

HOW TO LINK YOUR VCCCD.EDU E-MAIL ADDRESS TO ANOTHER E-MAIL ADDRESS

The screenshot shows the MyVCCCD login page in a web browser. The browser's address bar displays <https://my.vcccd.edu/cp/home/displaylogin>. The page features the MyVCCCD logo with the tagline "get connected" and three circular institutional seals. A login form is centered on the page, containing fields for "Username" and "Password", a "Login" button, and links for "Forgot username?" and "Forgot password?". To the right of the login form are links for "Student Support" and "Faculty Support". A red callout box with a white border is positioned over the login form, containing the text "Login to your account at my.vcccd.edu". A red arrow points from the top-left corner of this box to the "Username" input field.

Email Password

Normally you will never need to change your student email password. You can check your email simply by clicking the email icon in the upper right-hand corner of the portal window.

However, in order to check your email via POP or IMAP, you may need to set this password. Enter a reasonably secure password in the fields to the left and click the "Submit" button. [Click here](#) for more information about checking email with other applications and mobile devices.

Enter the e-mail address you want your my.vcccd.edu e-mail to be forwarded to and click "save"
