

Our Mission (Adopted 3/2014)

At Ventura College, we transform students' lives, develop human potential, create an informed citizenry, and serve as the educational and cultural heart of our community. Placing students at the center of their learning experience, we serve a highly diverse student body by providing innovative instruction and student support, focusing on associate degree and certificate completion, transfer, workforce preparation, and basic skills. We are committed to the sustainable continuous improvement of our college and its services.

Advisory Group Charge

The Technology Advisory Group monitors compliance with Accreditation Standard IIIC and provides coordination for the periodic revision for the campus Technology Plan. The Technology Advisory Group is charged with developing and recommending the long-term campus technology plan based on college program review data and the District Technology Plan. It reports and makes recommendations to the Vice President of Business Services and the Budget and Resource Council (BRC). In addition, the Advisory Group reviews the plan annually, makes recommendations for revisions as needed, ranks priority of technology spending based on program review data, and serves as a forum for discussing campus technology issues.

Goals 2015-2016

- 1) Research and develop a digital inventory solution for campus office PC's.
- 2) Develop a transition plan from VHS media to DVD.
- 3) Guide the creation of the 2016-2019 technology master plan for VC.
- 4) Prepare for and assist the 2016 accreditation visit.
- 5) Identify and research emerging technology trends in the education sector.
- 6) Verify pricing and feasibility of all approved program review initiatives.
