Enrollment Verifications – National Student Clearinghouse

Students need to verify their enrollment for a variety of reasons. There is an electronic verification available to students through their MyVCCCD portal they should be directed to.

To access this free verification, students will log into their MyVCCCD portal and click on the Register/Pay tab.

The screenshot shows the MyVCCCD MyCollege portal. At the top left is the MyVCCCD logo with the tagline "get motivated". Below the logo is the "MyCollege" title. A navigation bar contains four tabs: "MyCollege", "MySuccess", "Register / Pay" (highlighted in yellow), and "Financial Aid".

The main content area is divided into three sections:

- Personal Alerts:** Features a sub-section for "Announcements" with a dropdown menu set to "All". Below it, a message states "You currently have no announcements." and a checkbox for "Show Hidden".
- Email:** Includes a navigation bar with "Open Mail", "Compose", "Contacts", and "Get Mail" buttons. Below this is an "Inbox (0)" section with a message: "Unable to contact remote mail server. Try again later. If problem persists, please contact Luminis Administrator."
- My Student Records:** Contains a list of links: "Final Grades", "Unofficial Academic Transcript", "DegreeWorks", "Update College, Program and Goal", and "Update Address(es) and Phone(s)". A blue button labeled "Order Transcripts" is positioned to the right of the first three links.

If their enrollment information has been automatically submitted to a loan provider, the student does not need to do anything else.

If the student's enrollment has not been verified here, they will bring their loan deferment paperwork to Admissions & Records. Each loan provided has their own deferment form, which the student must access through their individual lender.

Students need a GPA verified will still need to visit Admissions & Records for this verification.
