Students receive an Associate in Science Degree with a major in Nursing upon completion of this program and become eligible to take the California state examination (NCLEX-RN) leading to licensure as a registered nurse (RN).

The Associate Degree Nursing program is approved by the CA Board of Registered Nursing (BRN) and received national accreditation from the Accreditation Commission for Education in Nursing, Inc. (formerly the National League of Nursing for Accreditation NLNAC). Accreditation by the ACEN is an independent choice by Ventura College and validates that the nursing program meets higher standards of nursing education.

NURSING PROGRAM (4 semester program) – NS V10, NS V20, NS V30, NS V40

***Please be aware that students with ANY MISDEMEANOR OR FELONY conviction within the past SEVEN YEARS will be denied placement at a clinical facility. A drug and alcohol screening will also be required before entry into the Nursing Program. Any positive result will be denied placement at a clinical facility. These will prevent entrance into the Ventura College Nursing Program.*

Highly Recommended Courses: NS V07, Math V35, Bus V27A, Pathophysiology (offered at Moorpark College NS M25)

Courses noted with an asterisk * can also be completed with a passing score of a 3, 4, or 5 on the required AP exam; or with the required passing score(s) on IB or CLEP exams.

Nursing Prerequisites (to apply)

No recency requirements for prerequisite courses

- ❖ Intermediate Algebra course or higher level
 - ❖ Math V35, or Math V44, or Psy V04 (recommended options)
- ❖ Chem V30 & 30Lab or V20 & 20Lab **Prereq: Math V01**
(or higher level) or *1 year high school chemistry with “C” or better
- ❖ Anat V01 **Rec Prep: Bio V01 & V01Lab**
- ❖ Phso V01 **Prereq: Chem & Lab and Anat V01 or concurrent enrollment**
- ❖ Micro V01 **Prereq: Chem, Lab & Phso V01 or Bio V04**
- ❖ Current CA Certified Nurse Assistant certificate
 - ❖ Student must have current CA state certificate or state exam results showing passed written and skills exam upon application

*If Chemistry is taken in high school, student must complete a college-level physical science course to fulfill graduation requirements at Ventura College.

No recency requirements for prerequisite courses

Nursing Prerequisites Cont'd

CNA (Certified Nurse Assistant)

- ❖ Can be completed anywhere
 - ❖ Ventura College or other community college, Adult Ed or Vocational Ed Programs
<https://www.cdph.ca.gov/Programs/CHCQ/LCP/Pages/CNA.aspx#>
- ❖ VC = HS V10 (1 semester course)
 - ❖ Packet to register for CNA is available online to register for following semester
<http://www.venturacollege.edu/departments/academic/certified-nursing-assistant>

Fall semester: March/April

Spring semester: September

Minimum Qualifying Requirements

Minimum
Qualifying
Requirements
are per State
Chancellor's
requirements

- ✓ *Must have minimum 2.5 overall GPA (**ALL** colleges attended – official transcripts must be on file)*
- ✓ *Must have minimum 2.5 cumulative GPA in Anatomy, Physiology, and Microbiology*
- ✓ *No more than one repeat (“W”, “D” or “F”) in **either** Anatomy, Physiology or Microbiology*
- ✓ *TEAS exam version V or ATI TEAS – attain success score of **62%** minimum (subject to change based on the State Chancellor's requirements)*

Remediation may be required if students do not meet minimum requirements.

Advanced Placement (LVN to RN)

3 options available for Advanced Placement

Option I – Assessment Testing for Clinical Competency (credit for NS V10, NS V20, NS V30)

Option III – Admission into NS V20 without challenge testing

- Must have current LVN license in California
- Must meet all prerequisite course and degree requirements (with exception of CNA)
- Must meet all minimum qualifying requirements (overall GPA, science GPA, not exceed repeats in sciences, and success score on the TEAS)
- *All options are on space available basis*
- *Applications accepted by appointment only during the same application period as regular applicants (Feb 1 – March 15; Aug 1 - Sept 15)*

Option II – 30 unit option (terminal option) (space available basis – two semesters of the program required NS V31 and NS V41)

30 unit option candidates are only required to have current CA LVN license, **Physiology (with lab)**, and **Microbiology (with lab)** with grades of “C” or better to apply.

TEAS (Test of Essential Academic Skills)

ATI TEAS (version 6)

Time limit is 209 minutes. 170 multiple choice questions. A four-function calculator will be provided at the time of testing.

Must score 62% or higher version V or ATI TEAS (subject to change)

The Ventura College Nursing Program will utilize the first attempt on TEAS version V or ATI TEAS for eligibility.

