

# EMERGENCY MEDICAL TECHNOLOGY

## EMERGENCY MEDICAL TECHNOLOGY

**Sit for Certification National Registry of  
Emergency Medical Technicians**

EMT Recertification

**8.5 Units**

2.0 Units

This course is approved by the California State Department of Emergency Medical Services. Upon completion of both the written and practical examinations with a grade of B or better, the student will be eligible to sit for the certifying examination administered by the National Registry of Emergency Medical Technicians. Completion of the EMT program enables students to function within the Emergency Medical Technician scope of practice to apply scientific knowledge and skills to provide emergency medical care.

JOB TITLE	AVERAGE SALARY	PROJECTED JOBS	PROJECTED GROWTH
-----------	----------------	----------------	------------------

<b>Emergency Medical Technician</b>	<b>\$15.04/hr.-\$31,270</b>	<b>120,600</b>	<b>22%</b>
