2017-2018 SLO/SUO Cycle

CLOSING THE LOOP
Review, Reflect, Reset!!

2017-2018
SLO/SUO FACILITATORS

Andrea Horigan

Professor of Sociology

Nathan Cole

Associate Professor of Theatre Arts

BEFORE WE BEGIN

THE GOOD NEWS IS . . .

WHERE WE'VE BEEN

WHERE WE ARE
SUPPOSED TO BE NOW

All academic departments and service areas **completely finished** with assessment and all findings recorded in TracDat with all loops associated with initiatives that received funding **closed**

WHAT THIS MEANS FOR ACADEMIC PROGRAMS

- One finding recorded in TracDat for **each CSLO** in all courses in the discipline

- One finding recorded in TracDat for **each ISLO's** in all courses in the discipline

- Loops **closed for the majority of initiatives**, specifically those associated with funding received through the program review process

WHAT THIS MEANS FOR SERVICE AREAS

- One finding for each SUO associated with the program

- Loops **closed for the majority of initiatives**, specifically those associated with funding received through the program review process

HOW WE ARE REALLY DOING

ACADEMIC PROGRAMS
number of courses WITHOUT 100% assessment

NO SLO/SUO NO DOUGH

Programs and areas not in compliance received emails mid July from **Phillip Briggs** listing tasks needed for removal from the **No SLO NO DOUGH** list

TO BE REMOVED

FOLLOW ALL INSTRUCTIONS WITHIN THE EMAIL

DEADLINE IS AUGUST 11

AUGUST 14 at 9:00 AM

2017-2018 is Closing the Loop
REVIEW, REFLECT, RESET!!

MY EMOTIONS

IMPORTANT

Before disciplines or service areas may begin this year's activities, they must first play "catch-up" on all assessment activities from the previous cycle.

STAGE ONE

REVIEW
&
REFLECT

September through November

STAGE ONE: **REVIEW & REFLECT**

TIMELINE: September to October

- A packet for each program and service area will be provided to department chairs and coordinators by the beginning of September

- **FACULTY** will review each CSLO within all courses and PSLO within the program for measurability, appropriateness and determine revisions if necessary.

- **SERVICE AREA PERSONNEL** will review each SUO within the program for measurability, appropriateness and determine revisions if necessary

NOTE: Revisions may include rewrites of student leaning outcomes or changing the rubric, tools, and/or standards.

STAGE ONE: **REVIEW & REFLECT**

TIMELINE: October & November

- A form will be completed documenting the necessary actions to be taken by the discipline/program or service area

- Packets must be submitted to department chairs by mid October, signed by the dean and returned to SLOAG

- SLOAG will review all forms and SLO's/SUO's/PSLO's and return to departments and service areas with suggestions for change where appropriate

- Department chairs and coordinators must sign and return with a plan of action

IMPORTANT

- **All changes must go through the curriculum process!!**

- You **may not change SLO's in TracDat** until revisions are approved by Curriculum Committee.

New courses offered for the first time in Fall 2017

will be assessed in the 2018 five-year cycle.

New courses offered BEFORE FALL 2017

must complete all assessment before setting new cycle

STAGE TWO

Update TracDat

End of January through Mid February

STAGE TWO: UPDATE TRACDAT
TIMELINE: End of January to mid February

- Archive outdated CSLO's/SUO's and rubrics in TracDat.

- Input and upload new revised CSLO's/SUO's and rubrics into TracDat

- Department chairs will meet for Data Day so we may assist getting new and revised SLO's/SUO's into Curricunet

- We will request the Curriculum Team review all new/revised SLO's in one block and approve at one time in Spring

STAGE THREE: RESET
TIMELINE: February through end of March

- Set new five-year cycle in TracDat (2018 to 2023)

- Departments and service areas discuss methods to identify and document SLO/SUO discussions

- Each department and service area will discuss how to assess in a unified way.

- Create rubrics and identify a common assessment tool for each CSLO/SUO

OUR ROLES
AS
FACILITATORS

OUR SUPPORT

- We will hold office hours two Wednesdays per month from 11:30 a.m. to 1:30 p.m. **LOCATION TBA.**

- We will hold workshops once a month to enable you to reach your assessment goals

THIS IS YEAR SEVEN

- The Student Learning Outcomes Advisory Group (SLOAG) continues to provide **training on assessment and inputting data**

- Although we support your journey through assessment, our commitment as facilitators makes it **impossible for us to input your data**.

- Many of you are **five year veterans** of the process and now it's time to take wings and soar . . . . Anyway you can.
