### I. Policy/Procedure

- a. Establish a documented procedure to discontinue an existing GE approval if requested by the department

**We need a documented process for when a department wishes to remove a GE designation for a course that was previously approved for GE.**

**This process should involve the P&GE workgroup rather than going first to the curriculum committee.**

**Existing GE rubrics should be adapted to allow for the analysis of both additions and removals**

**One of the adaptations should be to add more questions that are able to address both additions and removals**

**Another one of the adaptations should be that explanations are requested for both "yes" and "no" responses**

- b. Establish a documented procedure when CSUGE or IGETC approval is withdrawn for a course

**Recommend this process should be reviewed by the Curriculum Committee meeting.**

- c. Report on SCIAC (Southern California Intersegmental Articulation Council) Meeting

**There was a difference of opinion regarding the inclusion or analysis of student learning outcomes (SLOs), institutional student learning outcomes (ISLOs), or general education**

**learning outcomes (GELOs) in the revision of the GE rubrics; a question was also raised regarding whether ISLOs are suitable for GELOs**

**II. Course Approval Recommendations – effective retroactively for Fall 2020 (see attachments)**

Course	Local GE area(s)
CHSTV03/AES V03	B2 (Social and Behavioral Sciences), C2 (Humanities), F (Ethnic/Gender Studies)
HIST V47/AES V47	B1 (American History/Institutions), B2 (Social and Behavioral Sciences), C2 (Humanities), F (Ethnic/Gender Studies)

**Course CHST V03/AES V03 - B2 (Social and Behavioral Sciences), C2. (Humanities), F. (Ethnic/Gender studies) recommended for approval in all GE areas provided at next CC meeting.**

**HIST V47/AES V47 – B1 (American History/Institutions), B2 (Social and Behavioral Science), C2 (Humanities), F (Ethnic/Gender Studies) approved for recommendation of all GE areas provided at next CC meeting. Recommended for retroactive approval to CC meeting for Fall 2020 implementation.**
