

**Three-Year Comprehensive Program Review Cycle**

In 2017-2018, VC will be moving to a three-year staggered program review cycle. Programs will complete a comprehensive review in year one of the cycle, followed by annual updates in years two and three. Comprehensive reviews for instructional and service programs will be staggered across 2017, 2018, and 2019. All divisions and administrative services will complete a comprehensive review in 2017.
