A Resolution,
Concerning the Role of the Curriculum Committee with Respect to the Establishment and Evaluation of Student Learning Outcomes

Whereas, placing students at the center of the educational experience is a core component of the Ventura College mission statement; and

Whereas, Sections 53200 et seq. of Title 5 of the California Code of Regulations delegate to the Ventura College Academic Senate the responsibility for policy development and implementation of curriculum; and

Whereas, the Ventura College Academic Senate (as stipulated in Article IV, Section B of the Senate By-Laws) has further delegated authority over the review of curricular and programmatic submissions to the campus Curriculum Committee; and

Whereas, the 2014 Accreditation Standards published by Ventura College's regional accrediting body (ACCJC) include a requirement (Standard
II.A.3) to include CSLOs on its current and approved Course Outlines of Record (CORs); and
