

## TWO YEAR TO CAREER **ACCOUNTING** FIND YOUR PATH.

### PROGRAM DESCRIPTION

The Accounting Program enables students to demonstrate an understanding of basic accounting principles and procedures, as well as the role of accounting and bookkeeping within various business organizations. They will be able to analyze, process, and report financial information with established manual and computerized protocols.

This page contains a calculator and pen icon and five small photos depicting people working in an accounting office setting. There is a QR code on the bottom left and the Ventura College logo on the bottom right.
