Accepting a UC transfer admission offer:

Students accept an admission offer by agreeing to and meeting the provisions / conditions outlined in the offer and submitting their Statement of Intent to Register (SIR) with the SIR deposit to reserve their space at a campus. The SIR deposit is \$250. Some important things to keep in mind about accepting a UC admission offer:

1. **SIR Deadlines:** The SIR deadline for transfer applicants is June 1
2. For students who received an application fee waiver, the SIR deposit may be deferred until financial aid is

disbursed

3. The SIR deposit is nonrefundable and non-transferrable. You cannot submit a SIR to more than one UC campus. If you change your mind regarding which UC campus to attend prior to the SIR deadline or accept a wait-list offer from another UC campus, the original SIR deposit is not transferrable between UC campuses. The previous deposit is forfeited and a new deposit must be submitted.

4. Some UC campuses may require you to attend an Orientation. Orientation is valuable to your successful matriculation and can be a great opportunity to make new friends! You should review orientation options early to secure a date that best meets your schedule.

5. Students may be required to submit a Statement of Legal Residence (SLR). The SLR is used to determine your classification as a resident or non-resident for tuition purposes.

Instructions for withdrawing / cancelling a UC application:

[If you have decided to attend another university, please refer to this link for campus-specific instructions on how you can cancel / withdraw your UC application.](#)

My VC EOPS Success Story

"I've been wanting to talk to my friends at EOPS for a while now, *pero* life has been really busy. I've graduated from Humboldt (AAAHH)!!! I was freaking out a little more each day as I got closer to graduation. Senior year is no joke. I didn't realize how much writing I had to do as a Sociology major until this last school year. I had at least four papers each week, but I loved it! I'm currently working for HSU assisting first generation students to navigate through college. My caseload is about 35 students which seems like a lot but it is manageable. I'm learning more and more each day... It's such a rewarding job! My colleagues and supervisor are amazing! I'm also a College and Career Access Tutor which is a fancy way to say I'm a tutor (hahaha!). I'm placed in a middle school. This opportunity has helped me realize that I want to continue my career path in education. Oh, and the Humboldt County of Education just offered me a position! My plans are to stay in Humboldt for a few years. If I'm honest, I'm scared for life after graduation. I keep telling myself I will be fine so hopefully I will believe it soon. I do believe this: I wouldn't be here if it weren't for the amazing EOPS Program at Ventura College. I hope everyone at EOPS is doing great. My name is Elisa Severiano, and this is my VC EOPS Success Story."
