VENTURA
COLLEGE
SET YOUR COURSE

INTRODUCTION

Dear Classified Staff Member:

This handbook provides an overview of college and district procedures, policies, and regulations. In addition, a review of the services and resources that are available to assist you is also included.

This handbook does not take the place of the collective bargaining agreement between the District and the Service Employees International Union (SEIU Local 99, AFL-CIO). Please review the collective bargaining agreement for the contract language related to rights and benefits, work assignments, leaves of absence, salary, evaluation procedures, transfers and other aspects of general working conditions.

Thank you for all that you do to support the success of our students. Please know that you are welcome to stop by any time to visit. I also encourage you to share your ideas on how we can be a more effective "Beacon of Learning" for our students and community.

Sincerely,

A handwritten signature in black ink that reads "Greg Gillespie". The signature is written in a cursive, flowing style.

“Housekeeping Issues”

District Vehicle Use

Only district employees are allowed to operate a district-owned vehicle.

Reservations are on a first come, first served basis. Athletic reservations are handled by the Athletics, Health and Kinesiology Division. Business Services handles all other campus reservations. To reserve a vehicle, call Eloisa Limon at ext. 6462 or email her at elimon@vcccd.edu. If Eloisa Limon is not available you can contact Maureen Jacobs at ext. 6354 or email her at mjacobs@vcccd.edu. You will be given a Vehicle Request form to complete. If you are using the vehicle for a field trip, field trip forms must be completed and submitted to your division office two weeks before vehicle use.

To pick up the vehicle, call Eloisa Limon at extension 6462. You will be issued keys and a credit card that may be used for vehicle expenses only. Vehicles are parked at the V Lot, where you may leave your personal vehicle while you are using the van.

When you return the vehicle, please pick up the trash and lock the doors. Return the keys, credit card, and charge slips (gas receipts) to Eloisa Limon. Do not lock keys and/or credit card in the van.

Emergency Mass Notification Alert System

The Emergency Mass Notification Alert System is a system used to convey emergency messages via text (SMS), email, and voice mail to employees and students who register. You are strongly encouraged to register through the MyVCCCD Web Portal. The system will ask for two contact phone numbers: a cell number and a personal landline number. When an emergency is identified, you will receive a text message and a voice message providing information about the nature of the incident. You will be asked to acknowledge receipt of the message (either by pressing a number or sending a reply text).

If you have registered for the emergency notification service, in the event of an emergency or campus closure, you will be notified immediately and receive further instructions, if necessary.

Emergency Alert information is completely confidential, and will not be used for any purpose other than to alert an employee of a problem or emergency on campus. No one will ever receive "spam" or unwanted messages, other than a yearly test of the system.

The District is committed to the safety and well-being of all of its students, staff and faculty and offers this method of communication in conjunction with other aspects of the Safety Program, such as sirens and alarms that will be installed in the near future.

The Chief of Police for the Ventura County Community College District strongly encourages all students, staff and faculty to participate in this program to help maintain their safety.

Emergency Procedures

All emergencies or accidents need to be reported first to the Campus Police Department, then to the manager on duty. **In the evening the manager can be located in the Administration Building and can**

be reached by calling ext. 6483. When reporting an emergency, be brief and specific when giving information about the emergency you are reporting. Let them know the nature of the emergency and the location so that immediate and appropriate assistance can be provided.

For medical emergencies, call the **Campus Police** at **289-6486**. The Campus Police can provide assistance on the scene and also direct the paramedic truck to the actual location on the campus. Campus Police vehicles are equipped with an automated external defibrillator (AED) that can become a life-saving device in response to a cardiac arrest when seconds are critical. If Campus Police cannot be reached:

- **Dial 911** (Ventura Police/Fire) from campus phones *or*
- **From blue phones in the parking lots, press the button and the dispatch center will answer through the speaker, or**
- **Dial 911** from cell phones, pay phones or off campus phones, *or*
- **Dial 0** for the Campus switchboard and the operator will call for you

In the event that the Campus Police Office is temporarily unoccupied and locked, you may contact the police by using the emergency phone encased in the red “Emergency” box that has been installed just outside the Police Office. The phones require no dialing. Picking up the phone will connect you directly with the police dispatcher, who will be able to immediately contact an officer via radio.

