025 Program Review **Facilities** Requests

Unit	Resource Request Title	Description of Resource Request	Est Cost	New/ Repl	Priority			
					Prog	Div	Comm	ET
Automotive/Diesel	AUT2502	Replace outdated and broken roll-up doors that allow access to the outside lab area.	150,000	Repl	3			APPROVED 8/17/2026
Chemistry	CHE2501	SCI-222/SCI-221 Room Refresh Many of the department's lecture sections meet in SCI-222 and SCI-221, lecture halls that are badly in need of updating and improving in terms of space, environment, equipment, and technology. Neither of the fume hoods work in either lecture hall, limiting the demonstrations that instructors can conduct to bring home concepts and help students better visualize ideas due to the lack of proper ventilation and places for chemical storage. The front instructor desk spaces are missing covers, some of which have been replaced with pieces that don't fit properly, which prevent use as tabletop surfaces. The rolling whiteboards are not easy to see from all parts of the room for students. Accessibility in the space is limited. Updated technology, like smart boards, new wall paint, and other updates to this space would greatly enhance the learning environment.	\$ 50,000	New	2	1	3	UP TO \$100,000 APPROVED 8/17/2026
Testing Center	TES2502	HVAC Installation in the Testing Center Reception Room and Expanded Exam Room ELC-3		New	2	1	1	DEFER ACTION 9/8/2026
Testing Center	TES2503	Installation of Hydration Station in the Testing Center Reception Room		New	3	3	7	DEFER ACTION 9/8/2026
