II.   ADOPTION OF THE PROPOSED AGENDA (Discussion/Action)

M. Bowen called for a motion to approve the agenda.

Motion by: A. Bittl
Seconded by: S. Corbett
Discussion: none
Final resolution: Agenda was approved
Yes: A. Bittl, M. Bowen, C. Branciforte, S. Corbett, T. Dalton, J. Guelcher,
                    E. Irwin, A. Kolesnik, D. Newcomb, R. Petitfils, E. Rearick, P. Yi

Note: N. Fredrickson and L. Wintermeyer not present for this vote

III.   GENERAL ANNOUNCEMENTS, INTRODUCTIONS, AND PUBLIC COMMENTS (Information)[1]

Introductions: Tom Dalton introduced Mario Rivera – Counselor at EAC. Mario will be joining the Curriculum Committee (replacing Tom) next year.

Nancy Fredrickson: Reminder that the Holistic Health Fair is tomorrow. Stop by!

Arlene Reed: Regarding the new program approvals - When are they effective?
Effective from the catalog in which they appeared as approved by the State.

A.   Deadline to submit courses for 2018/2019 Catalog – May 1, 2017
May 1st is coming – 28 days away from deadline for Fall 2108 catalog. This also includes distance education additions/changes. Please check Priority One list and submit by May 1st!

B.   Tech Review for next year
Since we have not had a volunteer to be the next Technical Review Chair, we don't have a procedure for tech review unless we all participate in the process. If we don't get a volunteer, we have to make this a permanent part of our process. If committee members think that is too much work, we need to come up with a solution.
Suggestion: Send notice out to campus asking if anyone is interested.

C.   SLOs and Old Courses (M. Bowen/D. Newcomb)
ACCJC now saying that when you calculate number of courses, we have to divide by the number of courses in the catalog.
Consider undertaking review of the courses without recent offerings and recent SLO evaluations and decide whether or not they will be offered.

Internships and V89s/90s don't appear to be an issue. Reviewers do not have to be concerned about new courses in regards to this issue either.

---

[1] Five minutes is allotted to any member of the public who wishes to address the curriculum committee, with a maximum of twenty minutes per topic aggregated for all speakers, unless extended by vote of the committee. At the request of any speaker proposing to address a specific agenda item, the committee may also vote to permit that speaker's comments to be deferred until the meeting progresses to that topic.

If you want to delete a course, you don't need to respond to the email from Debbie. Just go into CurricUNET to delete the course. It will go through the Curriculum Committee process.

If we have a letter from the Department Dean for Spring 2018 or Fall 2018, we can keep the course.

Group consensus: Come to decision on each of the courses (should they be deleted or not) on the list by October 1, 2017. Include memo from Department Chair regarding course deletion (as usual). Send to Michael Bowen, Ryan Petitfils (or replacement) and Sarah Ayala.

It is important to have an accurate catalog. This year, changes were not made in time and some programs in catalog will not match courses.
Recommendation for next year: Not approving courses until affected programs have been revised in CurricUNET. Ryan sent out the "revisions needed" list in January to responsible departments. The same list will be sent to the Counselors so they know about the discrepancies.

D. Professional Development College: Curriculum Development (http://asccc.org/pdc-online-courses)
For those feeling under-trained, Michael has discovered an online Curriculum Training course. If you are interested in learning more, visit the site.

Reminder that the Curriculum Committee will meet at 3pm in the Fall. If you have conflicts, or will not be on the committee in the Fall, please try to find your own replacement. Let your Dean know as well about the changes.

A. End of year committee evaluation
It's evaluation time. If you were on the committee last year, you may remember that Katie sent a Survey Monkey via email. Do we want to use the same evaluation as last year, or would anyone like to submit any alterations?
