COMMUNITY CLASS REGISTRATION PETITION

Student Last Name:

First Name:

Student ID (900 #):

POLICY:

Any student participating in a class at Ventura College must either be enrolled in the specific class or request Community Class (CC) Flat Fee Participation. Students who wish to participate in an activity course (lab/athletic/studio), but are not able to enroll due to exhaustion of all repeatable units, may request to participate via Community Class Flat Fee. (Repeatability varies by course and is verified in the College Catalog.) Students may petition to the instructor on the "last day to add" for that class in the Online Schedule of Classes. The instructor may accept the request only if there is available space with official class capacity and the added impact will not adversely affect college enrolled students. Acceptance of the request is at the instructor discretion regardless of available space.

This method of class participation does not accrue credit units and is only appropriate for those community members who have previously taken the course and have no further academic goals in regard to that course. As such, any form of financial aid is non-applicable and no record of community participation is noted on transcripts. All participants agree to abide to the governing rules of Ventura College and the Ventura County Community College District and all policies of attendance and participation as indicated in the course syllabus. Students who are exclusively CC students are not eligible to purchase student parking passes, use other college services, or use college funds to participate in class related travel expenses. **Students enrolled in CC classes are required to purchase all necessary materials for participation in the class (texts, paper, clay, music, film, etc.).** Students registered for the class for credit must be given priority access to all class equipment before CC participants are given access to these resources. Class participation will not influence enrollment figures for class viability.

This request must be submitted to the VC Admissions and Records (A&R) office for processing and registration. Upon approval, applicants will be required to submit payment to the VC Student Business Office before attending class. Fees are outlined below and all community class fees are nonrefundable.

- 1 unit - \$110
- 1.5 units - \$130
- 2.0 units - \$145
- 2.5 units - \$170
- 3.0 units - \$199

If repeatability has not been exhausted you may register for the class for credit.
