Introduction

Welcome to the May 20, 2016 Weekly Update from the Online Education Initiative!

These updates are intended to keep our pilot college single-points-of-contact (SPOCs) in the loop with the week-to-week developments of the OEI that impact your colleges.

Please remember that as SPOCs, we expect that you are disseminating information with colleagues at your institution, particularly your **Academic Senate, Vice Presidents, and Presidents**. This helps close the information gap between various statewide groups and makes sure that your college community is all on the same page.

Happy reading!

****For Faculty:**

COURSE REVIEWS/EXCHANGE PREPARATION

(SPOCS: Please share this with your Pilot Faculty)

Course Review Application Due Date: Monday, May 23

Monday is the deadline for submitting your application to get your course reviewed (or re-reviewed) in the next cycle.

NOTE for Full Launch Faculty: If you plan to offer your course in the fall 2016 pilot of the Course Exchange, then you need to have your course reviewed during this cycle. If you have not been told that you are aligned, then a re-review (or even a re-re-review) is needed. Your hard work and dedication to quality is recognized - **many of you are VERY close to alignment with the rubric.**

Course Design Retreat: Tuesday, July 12 - Wednesday, July 13

What: OEI Hands-On Course Design Retreat hosted by @ONE

When: Tuesday, July 12, 10am - Wednesday, July 13, 3pm, 2016

Where: Mount San Jacinto College (Temecula, CA)

Who: Any and All Pilot Faculty who want to get their courses Aligned to the Rubric and Exchange Ready!

The event is free to OEI faculty who will be reimbursed for travel and one night of accommodations. Please RSVP ASAP to Michelle Pilati at mpilati@cccconlineed.org

This two-day retreat will provide you with help to make your course "Exchange-Ready" for the fall. In addition to informational seminars, faculty will have an opportunity to obtain hands-on support from Instructional Designers, Peer Reviewers, and Accessibility Experts in one-on-one or group settings. This event is intended for all OEI faculty, including those who have achieved "Exchange-Ready" status and what to make their courses even better (and, perhaps, to do some sharing).

EVALUATION UPDATE

- The integrated Canvas surveys will be emailed out to faculty to send to their students in courses piloting OEI services on Monday, May 23rd. The link will be emailed to all faculty with sections that have ended or are ending. Please encourage faculty to send to their students even if the class has ended. The survey collects information about students' experience with Canvas, readiness, tutoring, and accessibility.
- A survey specifically for faculty will also be emailed by Friday, May 27th, to collect information about faculty's experiences with Canvas, readiness, tutoring, and accessibility.
- The OEI Processes Survey was deployed last week and so far we have 69 responses!

For questions about the evaluation, please contact Alyssa Nguyen, The RP Group at anguyen@rpgroup.org