If a student becomes ill or injured during class time, call the Student Health Center (ext. 6346) for assistance. If the Health Center is closed, call the Campus Police. All student accidents must be documented on the **Report of Personal (Non-Employee) Accident** form https://www.vccd.edu/sites/default/files/imported/assets/pdf/risk_management/rm_intra_report_of_personal_accident.pdf and sent with the student to the Health Center or put in the Student Health Center mailbox. This form documents the incident for Risk Management and verifies that the accident occurred on campus. The forms are available at the Student Health Center, the Evening Office and in each department. The original and yellow copy of the form must be given to the Health Center for processing.

A copy of Ventura College’s Emergency Plan is available in Division Offices. The purpose of the Plan is to delineate staff responsibilities, emergency procedures, campus resources and the college’s relationship to the rest of the community during an emergency. The College President is the incident commander with the authority, in conjunction with the District Chancellor, to declare an emergency.

A copy of the Campus Emergency Map is inside the Emergency Procedures Packet and online. The map shows locations of all campus evacuation areas. <http://www.venturacollege.edu/departments/student-services/student-health-center/emergency-map>

Keys

Keys to college facilities are issued to Ventura College employees only. Request your keys through your Division Office. The unauthorized duplication or unauthorized possession of keys to college property is a misdemeanor and is prohibited by Section 469 of the California State Penal Code. When employment is terminated or key use is otherwise unauthorized, the key must be returned to the division’s administrative assistant.

Mileage

Should there be no college vehicle available, or if for other reasons you are required to use your own car for approved college business, the district will reimburse you at the federally-approved mileage rate. In order to receive this repayment it is necessary to file a **Mileage Reimbursement Claim Form** or a **Travel Request Form** with your Division Dean.

MyVCCCD Portal

You may access the MyVCCCD portal at <http://my.vcccd.edu> or from the Ventura college website. This is the district-wide portal used for accessing your college e-mail and other employee information. Parking regulations are strictly enforced under the vehicle code.

Visitor parking passes are available at the Campus Police Office or at the President's Office.

Day parking passes, available for \$2.00, can be purchased from bright yellow machines located in the West, East, and North parking lots.

Photocopying

Canon Business Solutions is located in the Administration building. You may make your own work- related copies at the self-service photocopy machines or leave your materials for the Canon staff to run. Children are not allowed in the classroom or in the worksite, and may not be left unattended in any campus facility. Also in accordance with Board Policy 3504, children may not be present at an employee's worksite. This does not preclude short visits when the child is accompanied by an adult.

The Ventura County Community College District is committed to maintaining a learning and working environment that is free from sexual harassment. Any suggestions or implications of a sexual nature and any conduct that is demeaning to another's gender, including behavioral, verbal, symbolic, electronic, or pictorial gestures that make others uncomfortable, are considered unacceptable. Signature Authority

All contracts, agreements, leases, proposals, price quotes/estimates, and memorandums of understanding (MOUs) must be reviewed, approved and signed by a District Administrative Center (DAC) manager. No managers, faculty or staff outside the District Office may sign any such agreements. All contracts, agreements, etc., should be sent through channels to the attention of Terry Cobos (DAC Director of General Services) for review, approval, and possible Board action. You need to allow for an appropriate amount of time for this routing, review, and DAC manager approval.

Per Board Policy, the authorization to make purchases or to contract for services is vested in the Governing Board and no employee of the District, except as designated, may obligate the District for any expenditure of funds without prior approval. The purchase of goods or contracting for services requires the issuance of an approved District purchase order prior to items being ordered or the start of services. Any obligation contracted without appropriate prior approval may become a personal expense of the employee.

Smoking is permitted only in main campus parking lots (N, E, S, W, and SW lots) and in designated areas in other lots (A, M&O and DRC lots).
