D. Newcomb, and P. Sezzi (co-chair)

POLICY AND PROCESS DISCUSSION:

1. Technical Review Process

P. Jefferson provided a synopsis of input received. He also noted the possibility of pursuing noncredit courses. The process discussed included adding another person in the role of Technical Review to work with and have the same release time as the current Technical Review Chair, Michael Bowen. The course outlines could be divided by section and dispersed so that curriculum members would be responsible to review certain section(s). P. Jefferson stated that he would with his colleagues to draft a revised technical review process and also to recruit the additional person.

P. Sezzi noted that training would be mandatory for the 2015-16 Curriculum Committee members. At issue was the conflict regarding mandatory training during fall flex week due to the members not being ratified until flex week. N. Fredrickson made a motion to conduct the mandatory training at the first Curriculum Committee meeting in fall 2015, A. Gonzales seconded that motion. It was noted that training during flex in January would be for new members and serve as a refresher for current members.

2. <u>Curriculum Committee Subcommittees</u> Membership

a. Philosophy and General Education

Members were selected as follows: G. Arevalo, S. Bricker, N. Fredrickson, A. Gaines, A. Gonzales, A. Kolesnik, D. Newcomb, and P. Sezzi. A meeting was scheduled for Tuesday, October 7th at 3:30 p.m. in MCW 312.

P. Sezzi noted that the committee is lacking two representatives from the Communications and Learning Resources division.

- **b.** Curriculum Technical Review & Prerequisites No discussion.
- c. Distance Education Curriculum Review No discussion.

<u>ACCJC Standard II</u>: Student Learning Programs and Support Services/ A. Instructional Programs/ Items 3 (SLO in COR and syllabus) and 6 (schedule courses)

P. Jefferson noted that the initial input of SLOs into CORs in CurricUNET would be assigned to his colleagues as a one-time project to be coordinated by his assistant Linda Resendiz. He noted that he would provide the committee updates on the project as it progresses. After the initial data input is complete, it would then be the responsibility of faculty to update their SLOs in all applicable systems when necessary. It was noted that a new "SLO update only" process within CurricUNET is being developed.

Subject: Associate Degree for Transfer (ADT) Chancellor's Office Templates

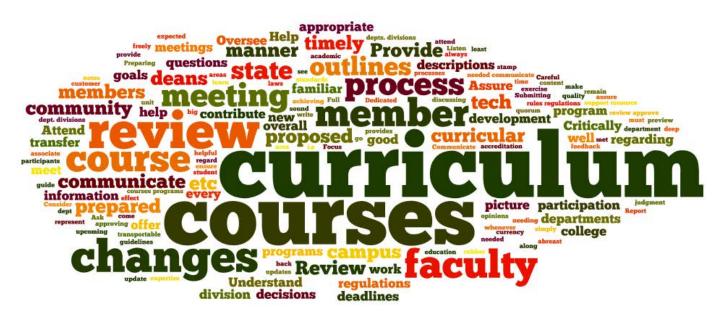

Colleagues,

As you know, a number of Associate Degree for Transfer (ADT) Chancellor's Office Templates were expected to be made available on September 1, 2014. As that deadline was missed, the System Advisory Committee on Curriculum (SACC) proposed that those templates not be released until February 1. Yesterday, the members of the Intersegmental Curriculum Workgroup (ICW) determined that the three agriculture templates that were posted earlier this week should remain available and be dated October 1, 2014. All other templates that were anticipated on September 1 will be made available on February 1, and efforts will be made to ensure that such delays do not occur in the future.

If you have any questions or concerns regarding this determination, please send them to <u>info@asccc.org</u> for routing to the appropriate party.

Regards,

Julie Bruno Chair, Intersegmental Curriculum Workgroup Vice President, Academic Senate for California Community Colleges President, The Academic Senate Foundation for California Community Colleges Professor of Communication Studies, Sierra College
