Introduction

The 2017-2020 Strategic Implementation Plan identifies the specific strategies that the college will undertake to meet the goals identified in the 2017-2023 Educational Master Plan. For each goal of the Master Plan, strategies and action steps have been developed. Each year, this plan will be updated to include progress that has been made towards each strategy and action step. Thus, the 2017-2020 Strategic Implementation Plan is a living document which will be regularly updated and evaluated.

Process for Developing the Plan
Over the course of the 2016-2017 academic year, VC developed its 2017-2023 Educational Master Plan. This plan was implemented on July 1, 2017, and describes the long-term goals for the college. The next step was then to develop a Strategic Implementation plan to describe the strategies that VC will undertake to meet these goals. On September 27, 2017 the College Planning Committee approved a timeline for developing the 2017-2020 Strategic Implementation Plan. A Strategic Plan taskforce was also convened at that meeting and was tasked with developing a first draft of the plan. This taskforce included the following people:

- Eric Martinsen – English Department Chair
- Jeanine Day – Fiscal Services Supervisor
- Lydia Morales – Academic Senate President
- Phillip Briggs – Dean of Institutional Equity and Effectiveness

On September 29, 2017, VC held a campus-wide retreat at the Ventura Four Points Sheraton. Retreat attendees broke into groups and discussed and developed strategies for each of the five goals of the 2017-2023 Educational Master Plan. The Strategic Plan taskforce took this feedback and integrated it with strategies that were already under development in order to create the first draft of the plan.

To gain widespread feedback and input on the plan, the first draft was shared with the College Planning Committee on October 25, 2017. It was shared with the Classified Senate on November 2, 2017, the Associated Students for Ventura College on November 14, 2017, and the Academic Senate on November 16, 2017. Feedback from these groups was incorporated into the plan, and an updated draft was emailed to the entire campus on January 16, 2018, along with a link to an online survey for providing feedback. First readings of the plan were held in the Classified Senate on February 1, 2018, the Associated Students of Ventura College on March 13, 2018, the Academic Senate on March 1, 2018, and the College Planning Committee on March 22, 2018. The plan was approved in the Classified Senate on March 1, 2018, the Academic Senate on March 15, 2018, and the Associated Students of Ventura College on April 17, 2018. The plan was then approved by the College President on April 24, 2018.
We certify that there was broad participation by the campus community in the development of the 2017-2020 Strategic Implementation Plan, and that the constituencies we represent support the goals and objectives contained within the plan.

Mission, Vision, Guiding Principles

Ventura College Mission
At Ventura College, we transform students’ lives, develop human potential, create an informed citizenry, and serve as the educational and cultural heart of our community. Placing students at the center of their learning experience, we serve a highly diverse student body by providing innovative instruction and student support, focusing on associate degree and certificate completion, transfer, workforce preparation, and basic skills. We are committed to the sustainable continuous improvement of our college and its services.

Ventura College Vision
Ventura College will be a beacon of learning—a source of inspiration and guidance—for our students and community.

Ventura College Guiding Principles
At Ventura College we believe that students come first and all else follows. We strive to create a campus environment that fosters collaboration, communication, and mutual respect. We are committed to these Guiding Principles in all that we do:

- Embrace the strength of diversity.
- Listen with intensity and compassion.
- Communicate with integrity and patience.
- Design student-centered solutions.
- Spark self-confidence and a sense of discovery.
- Pursue our vision and goals with passion
Goal 1: Increase the success of our students while closing equity gaps.

Objective 1: Increase the six-year completion rate to be within the top five in the state.

**Glossary of Terms**

**BSSOT** – Basic Skills Student Outcomes and Transformation Program – State-awarded program in which 64 colleges were awarded $89M to improve the progression rate of students needing basic skills instruction into college-level instruction by implementing or expanding innovations and redesign in the areas of assessment, student services, and instruction.

**College and Career Pathway (CCAP)** – dual enrollment courses offered at high schools which are designed to accelerate student success at the community college level. High school students are able to enroll in up to 15 units of college coursework without paying any fees for the classes.

**DE** – Distance Education.

**Faculty Obligation Number (FON)** – state-calculated number of full-time faculty that colleges are required to hire each year. This number is based on annual FTES growth.

**FTEF** – Full-Time Equivalent Faculty – instructor load.

**FTES** - Full-Time Equivalent Students – enrollment calculation that determines the amount of funding that colleges receive from the state.

**Productivity** – WSCH/FTEF – ratio of FTES to FTEF. This ratio is a measure of instructional efficiency.

**Six Success Factors** – factors related to student success that were developed out of research by the California Research and Planning Group. The six factors are Connected, Directed, Focused, Engaged, Nurtured, and Valued.