TEAS cont'd

***TEAS can only be taken twice – VC Nursing only
accepts the 1st attempt score on TEAS V or ATI
TEAS***

*If not passed on the 1st attempt, student must remediate before retesting. The 2nd
attempt score will then be used.*

The student is responsible to register for a date to take the TEAS exam at
Ventura College.

The student must arrange for the results of the TEAS exams if taken elsewhere
to be sent (electronically) to the Ventura College School of Nursing by the
stated deadline dates (April 1 or October 1).

Further information about the content, format, and/or study material for the TEAS exam may be
found at www.atitesting.com

REMEDIATION

Remediation required if:

- ❖ Overall GPA less than 2.5
- ❖ Cumulative GPA in Anatomy, Physiology, Microbiology less than 2.5
- ❖ More than one (1) repeat in the core sciences (Anatomy, Physiology, Microbiology)
- ❖ TEAS success score less than 62%

Students must meet with a Nursing Counselor to establish a remediation plan.

Students will have to complete required remediation plan within designated timeframe to meet eligibility to apply to the Nursing Program.

Multi-Screening Criteria

- ❖ Ventura College School of Nursing utilizes enhanced admission criteria to admit a minimum of 75% of the entering class.
 - GPA in required courses (Anat, Phso, Micro)
 - Academic Degrees, diplomas, or certifications
 - Relevant Work or Volunteer experience in healthcare
 - Life experiences or special circumstances
 - Proficiency or advanced level course in foreign language
 - TEAS scores
- 25% of students will be admitted based on waitlist order

Applying to Program (prerequisites completed)

Applications are accepted twice yearly (Regular and Advanced Placement)

March 15th Deadline Application

Submit application to Nursing Counselor

- By appointment only: Feb 1 – March 15
- All prereqs must be completed
- All multi-criteria documentation submitted (not required for Advanced Placement)
- Allowed to schedule TEAS date at VC

April 1st Deadline

TEAS must be taken at VC or test scores sent to the Nursing Office (if taken at other location) by deadline

TEAS dates offered in March

September 15th Deadline Application

Submit application to Nursing Counselor

- By appointment only: Aug 1 – Sept 15
- All prereqs must be completed
- All multi-criteria documentation submitted (not required for Advanced Placement)
- Allowed to schedule TEAS date at VC

October 1st Deadline

TEAS must be taken at VC or test scores sent to the Nursing Office (if taken at other location) by deadline

TEAS dates offered in September

If deadline falls on a weekend, applications will be accepted up through 5pm on the next business day

Admission Process

- ❖ Submit Nursing Application and Multi-Criteria by deadline (March 15 or Sept 15)
- ❖ Take TEAS exam by deadline (April 1 or Oct 1)
- ❖ Each qualified applicant will be added to waitlist
- ❖ 75% entering class based on Multi-Criteria
- ❖ 25% entering class based on waitlist

Students not chosen will remain on waitlist

March 15th deadline for possible Fall admission

September 15th deadline for possible Spring admission

Other Requirements...

√ Background check, drug and alcohol screening before entry

- Students with any previous Misdemeanor or Felony conviction within the past SEVEN (7) years will be denied placement at a clinical facility. This will prevent entrance into the Ventura College Nursing Program.
- Drug and Alcohol Screening – any positive result will be denied placement at a clinical facility. This will prevent entrance into the Ventura College Nursing Program.

(See a Nursing Counselor for further details)

Board of Registered Nursing

- The California Board of Registered Nursing protects the public by screening applicants for licensure in order to identify potentially unsafe practitioners.
- The law provides for denial of licensure for crimes or acts which are substantially related to nursing qualifications, functions, or duties. A crime or act meets this criterion if, to a substantial degree, it evidences present or potential unfitness to perform nursing functions in a manner consistent with the public health, safety, or welfare (California Code of Regulations, Section 1444).

- *Recommended students work no more than 20 hrs/wk if at all*
- *Students should plan to devote 15-20 additional hours per week to reading, studying, and preparing for hospital labs*

A variety of facilities are utilized for clinical experiences and students may change clinical facilities every 4 to 8 weeks. Clinical assignments are made by the nursing faculty and students are notified of their assigned lecture/lab sections before registration.

Educational Planning for Nursing

□ Things to consider

- Course load
- Time commitment – support
- Academic preparedness
- Financial aid – Please check with Financial Aid Office as Federal regulations determine eligibility

□ Meeting with a Counselor

- If you have attended any other regionally accredited college/university – send all official transcripts to Ventura College Admissions and Records Office.
- Request to have your transcripts evaluated – requests can be made at the Counseling Information desk.
- Meet with a Counselor to review evaluation
