Subject Description: The Evelyn and Howard Boroughs Library's mission is to provide equity in access to library collections, services, and resources to Ventura College students, faculty and staff, regardless of their location or educational modality. Our academic library encourages intellectual curiosity and serves as a reliable source for education, formation, and research. Further, the Library supports the growth and development of information interdependency through continuous self-assessment and improvement of services and resources. By partnering with faculty, the Library builds information competency skills and co-creates high quality educational experiences. The Library functions as a study area and resource laboratory for classes developing term papers, preparing speeches, and completing other classroom assignments.
