III.   GENERAL ANNOUNCEMENTS, INTRODUCTIONS, AND PUBLIC COMMENTS (Information)[1]

A.   New Academic Year Introductions – M. Bowen
Michael Bowen started introductions around the table.
Michael was out for the first 2 weeks of the semester due to surgery. Back now assuming regular duties. Thanks to all for your support.

B.   ACCJC Approvals – K. Hoffmans
Discussion regarding the press release from Chancellor's office which stated that private colleges are now starting to accept ADTs. Let's continue the good work for our students!

Also, in June VC received news from our accrediting body that we are fully accredited. Our next visit will be in 2023.

As an FYI, when curriculum is approved at the State, if it is a certificate or associate degree, we have to send it to the ACCJC for approval.
The AS in Bookkeeping and COA Pre-Allied Heath COA were submitted and approved.
Things to keep in mind – 16 units is the lowest unit certificate that can qualify for Financial Aid. So if you are developing a certificate, it may be worth considering to make it be 16 units or higher.

M. Bowen called for a motion to approve Requisite proposals	
Motion by:	S. Corbett moved to approve all Requisite proposals at once
Seconded by:	C. Branciforte
Discussion:	A. Reed proposed a request that if a student can be successful in a course without a requisite, please don't attach them. It can create a barrier for the students. Suggestion given was to speak to faculty directly as the issues arise.
	P. Sezzi – Regarding CD V05, POLS V01SL – would like to recommend that the Faculty in the respective departments look at the Recommended Preparation requirement of ENGL V01B. It seems odd.
	Jennifer Parker (CD) agreed to get back to the Curriculum Committee regarding a decision for CD V05
	PSY V04 – do we still need the language of "one year of high school…"
	K. Hoffmans: Leave the high school information because we aren't doing much placement testing.
	In the discussion regarding placement testing and notating that, it was recommended for Math Department to come up with and implement common language addressing the assessment/multiple measures.
	ENGL V36A – In the pre-requisite, "eligibility" refers to placement.
	Discussion: Language is a little redundant. A student might not understand what that meant. Language is uneven throughout the department in regards to survey courses.
Final resolution:	S. Corbett amended his motion (see below)
Yes:	No vote taken on original motion
No/Abstain:	N/A

Motion by:	*S. Corbett moved to postpone requisite approval of CD V05, ENGL V36A and POLS V01SL until Departments respond to committee questions*
