5. Institute for Evidence-Based Change (IEBC) – Caring Campus	<p>IEBC Caring Campus Readiness Assessment Form 2.21.20</p> <p>O. Long shared that the impetus to participate stemmed from an information session she and Felicia Torres attended at the June 2019 Classified Leadership Institute hosted by the California Community Colleges Classified Senate (4CS). At that point in time, they put their names down on an interest list to be contacted for further information. IEBC reached out recently and informed them that the program was opening up for the next cohorts and if our institution was still interested. They responded in the affirmative. The next step was a call from IEBC to our campus President (Dr. Hoffmans). After the call, we were instructed to complete and submit the IEBC Caring Campus Readiness Assessment Form. An email was received by the President’s office on Monday, February 24th stating that Ventura College has been selected to join the second cohort of colleges participating in the Caring Campus initiative. (link to email)</p> <p>O. Long passed out hard copies of the email and email attachments. There were two pressing action items within the email: (1) Identify a Caring Campus Liaison (2) Complete the Caring Campus Kickoff Administration and Leadership Designation Form.</p> <p>O. Long nominated Matthew Moore to fill the role of Caring Campus Liaison. He accepted. The committee consensus was in support of M. Moore filling the role.</p> <p>O. Long reviewed the form and noted that S. Szczebiot in conjunction with Dr. Hoffmans had begun to complete.</p>	Handout (email)
6. New Classified Professionals Orientation	O. Long noted that prior to the formation of this committee, New Classified Professionals Orientation was facilitated by Classified Senate (CS). At this point in time, would it be more appropriate for the Classified Professional Development Committee (CPDC) to facilitate orientation? The consensus of the committee was in favor of transitioning orientation from CS to CPDC. O. Long also noted that it has been requested by Dr. Hoffmans to hold orientation at least twice a year (spring and fall.) E. Askar and A. Olsen-Pacheco volunteered to serve on an orientation sub/work group.	
7. Plan for PD Event Plan To-Do	<p>Upcoming dates in chronological order:</p> <ul style="list-style-type: none"> • Professional Development days as noted on Instructional Calendar: Thursday, March 19th and Friday, March 20th ➤ ADD (2) 30 min. sessions “EMS Refresher” w/Kelly Denton & Sue Royer 	ALL – ideas for PD Days/guest speakers, etc.

	<p>O. Long shared that after the discussion in regards to lunch at the last CPDC meeting (Wed., Feb. 12th) she sent an email to Dr. Hoffmans regarding the idea of a tabletop exercise to facilitate bridge building between classified professionals and faculty. The response to the email was an invitation to an executive team meeting to discuss the idea. The day after the last CPDC meeting (Thursday, February 13th) there was a Classified Senate meeting wherein classified professionals shared, and consensus was, that it was favored to have a lunch with attendance limited to classified professionals. O. Long shared that she, Felicia Torres, and Matthew Moore attended the Monday, Feb. 24th executive team meeting to convey the viewpoint related to lunch and lack of collegiality felt by classified professionals. The executive team was in support of classified professionals having their own lunch. The committee reviewed the draft flyer sent out with the agenda. A. Fredell volunteered to finalize the flyer and ensure ADA compliance.</p> <p>E. Askar suggested that in addition to sending out the flyer, we should extend a personal invite to a colleague to encourage attendance.</p> <p>A brief discussion regarding lunch ensued. After several different suggestions, the consensus was Meridians.</p> <ul style="list-style-type: none"> • Diversity in Culture Festival: Wednesday, March 25th and Thursday, March 26th A. Fredell provided an update that help is still needed to make this festival a success. The planning group will be meeting every Thursday from 2:30 to 3:30 pm in MCE 226 up until the event. • 11th Annual Holistic Health Festival: Tuesday, March 31st @ 9 am – 2 pm • Earth Day 2020 Tentative Monday, April 20th (link is to 2019 event) 	
<p>8. Report: Professional Development Coordination Council (PDCC)</p>	<p>F. Torres noted that she provided a summary of CPDC work to the PDCC including the consensus regarding lunch on Thursday, March 19th. M. Moore noted that he was very proud of F. Torres.</p>	
<p>9. Report: Districtwide Classified Professional Development Committee (DW-CPDC)</p>	<p>Training and Tours</p> <p>Due to time, this agenda item was briefly touched on. It was stated that in the past there was a districtwide retreat with all classified and that it would be nice to have something like that again.</p>
